IMPORTANT NOTICES TO ALL STUDENTS!

CAMPUSS WIDE IDENTIFICATION NUMBER

Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus wide ID number (CWID). This number may also be referred to as a student identification number (SID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number for conducting university business and making academic inquiries.

NEW GRADING SYMBOLS AND PLUS/MINUS GRADING

Several new grading symbols became effective beginning fall 2002 in accordance with the Chancellor’s Office Executive Order Number 792. See section on Incomplete (p. 16) and Unofficial Withdrawal (p. 19). As of spring 2005, the university allows plus/minus grading. See pages 22 and 23 for further information.

ENGLISH AND MATH REMEDIATION

Each California State University campus is responsible for ensuring students take the English Placement Test (EPT) and Entry Level Mathematics Examination (ELM) unless they are exempt from the requirement(s). Exemption information is on page 28. Based on the test results, those students requiring remedial instruction will be placed in the appropriate remedial classes during their first semester on campus. By taking the appropriate remedial classes in the first semester, students will be better prepared to meet the challenges of their later course requirements. Remedial classes include MATH 30A, MATH 30B, MATH 40, ENGL 099, and ENGL099M. Degree credit is not awarded for these classes. Transfer students can qualify for an exemption by completing and transferring to CSUF a college course that satisfies the General Education—Breadth or Intersegmental General Education Transfer Curriculum (IGETC) quantitative reasoning requirement, provided such course was completed with a grade of “C” (2.0) or better.

E-MAIL ADDRESS

Each student has been issued an e-mail address where University messages will be sent to you. For additional information about your e-mail account, contact (714) 278-7777. Many campus offices have begun utilizing e-mail as the PRIMARY communication mode to the student. Be sure to check your e-mail on a regular basis.

MAILING ADDRESS

You are required to keep your mailing address, e-mail address, and phone number current with the University to ensure that you receive all University communications. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. For additional information about parking permits, call Parking and Transportation Services at (714) 278-3082.

NONDISCRIMINATION AND SEXUAL HARASSMENT COMPLAINT PROCEDURES

Inquiries concerning compliance with the Nondiscrimination Policy (p. 17) and the Sexual Harassment Policy (p. 17) and implementing campus policies or procedures should be directed to: Rosamaria Gomez-Amaro, Director, Diversity and Equity Program, CSUF, College Park, Suite 770, (714) 278-3951, www.fullerton.edu/diversity; Paul K. Miller, Director, Disabled Student Services, CSUF, University Hall 101, (714) 278-3117, TDD (714) 278-2786, www.fullerton.edu/disabledservices/index.htm (student referrals and complaints related to Section 504 of the Rehabilitation Act of 1973); or U.S. Office for Civil Rights, Regional Director, Region 9, San Francisco Office, Old Federal Building, 09-8010, 50 United Nations Plaza, Room 239, San Francisco, CA 94102-4102, (415) 556-7000, TDD (415) 437-7786, Fax (415) 437-7783, Email:OCR_SanFrancisco@ed.gov.

Copies of the above policies and student grievance procedures for the resolution of discrimination and sexual harassment complaints are available in the offices of the President (LH-900), Vice President for Academic Affairs (MH-133), Vice President for Student Affairs (LH-805), Diversity and Equity Programs (CP-770), Disabled Student Services (UH-101), Public Safety (T-1200), College Deans, Office of Student Life (TSU-235), University Library Reference Desk, and Women’s Center (UH-205).

IMPORTANT NOTICES REGARDING THE MIHAYLO COLLEGE OF BUSINESS AND ECONOMICS

I. Registration Instructions for MCBE Courses.
   All students in the Mihaylo College of Business and Economics are strongly advised to participate in TITAN early registration. Class availability may be limited once the semester begins. Once the semester begins, students may add business and economics courses only during the first two weeks of the semester.

   NEW FOR FALL 2008
   In Fall 2008 we are introducing waitlisting for classes in the Mihaylo College of Business & Economics. If a course is full, you may try to obtain a place in the class by getting on the wait list. As space in the class becomes available, your name will advance on the wait list. If enough students drop the course, you may be automatically enrolled from the wait list. Please refer to How Waitlisting Works in the Blue pages of this schedule.

   Deadline to add MCBE courses - September 8, 2008

   Students may drop business and economics courses without record of enrollment up until September 8, 2008. You must drop courses using TITAN. No signatures or stamps are required to drop courses during this period.

   After September 8, students are expected to complete all courses in which they are enrolled. Withdrawals will only be considered if there are serious and compelling reasons, and if approved, a "W" will be shown on the student's academic record for that course. Please refer to Blue Pages for further information.

   A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings in the first week. If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student's responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and

(Continued on page 6)
should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

II. Admission to the Business Administration, International Business, or Economics major involves two steps. All new and readmitted students are initially classified as pre-business, pre-international, or pre-economics. After completing the lower division prerequisite requirements, the students may apply to the upper division step of their major. "Pre" students may take lower division business and general education courses, but most upper division business courses are not open to "pre" students.

**Prerequisite requirements for Business Administration:** students must complete the following courses (or equivalents) with grades of at least "C" in each course: ACCT 201A; ACCT 201B; BUAD 201; ECON 201, 202; MGMT 246; ISDS 265; and MATH 135, 130, or 150A.

**Prerequisite requirements for Economics:** students must complete the following courses (or equivalents) with grades of at least "C" in each course: ACCT 201A; BUAD 201; ECON 201, 202; ISDS 265; and MATH 135, 130, or 150A.

**Prerequisite requirements for International Business:** students must demonstrate satisfactory progress toward intermediate foreign language competency and complete the following courses (or equivalents) with grades of at least "C" in each course: ACCT 201A, B; BUAD 201; ECON 201, 202; MGMT 246; ISDS 265; and MATH 135, 130, or 150A.

**To apply for the Business Administration, International Business, or Economics major** see an advisor in the Business Advising Center (LH-731) during the semester in which you are completing your final prerequisite requirements. You must bring verification of grades (transcripts or grade reports) of all completed prerequisite courses. For TITAN I, you must apply to the upper-division major by June 5, 2008.

III. **Enrollment Restrictions.** Except as noted, most courses in the Mihaylo College of Business and Economics are restricted by major:

**Undergraduate MCBE Students**

Pre-business, Pre-economics and Pre-international business majors shall not enroll in any concentration courses until they have completed all of the required lower-division core courses with a grade of at least "C" (2.0) in each course and officially declared their concentration.

Students with an officially declared minor in business administration, economics, or information systems may enroll in business or economics courses required for the minor through **New Titan Online** registration.

**Graduate MCBE Students**

MCBE graduate courses are restricted to students currently enrolled in an MCBE graduate program. Postbaccalaureate unclassified and Open University students may not enroll in MCBE graduate courses.

Enrollment in BUAD 591 requires classified MBA status, approval of the MCBE graduate advisor, good academic standing, and within six units of completing study plan or in final semester of the program. Please contact Diane Mazzei via email at dmazzey@fullerton.edu for approval two weeks prior to your registration date.

**Non MCBE Majors**

Most business courses are restricted and closed to non-MCBE majors during **New Titan Online** early registration.

Communications, Computer Science, Environmental Studies, Human Services, Liberal Studies, Mathematics, Public Administration, and Psychology majors may enroll in certain business courses during **New Titan Online** early registration. Students in these majors should see their department advisor for further information.

IV. **Business Administration Honors Program**

Highly motivated students majoring in business administration will have the opportunity to take designated honors courses in the upper-division business core. The enriched courses will provide challenging learning experiences, individual attention from selected professors, small class size, and closer interaction with other similarly motivated students. In addition, upon successful completion of the honors program, formal recognition will be awarded at graduation.

For further information and eligibility requirements, contact the Business Advising Center, LH-731, (714) 278-2211.

**Placement Examinations:**
- Entry Level Mathematics (ELM)
- English Placement Test (EPT)

Unless exempt, all newly admitted freshmen must take the ELM and the EPT. The letter of admittance provides information regarding individual placement examination requirements. Students must take these exams on or before May 3, 2008 to ensure eligibility to register for courses during New Student Orientation (NSO).

*New students may not register for courses until the ELM and EPT results are available.*

See the Testing Center website or the Placement Examinations Schedule section in this class schedule for more information about test dates and test registration. Testing Center (714) 278-3838 [http://www.fullerton.edu/testing](http://www.fullerton.edu/testing)

**Academic Planning**

First-time freshmen receive academic advisement for both General Education (GE) and major coursework at New Student Orientation (NSO). Advisors assist freshmen in creating appropriate first semester schedules.

*All freshmen take English or Oral Communications and Mathematics Courses during fall semester.***

♦ Remediation English 099/ENGL 099M course (based on EPT scores)
♦ English 101 or an oral communications course (based on EPT or exemption scores)
♦ College level or remediation mathematics course (based on ELM or exemption)

*All English and mathematics remediation must be completed by the end of Spring Semester*

**Suggested Guide to Major-Appropriate GE Mathematics Course**

- **MATH 110 (3 units)** - Non-Science Majors and Non Pre-Business Majors
- **MATH 115 (4 units)** - Biology**, Pre-Business majors not eligible for Calculus
- **MATH 120 (3 units)** - Social Science Majors
- **MATH 125 (5 units)** - Biochemistry, Biology, Chemistry, Computer Science, Engineering, and Physics Majors needing to go on to Math 150A
- **MATH 130 (4 units)** - Appropriate for some biology majors
- **MATH 135 (3 units)** - Pre-Business majors eligible for Calculus
- **MATH 150A or 150B (May use AP scores or MQE as pre-requisite) for Majors requiring calculus**
  **See Biology Advisor**
  ***All AP scores MUST be on file with Admissions and Records prior to registration***

Two-year plans are available on the AAC website at www.fullerton.edu/aac.

**WARNING**

Freshmen only enroll in lower division courses (100 or 200 level). Do NOT enroll in upper division courses (300 or 400 level).

**Academic Advisement Center (AAC)**

The ACC provides advisement for General Education, graduation requirements and university policies. The AAC is also the home department for undeclared majors. The undeclared resource room is located in UH-124. Please visit the Academic Advisement Center in UH-123B during the month of October for early advising prior to Spring 2009 Registration.
FIRST-SEMESTER TRANSFERS CHECKLIST

Major Requirements

♦ Please contact the major department for specific major advisement (Refer to pages 12-13 in this class schedule for contact information)
♦ First Semester Transfer Plans specific to the major are on the Academic Advisement Center website www.fullerton.edu/aac. These plans offer suggestions for course selection in the first semester.

General Education Requirements

♦ All students must complete 9 units of General Education (GE) in residence at CSUF.
♦ All students must complete 9 units of upper division (300-400) General Education.
(Most transfer students fulfill the residence requirement and the upper division GE requirements with the same 9 units.)
♦ Select GE courses that are not offered by your major department (consult with an ACC advisor for courses that may double count in the major requirements and General Education).
♦ Students must print their TITAN Degree Audit and bring it to the ACC to review any specific GE requirements in addition to those listed above.

AAC is located in University Hall 123B http://www.fullerton.edu/aac (714) 278-3606

Upper Division Baccalaureate Writing Requirement: Upper Division Writing Courses and Junior Level Examination in Writing Proficiency (EWP)

All students completing bachelor’s degrees must demonstrate writing ability acceptable for graduation. The upper division writing requirement has two parts which must be satisfied: (1) Major specific upper division writing course(s) and (2) the Junior Level Examination in Writing Proficiency (EWP). See pages 30 and 31 for the writing course(s) required by the various majors.

The EWP should be taken once 60 units of baccalaureate coursework has been completed. See the Upper Division Baccalaureate Writing Requirement section in this class schedule for more information about test dates and test registration.

Testing Center (714) 278-3838 http://www.fullerton.edu/testing

Academic Planning

♦ The Academic Advisement Center (AAC) provides advisement for General Education, graduation requirements and university policy. Advisement is provided on a walk-in basis.
♦ Contact the major department for specific major requirements and advisement.
♦ Develop an Academic Advisement file to bring to advisement sessions. It should include:
  - All correspondence received from the university and current unofficial transcripts from all colleges attended.
  - Advisement worksheets, such as major advisement worksheets, and the General Education worksheets should be added to the file after meeting with advisors.
  - Current copies of your TITAN Degree Audit or in some cases your Final Evaluation and Summary of Units for General Education.*

It is very important for transfer students to receive advisement before registering for courses.

*Transfers from out of state and some 4-year universities will receive a Final Evaluation and Summary of Units for General Education from Admissions and Records.

TITAN Degree Audit

www.fullerton.edu/admissions/currentstudent/degreeaudit.asp

A TITAN Degree Audit (TDA) is primarily an advising tool. The TDA report includes general education and major requirements, as well as other minimum unit and grade point average requirements of the University. Your TDA will be a preliminary evaluation of your transfer coursework.

IMPORTANT: Your TDA will remain preliminary until you receive notification from the Office of Admissions and Records that a final evaluation of your records has been completed.

TITAN Degree Audits can be obtained by going to the New Titan Online website and selecting the Student Academics menu. From that menu, select TITAN Degree Audit. You must have a student ID number and personal identification number (PIN) to request your TDA. Please visit the AAC to review your TDA.

**FUTURE TEACHERS**

Students planning careers in elementary, middle school, or high school teaching are encouraged to come to an information session provided by the Center for Careers in Teaching. A schedule of the information session is available in H-113 or on the web at http://www.fullerton.edu/cct.

Do not delay in seeking early advisement about a teaching career.
UNDERGRADUATE ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester, well in advance of registration. Advisors in each major department and in the Academic Advisement Center (UH-123) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT

Students may obtain information about General Education requirements at the Academic Advisement Center (AAC). The AAC is also the academic home of the undeclared student.

- Students who began as freshmen at CSUF should bring their General Education Worksheets if they have received prior advisement in the AAC and/or their TITAN Degree Audit to each advisement session.
- Transfer students should always bring their Titan Degree Audit or Final Evaluation Summary of Units sheet.

The Final Evaluation and Summary of Units (blue sheet) was mailed to transfer students admitted prior to fall 2002.

MAJOR ADVISEMENT

Students who have declared a major should consult their departmental advisor well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate college advisement office.

CONSIDER A CAREER IN TEACHING!

TEACHER PREPARATION PROGRAM

- The Center for Careers in Teaching (H-113) assists students planning to become teachers. Careful planning in the undergraduate years can significantly shorten the time it takes to earn a bachelor’s degree and teaching credential.
- Attend a Center for Careers in Teaching seminar to learn more! Seminar schedules are posted at http://www.fullerton.edu/cct.

Teaching Elementary School
Students planning to teach at the elementary level must complete a multiple subject credential program. To prepare for entry into the Multiple Subject Credential Program, students should take the following classes:

One Human Development Course: CAS 101, CAS 312*, CAS 315*, CAS 325A + 325B or PSYC 361*
(or the equivalent from another institution)

*Satisfies GE Section IV-CHAD majors may not use CAS 312 or 315 for GE, PSYC majors may not use PSYC 361 for GE
EDEL 315
EDEL 325 (Satisfies GE Section III.C.2, V)

Recommended Courses

Teaching Middle and/or High School
Students who plan to teach at the middle school or high school level complete a single subject credential program. Each subject area (Art, Biology, Business Education, Chemistry, English, Foundational Level Math, Modern Languages, Geology, History/Social Science, Math, Music, Physics, and Physical Education) requires specialized preparation, but all of the single subject credential programs share the following prerequisite courses:

EDSC 310 The Teaching Experience (Exception: Music Education majors take MUS 394A/B and MUS 395A/B)
EDSC 320 Adolescence (Satisfies GE Section IV)
EDSC 330 Instruction in Reading in the Secondary Schools
EDSC 340 Multicultural Education in the Secondary Schools

Teaching Special Education
Students planning to teach in a Special Education classroom may obtain additional information from http://ed.fullerton.edu/sped/.

- Don’t delay seeking advisement! Attend a Center for Careers in Teaching seminar soon!
- If you are close to graduating or already hold a baccalaureate degree, attend an overview session offered by Admission to Teacher Education department to learn more about the elementary (multiple subject), secondary (single subject), or special education credential programs and their requirements. Call (714) 278-3412 for dates and times.
ACADEMIC FREEDOM AND RESPONSIBILITY

The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS

If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from the Student Health and Counseling Center. If you are unsure of a career, you should consult with the Career Planning and Placement Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Appeals, Financial Aid, the Women’s Center/Adult Re-entry, Dean of Students, the Writing Assistance Center, the Academic Advisement Center, and the Office of Admissions and Records.

AUDITING

The symbol AU identifies those instances where a student enrolled in a course for the purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on the inside cover of this class schedule. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

CLASS ATTENDANCE

While class attendance is not recorded officially by the University, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the semester.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within 24 hours after class may be denied admission to the class. Instructors may deny admission to absentees to permit persons on waiting lists in their places. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings the first week (five class days). If a student decides to continue enrollment in a class either before or after instruction begins, it is a student’s responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLOSED CLASSES

A departmental permit is required to add a closed class.

CONCURRENT ENROLLMENT

A student enrolled at the University may enroll concurrently for additional courses at another CSU campus only with advance written approval and by filing a concurrent enrollment form with the Office of Admissions and Records. Certain restrictions apply when a quarter-system campus is involved. Permission will not be granted when the study list in the proposed combined program exceeds units authorized for full-time study. Students may enroll concurrently at institutions outside the CSU system without special permission or forms.

CONTINUOUS ENROLLMENT-GRADUATE STUDENTS WITH MASTER’S DEGREE OBJECTIVES

A student with a graduate degree objective must maintain continuous enrollment (summer sessions and intersession excluded) until the degree is awarded.

A graduate student who finds it impossible to attend during a particular semester and is denied a formal leave of absence, may register in Graduate Studies 700, which gives no units of credit and does not require class attendance. Registration in Graduate Studies 700 is restricted to classified or conditionally classified graduate students.

A graduate student who fails to register, and who has not obtained approval for a formal leave of absence, has discontinued enrollment in the graduate degree program. If the student wishes to resume study, he or she must reapply for admission to the University and to the degree program.

End of Program Enrollment: students who have enrolled in all units required for the degree and are continuing to work on a thesis, project or comprehensive examination, or are required to maintain continuous enrollment by enrolling in GRAD 700 Continuous Enrollment (zero units) through regular registration or at a reduced fee through Extended Education. Students must submit a GRAD 700 Request Form signed by their program advisor before extended education registration forms will be released. Forms are available in the Graduate Studies Office, (MH-103) or from the departmental graduate program advisor.

If you are unsure as to which GRAD 700 applies to your situation, contact your program advisor.

CONTINUOUS ENROLLMENT OF TEACHING CREDENTIAL CANDIDATES

A postbaccalaureate student who has completed student teaching but must complete requirements for an elementary or secondary teaching credential and finds it impossible to enroll in courses for the credential during a certain semester may apply for a leave of absence.

COURSE OUTLINES

Course Outlines, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the University catalog, must be provided to students in writing within the first five days of instruction. Course outlines shall give detailed information on the following matters: (1) course material to be covered (e.g., reading list); (2) the grading policy for the course; (3) class assignments (e.g., term papers-length, due date, projects); and (4) examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations; (5) required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, “software”, artistic materials, scientific apparatus, etc.

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair.

Faculty shall not be bound to adhere to their course outlines on a strict day-to-day basis, but should follow their outlines as much as reasonably possible.

After distribution of course outlines to students, major assignment or course requirement changes (e.g., additional term papers or examinations) must be announced to students with a reasonable timetable for completion.

DEGREE CANDIDATES

Candidates for the baccalaureate must pay the graduation and diploma fee and file a request for a degree check with the Office of Admissions and Records two semesters prior to the semester in which they anticipate completing all requirements for a degree. The form to accompany this initial step, for those eligible, is available either at the Office of Admissions and Records Service Center or at the Graduation Unit (LH-114). Undergraduate candidates for May 2009 and August 2009 must file the appropriate form with the Office of Admissions and Records on or before August 8, 2008 to receive an official check of remaining requirements prior to the spring 2009 semester.

Candidates for any master’s degree must pay the graduation and diploma fee and file a request for a graduation check with the Office of Admissions and Records on or before Friday, August 8, 2008. Undergraduate students planning to graduate in January 2009 must have their graduation check forms signed by major department advisers and returned to the Graduation Unit (LH-114) no later than May 9, 2008.
A change in anticipated date of graduation may be reported by filing the necessary form with the Graduation Unit (LH-114). Graduation checks remain valid while the student remains in continuous attendance, even though the graduation date has been changed.

**GRADE OPTIONS**

The University uses a combination of traditional and nontraditional grading options as follows:

- **Traditional**
  - Nontraditional
  - CR - C (2.0) grade or better in undergraduate courses; B (3.0) or better in graduate courses.
  - NC - No credit

Students may indicate the grading option for each course when they register. They have until the deadline published in the front cover of the class schedule to change an option. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor, and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designed by the faculty to be graded Ltr Grd Only or CR/NC Only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading option. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. No course with a grade of CR may be used for the master’s degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

**INCOMPLETE AUTHORIZED (I)**

The symbol ‘I’ (Incomplete Authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An Incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an IC symbol or an NC unless faculty member assigns a specific letter grade at the time the Incomplete is assigned which would replace the ‘I’ in the student’s record at the end of the one year deadline. Therefore, ‘I’ grades that were earned for the Fall 2007 semester must be completed by January 2, 2009. ‘I’ grades assigned at the end of the Fall 2008 semester must be completed by January 2, 2010.

The IC symbol counts as a failing grade for grade point average and grade point basis computations.

A grade of Incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of I, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.

The statement of requirements will include an indication of the quality of the students work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the Incomplete grade rests with the instructor.

**INDEPENDENT STUDY**

If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for final evaluation of the independent study.

You may not take more than six units of independent study at the undergraduate level in a given semester or apply more than nine units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than six units of independent study toward the completion of a graduate degree unless written approval is obtained by the appropriate college dean.

Lower division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.

**INTERNSHIPS AND SERVICE-LEARNING**

Location: LH-209

The Center for Internships and Service-Learning was established to offer students the opportunity to formally integrate academic knowledge and skills with practical experiences in business, not-for-profit and government agencies. These real world experiences will provide students with the opportunity to expand their knowledge, apply theories and skills learned in the classroom, preparing them for successful entry into the job market as well as developing them as socially responsible citizens. Additionally, students will have the opportunity for personal growth, leadership and professional preparation. Other valuable benefits of internships and service-learning are:

1. Gain work and service experience
2. Network and develop industry contacts
3. Solidify academic and career goals
4. Opportunity to earn money while learning
5. Explore various career options within a major
6. Earn academic credit

Each internship/service-learning placement is monitored by the site while faculty provide guidance to students, ensuring the academic integrity of the work or service experience.

**Service-Learning Courses**

Students who wish to participate in service-learning courses should register for courses with a Service Learning designation in the class schedule. There are no restrictions.

**Academic Internships (credit-bearing)**

Students participating in internships must:

1. Be at least in the junior year of study
2. Be in good academic standing
3. Receive approval from an appropriate faculty coordinator
4. Enroll in the departmental internship/co-op course

In most departments up to three units of internship credits may be earned. There is no maximum for service-learning courses.

The center is open Monday-Friday from 8:00 a.m. to 5:00 p.m. The website is: www.fullerton.edu/CISL.

**LEAVE OF ABSENCE - UNDERGRADUATES AND POSTBACCALAUREATE UNCLASSIFIED GRADUATE STUDENTS**

A leave of absence may be granted based on certain documented extenuating circumstances and normally is granted for not more than one year. Student must be in good academic standing and must have completed 12 units at this university. A leave of absence is not granted in order for a student to return to a community college to take coursework for financial or academic reasons. An approved leave of absence authorizes the student to return without repaying to the university and continue under the catalog requirements prior to the absences. Undergraduate and postbaccalaureate unclassified graduate students on approved leaves of one year (two academic semesters) or less are eligible to register for the semester immediately following the end of the leave.
LEAVE OF ABSENCE - GRADUATE AND CREDENTIAL STUDENTS

Graduate degree or credential students may be granted leaves of absence, up to two consecutive semesters, which maintain their place in the university and in degree or credential programs (i.e., they do not have to reapply following the leave). A leave granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the university does not extend time limitations imposed by the State for completing specific credential requirements nor does it extend the time limit for completing the master’s degree.

In the case of non-approved breaks in enrollment, reapplication for admission to the university and to the chosen degree or credential program will be required. A place in the degree/credential program or in the university will not be held for the student in these circumstances.

Forms for requesting a leave of absence are available in the Admissions and Records Service Center (LH-114), the Graduate Studies Office (MH-103) or the Graduate website: http://www.fullerton.edu/graduate. Students must be in good academic standing and must have completed at least six units toward the degree or credential in residence at this university in order to qualify for leaves of absence. Leaves must be submitted before the first day of classes.

NONDISCRIMINATION POLICY - A COMMITMENT VALUING DIVERSITY

It is the policy of California State University, Fullerton, to create and maintain an environment that values diversity, respects human dignity, is hospitable, equitable, tolerant, and in which all persons are free from all forms of invidious discrimination or discriminatory harassment. To this end, CSUF does not discriminate on the basis of race, color, ethnicity, ancestry, national origin, citizenship, religion, creed, sex, sexual orientation, marital status, pregnancy, age, disability or covered veteran’s status in the educational programs or activities it conducts. Such programs and activities include, but are not limited to, admission of students, employment, and intercollegiate athletes. Discrimination is prohibited by Title VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, and the Americans with Disabilities Act of 1990 including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

OPEN UNIVERSITY ENROLLMENT

Open University enrollment provides an opportunity for people who are not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes. In fall and spring, registration is on a space available basis after classes have started. In summer, special registration provisions may be made for Open University students to enroll before classes start. Information packets are available from University Extended Education (UEE) in CP-100, the UEE Academic Advisor Lyn Richie-Walker in LH-123, or the forms section on www.csufextension.org. Open University students are required to contact the UEE Academic Advisor Lyn Richie-Walker (LH-123, 714-278-7645) prior to registering. Credit earned through Open University is designated as special session credit. A maximum of 24 special session credits may count toward a bachelor’s degree. Special session credit earned through Open University may not be used to fulfill the residence requirements (30 semester units) for a bachelor’s degree. For graduate degrees, normally 6 to 9 units may apply. More units of credit may apply for graduate degrees which require more than 30 units. Please consult the graduate department advisor. Disqualified (DQ) students may not enroll in more than six (6) units per academic term. Participation in Open University enrollment does not constitute admission to the university.

REPETITION OF COURSE POLICY

Undergraduate students may repeat courses at California State University, Fullerton for which C (1.7) or failing grades were earned either at CSUF or other institutions. In repeating such courses, the traditional grading system shall be used. In computing the grade point average of a student who repeats courses in which he or she received C (1.7) or failing grades, only the most recently earned grades and grade points shall be used for the first 16 units repeated.

In exercising this option, an undergraduate student must repeat the course at this campus and may request application of this policy when a course has been repeated. This should be accomplished using the appropriate form, immediately following the term in which the course has been completed, so that the student’s grade point average can be revised.

In the case of any repetition beyond the 16-unit limit or in courses for which a C (2.0) or better grade was awarded, both grades are considered in computing grade point averages. Successful repetition of a course originally passed carries no additional unit credit toward a degree or credential except for certain courses such as independent study, practicum, or other courses specified in the catalog as “may be repeated for credit.”

Students transferring from other college where courses were taken and repeated, may be eligible for consideration under this policy. In general, the policy of the college where the course was repeated shall be followed; however, units for the courses taken and repeated at the transfer institution are included in the 16-unit limitation. The repetition of course policy shall not be applicable for courses in which a C- (1.7) or lower grade was given for disciplinary reasons.

This policy has been revised for graduate and postbaccalaureate students (excluding second baccalaureate students) regarding courses for which a grade of WU (Withdraw Unauthorized) was received. If a course for which a grade of WU was received is repeated, only the most recently earned grade(s) and grade points will be used in computing the grade point average; however, the original WU grade(s) will remain on the permanent record. This policy applies only to grades earned during the first semester in which WU grades are received. Repeated courses must be taken at Cal State Fullerton using the traditional grading system. Students who have successfully repeated a WU-graded course must notify the Admissions and Records office using the appropriate form if they wish an adjustment to their grade point average.

ACADEMIC DISHONESTY

Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned.

An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair, and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentations for action that he of she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designees may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor’s Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of this catalog.

SEXUAL HARASSMENT POLICY

It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1962, Title IX of the Higher Education Amendments of 1972, and the California Education Code 89535. Executive Order 927-Systemwide Policy on Prohibiting Harassment in Employment and Retaliation for Reporting Harassment or Participating in a Harassment Investigation also prohibits sexual harassment within the California State University system. The university will not tolerate sexual harassment and will take action to eliminate such behavior. Information concerning campus sexual harassment policies and procedures can be obtained from the Office of Diversity and Equity Programs, College Park 770, (714) 278-3951 or www.fullerton.edu/diversity/policies.asp.
Use of Bicycles and Skateboards on Campus

The University’s policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President’s Directive #16.

A. Bicycles, scooters and roller skates may be used on campus under the following conditions.

1. Pedestrians have the right-of-way at all times.
2. Individuals using bicycles, scooters or roller skates must comply with all applicable laws and regulations, exercise due care and use reasonable caution to prevent injury and damage to property.
3. Bicycles, roller skates and scooters may not be ridden or used in posted dismount areas, campus buildings or parking structures; over shrubbery; or on grass. However, bicycles, roller skates and scooter may be ridden or used in posted dismount areas either for instructional purposes or whenever parking fee regulations are not enforced.

B. Skateboards and motorized skateboards may not be used on campus, including parking structures.

C. Motorized bicycles and scooters may only be operated on campus roadways.

D. Bicycles, scooters, motorized bicycles and motorized scooters secured to objects or structures other than approved racks or storage containers may be removed by the University.

E. Bicycles, motorized bicycles, motorized scooters and motorized skateboards may not be stored inside any building, including the residence halls, without written authorization.

F. Non-motor vehicle forms of transportation may be used on campus or any property controlled by the University to accommodate a disability with written authorization.

SMOKING POLICY

I. Policy Statement

To mitigate well-established health risks associated with exposure to secondhand smoke, the California State University Board of Trustees delegated authority to campus presidents to adopt rules regulating smoking on campuses. At California State University, Fullerton, smoking is prohibited in any:

- Building owned, leased or rented by the University or one of its auxiliaries, whether located on or off campus.
- Outdoor area (for example a patio, balcony, courtyard or atrium) within 20 feet of any building. Smoking is permitted beyond 20 feet
- In outdoor areas unless otherwise posted.
- Vehicle owned, leased or rented by the University or one of the University’s auxiliaries.

II. Existing State Guidance & Development Considerations

The State of California prohibits smoking in all public buildings and other enclosed areas of employment. Authority to issue this Policy is based on Title 5, California Code of Regulations, Section 42356; State of California Executive Order W-42-93; State Government Code Section 19994.31; State Labor Code Section 6404.5; and CSU Executive Order 599.

III. Scope

This Policy applies to all University faculty, staff, students and visitors, as well as the areas noted in Section I above. Smoking is permitted in University-sponsored Theater and Dance productions only if smoking is listed in a script as a required part of a performance.

Smoking is permitted in student-authored or student-sponsored scenes, showcases or workshops only if produced as part of the University’s Department of Theatre and Dance Season. Entertainment productions and other presentations in the Titan Student Union are not exempt from this Policy; however, the Executive Director of the Associated Students may grant an exemption when smoking is listed in the script as a required part of a performance.

IV. Definitions

“Smoking” is defined as inhaling, exhaling, burning, or carrying a lighted cigarette, cigar, pipe or other apparatus used to smoke tobacco or any other organic or non-organic material.

V. Implementation

The Office of Environmental Health and Instructional Safety will provide faculty, staff, students and visitors with notice of this Policy through signs, information campaigns or other publications. Supervisors are responsible for informing employees of this Policy.

VI. Accountability

Faculty, staff and students violating this Policy are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures. Violations should be reported to the appropriate administrator. Environmental Health and Instructional Safety at 278-7233 or Risk Management at 278-7346.

This Policy is effective as of April 3, 2003, and supersedes all previous University smoking policies. Contacts for questions regarding this Policy are the Director of Environmental Health and Instructional Safety and the Director of University Risk Management.

SOCIAL SECURITY NUMBER & STUDENT IDENTIFICATION NUMBER

Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The social security number is also required by the Franchise Tax Board for collection of returned checks.

For other records and services, the university uses an assigned Campus Wide Identification number (CWD), also referred to as an SID (Student Identification Number), as the student’s account number. For most information on CWD see page 4. A student’s TitanCard number is not his or her identification number.

Students are required to write their student identification numbers on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or, when appropriate (other than mail-in or drop-off registration), cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY

The stop-out policy allows undergraduate students and postbaccalaureate unclassified non-credential graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leave approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton.

At other times, transcript requests are processed within one week, as a general rule. Transcript request forms are available at the Admission and Records Service Center (LH-114). Immediate, over-the-counter transcript service cannot be provided.

Although neither CSUF nor the Associated Students Office can endorse any particular policy, the staff does negotiate for a policy that offers the best coverage at the lowest possible cost. Students should seriously consider health insurance since it enables them to obtain needed medical services without having to be concerned about the rising cost of medical services. The staff of the Associated Students Office will be pleased to answer any questions about the insurance policy (714) 278-2401.

WITHDRAWAL, UNOFFICIAL (WU)
Students who discontinue course participation without formally filing a withdrawal notice with the university shall be considered to have withdrawn unofficially from the course. Such action by the student will result in a final grade of WU (Withdrawal Unauthorized) or NC, depending on the grade option elected. For purposes of grade point average computation, the WU symbol is equivalent to an F. Students will be held responsible and billed for fees not yet paid.

Students may petition for retroactive withdrawal from individual courses or from an entire semester, provided that they can document both the serious and compelling reasons or circumstances that required the withdrawal and the date of such withdrawal. Such petitions must be filed within 30 days after the first class day of the following semester. If it is determined that retroactive withdrawal is justified, a grade of W will be assigned and the negative effect of the WU grade will be removed from the grade point average. Forms are available at the Admissions and Records Service Center, LH-114.

WITHHOLDING OF SERVICES FOR NONPAYMENT OF DEBTS
The Board of Trustees has authorized the withholding of certain services for nonpayment of debts owed the University. An average GPA of at least 2.0 based on all units attempted, including those attempted at other institutions;

An average GPA of at least 2.0 based on all units attempted at Cal State Fullerton; and

An average GPA of at least 2.0 based on all units attempted in the major.

[Departments may have additional grading standards in the major - consult your department advisor.]
### Grade Point Average Requirements for Graduate Students

An average GPA of at least 3.0 based on all courses attempted to satisfy requirements for the master's degree. This average applies to:

- All 400- and 500-level units attempted subsequent to admission to a degree program; and
- All units required on the student’s graduate study plan including transfer courses.

[Departments may have additional grading standards for graduate programs - consult your graduate advisor.]

### Repetition of Course Policy

Undergraduates may repeat courses at CSUF for which a “C minus” (1.7) or lower were earned. [Refer to the catalog for complete description of Repetition of Course Policy.]

### Credit / No Credit Grading Option

For undergraduate students, “Credit” is awarded for work equivalent to all grades which earn 2.0 or more grade points (“A+” thru “C”). “No Credit” is awarded for work equivalent to all grades which earn less than 2.0 grade points (“C minus” thru “F”).

For graduate students, “Credit” is awarded for work equivalent to all grades which earn 3.0 or more grade points (“A+” thru “B”). “No Credit” is awarded for work equivalent to all grades which earn less than 3.0 grade points (“B minus” thru “F”).

### Plus / Minus Grades and Transfer Admissions

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education “certified” by California community college(s) as per CSU Executive Order 595.
The Family Educational Rights and Privacy Act ("FERPA") affords students certain rights with respect to their educational records. They are:

1. **The right to inspect and review their educational records.**

2. **The right to request the amendment of their education records to ensure that they are not inaccurate misleading or otherwise in violation of their privacy or other rights.**

3. **The right to consent to disclosures of personally identifiable information contained in their education records, except to the extent that FERPA authorizes disclosure without consent.** FERPA permits disclosures without consent to “school officials” with “legitimate educational interests.” “School officials” include university employees (including law enforcement unit and health personnel); agents of the University (such as an attorney or collection agent); or individuals, including students, serving on official committees or assisting a school official perform his/her tasks. A school official has a “legitimate educational interest” if the official needs to review an education record to fulfill his/her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks to enroll. California State University, Fullerton has designated as “Directory” information a student’s name, date and place of birth, permanent and local address, university-recognized e-mail address(es), photograph, telephone number, class level, enrollment status, major, minor, dates of attendance, degrees and awards received, previous educational institutions attended, past and present participation in recognized activities, and weight and height if an athletic team member. Unless restricted by the student, the campus may release Directory information at any time to any requesting party, including the military and for the development of university-affiliated marketing programs. Students may choose to limit the release of their Directory information in one of four ways:

   - (A) Permit release of all Directory information for any purpose. No further action by the student is required.
   - (B) Permit release of only “Verification” information. This sub-category of Directory information consists of a student’s name, class level, enrollment status, major, minor, degrees and awards received, dates of attendance, and university-recognized e-mail address(es). The University will release this information for classroom use; in response to requests, including those from financial lenders, employers or insurance companies for verification of degree and enrollment information; and for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all university directories.
   - (C) Permit release of only “Class” information. This sub-category of Directory information consists of a student’s name, major, minor, degree and awards received, and university-recognized e-mail address(es). The University will release this information for classroom use and for inclusion in Commencement and honors materials. Students who release only “Class” information will be excluded from all university directories, and the University will not respond to requests, including those from financial lenders, employers or insurance companies, for verification of degree, dates of attendance or enrollment status.
   - (D) Withhold the release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all university directories and publications, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment status without the prior written consent of the student.

Students may select at any time, the level of release by logging on to New Titan Online via Student Portal or visiting the Admissions and Records Service Center located in room 114 on the first floor of Langsdorf Hall. Unless a student designates otherwise, the university will assume that a student has chosen to permit access to their Directory Information for any purpose.

**University Policy on Final Examinations**

Final examinations, if required by the instructor, will be given at times scheduled by the University. Once established, the final examination scheduled may not be changed unless approved by department and program chairs and the dean of the college. No make-up final examination will be given except for reason of illness or other verified emergencies. An instructor may not shorten the academic semester by scheduling an in-class final examination before the week scheduled for final examinations. No major examinations shall be given during the last week scheduled for instruction unless there is also to be a final examination at the time assigned in the class schedule. When the final examination is to be a take-home examination, it shall be due no earlier than the day scheduled for the final examination in that class. Department and program chairs and the deans of each college shall be responsible for ensuring that this policy is followed.

ENGLISH PLACEMENT TEST (EPT)
All new undergraduate students entering the California State University are required to take the English Placement Test (EPT) except those who qualify for an exemption as described below. If you are not exempt, you must take the EPT prior to enrolling in your first semester. Failure to take the EPT prior to your first semester will cancel your registration eligibility for classes.

- If you score between 145-150 on the EPT, CSUF compliance policy requires that you register for English 101 during your first semester of enrollment.
- If you score between 120-144 on the EPT, CSUF compliance policy requires that you strengthen your English skills during your first semester of enrollment in an approved class, i.e., English 99 or ENGL 099M. Failure to complete the basic English skills in two semesters will result in the student being disenrolled. Please contact the INTENSIVE LEARNING EXPERIENCE (ILE) office in UH-234 or telephone (714) 278-7236.

It is mandated that freshmen and sophomores who score between 120-144 are required to participate in the INTENSIVE LEARNING EXPERIENCE (ILE) program and enroll in English 099 or ENGL 099M, depending on the test score. Failure to complete the basic English skills in two semesters will result in students being disenrolled. In addition, any student enrolled in ENGL 099 or ENGL 099M is required to make one (1) appointment with ILE by November 1, 2006. Contact the ILE office in UH-234 or telephone (714) 278-7236.

The English Placement Test (EPT) is given in conjunction with the Entry Level Mathematics (ELM) exam. Students may take the test(s) at the most convenient CSU campus. Many campuses have online registration available. Go to the CSU EPT/ELM Information Bulletin at http://www.ets.org/csu for a complete list of EPT and/or ELM test dates and registration procedures on all the CSU campuses.

If you wish to take the EPT at Cal State Fullerton, online EPT and/or ELM registration is available. To register for the EPT at Cal State Fullerton, go to Testing Services’ website at www.fullerton.edu/testing. Students cannot repeat the EPT.

To take the EPT, you must bring a check or money order for $18 (payable to Educational Testing Service) to the testing site on the day of the exam. Cash will not be accepted. If you plan to take the English Placement Test (EPT) and Entry Level Math (ELM) on the same day, you may bring one check or money order in the amount of $36 (payable to Educational Testing Service). All fees are nonrefundable and subject to change. No student will be tested without proper payment and picture identification. For further information, refer to the English Placement Test and Entry Level Mathematics Examination Information Bulletin or visit Testing Services’ Web site at http://www.fullerton.edu/testing.

UPPER DIVISION BACCALAUREATE WRITING REQUIREMENT:
UPPER DIVISION WRITING COURSES AND JUNIOR LEVEL EXAMINATION IN WRITING PROFICIENCY (EWP)
The university requires that all students completing bachelor’s degrees under 1980-81 and later catalog requirements demonstrate writing ability acceptable for graduation. The upper division writing requirement has two parts; you must satisfy each:
- An Upper Division Course. Based on your specific major, you are required to either pass a specially designated upper division course of at least three semester units or pass two or more courses for a total of at least six units.
- The Junior Level Examination in Writing Proficiency (EWP). The university faculty requires that you pass the EWP, which has been especially designed to measure writing ability.

The Course - The University Board on Writing Proficiency must certify the course or courses that each major department designates to fulfill the requirement. Departments and programs may specify either a single course of at least 3 units which involves intensive instruction in writing, or two or more courses (a total of at least 6 units) in which you are required to write one or more lengthy papers or several shorter ones, which involve the organization and expression of complex ideas. In these courses, you will be given careful and timely evaluations of your writing and suggestions for improvement. An assessment of your writing competence will be included in determining your final course grade. You must pass these courses with a grade of C or better.

The Examination—When you have completed 60 units toward the baccalaureate, you must take the Junior Level Examination in Writing Proficiency (EWP).

If you fail the examination, you may retake it until you pass it. A limited number of students who fail the EWP two or more times may enroll in English 199, Intensive Writing Review. Credit in English 199 will be equivalent to passing the examination. This course will not count toward graduation requirements, nor will it satisfy the upper division writing course requirement described above. Graduate students are not eligible to apply for English 199. The Junior Level Examination in Writing Proficiency (EWP) consists of an essay. Testing Services will offer the EWP at the following times:

**Test Dates**
- Saturday, June 7, 2008
- Saturday, September 13, 2008
- Saturday, November 15, 2008
- Saturday, February 21, 2009

**Test Information**
- Online EWP registration is available. Logon to your student portal and select the TITAN Online tab at the top of your student portal site. Look for the box to the right of your class schedule and follow the easy instructions to register for the EWP online. Registration and fee payment must be completed by 5pm on the registration deadline date. Print your EWP Confirmation Ticket. Please note that test registration may close early if maximum seating capacity is reached.
- If you want to pay your EWP fee in-person, pick up the registration form from the Testing Center (UH-229) and pay your fee at Student Financial Services (UH-180) by 5pm on the registration deadline date. Your EWP Confirmation Ticket with test day information should appear on your student portal approximately one week after fee payment. No mail-in applications will be accepted. Please note that test registration may close early if maximum seating capacity is reached.
- Sabbath observers and students requiring special accommodations due to a documented disability must make special arrangements with the Testing Center (UH-229) before the registration deadline. Please do not use the EWP Online Registration system if you are a Sabbath observer or require special testing accommodations.

**Important Note:** If you have not been enrolled in classes within the last 9 months and no longer have access to your student portal, contact the Testing Center (UH-229) for EWP Registration instructions. Graduate students who need to take the EWP must also contact the Testing Center for EWP test registration instructions.

If you are unable to attend a test session for which you have registered, contact the Testing Center (714-278-2017) at least 24-hours before the test date for transfer or test refund information.

**Petitions**
- In certain cases, you may present a petition to the board for exemption from or modification of the requirement.
1. If you are a transfer student or a candidate for a second baccalaureate, you may be certified as meeting the requirement after you submit to the board acceptable evidence showing that you have completed the equivalent to CSUF’s upper division requirement.
2. You may petition the board for substitution of an alternative to the Examination in Writing Proficiency when exceptional circumstances, such as a clinically identified learning disability, make the examination inappropriate. Such petitions must include documentation of the special circumstances and propose specific alternative means of demonstrating writing proficiency.

IMPORTANT INFORMATION FOR ENGINEERING, COMPUTER SCIENCE AND BS IN CHEMISTRY MAJORS

Engineering majors will complete general education requirements in the Engineering Handbook instead of the above requirements.

Computer Science and BS in Chemistry please see your program advisor for general education requirements.
“Minicourses” are generally five weeks long and offered during four sessions throughout the semester. “Shortcourses” can last anywhere from two days to several weeks, but are shorter in length than the semester and generally within the semester dates. Course meeting information is listed with the departmental class offerings, under the footnotes. Shortcourses are not listed below, because many of these courses are for a select group of students and are usually held at off-campus locations. If you are enrolled in a shortcourse, check with the department offering the course for information about deadlines.

Although some of the classes listed start on dates that are later in the semester, students should pre-register, during TITAN I or TITAN II. Not enrolling early may cause a class to be cancelled due to low enrollment. Students who register, add, or drop these courses after the fall semester begins must follow the published procedures in this schedule. Forms and/or information needed to complete the process may be obtained from the Admissions and Records Service Center, located in LH-114. Information is also available by calling the Admissions and Records Helpline at (714) 278-7601.

STUDY LIST AND FINANCIAL STATEMENT

You may view a current financial statement at any time through New Titan Online via Student Portal. If the Financial Statement reflects a “Current Due” balance, then payment must be made by the due date or you may be subject to disenrollment from classes.

If the Financial Statement reflects a credit balance because of an overpayment, cancelled classes, or administrative changes, and you do not intend to add classes, a refund will be automatically generated and mailed to your current address on file.

STUDENT IDENTIFICATION NUMBER

All personal checks submitted for any payment to the University by students must include their campus wide identification number (CWID). (The TitanCard number is not the CWID number.) Payment by personal check is considered the individual’s approval for the University to write the CWID on the check if it is not already present. If you prefer that your CWID not be written on the check, then payment must be made by cashier’s check, money order, or cash (refer to “Fee Payment Instructions” on pages 48-51 for more information). Your CWID is used to assure credit to the proper account. Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify students and their records including to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

DISHONORED CHECKS

A $25 fee will be charged for all checks or credit card payments returned by your bank, for any reason. The dishonored check or credit card payment plus the $25 fee must be paid with cash, cashier’s check, or money order, otherwise, the student may be disenrolled from classes. If the dishonored check or credit card was for payment of TITAN registration fees, the student may be subject to disenrollment from classes.

Students who have two or more dishonored checks posted to their University account (regardless of maker) will lose personal check-writing privileges with the University. All subsequent payments to the University must be made with cashier’s check, money order, or cash (refer to “Fee Payment Instructions” for additional information).

YOU ARE FINANCIALLY RESPONSIBLE FOR “W” GRADES.

OUTSTANDING BALANCES FROM PREVIOUS SEMESTERS

Payments for previous semesters must be made and the hold cleared prior to registration.

FEES AND DEBTS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee or a debt to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt” until the debt is paid (see Title 5, California Code of Regulations, 42380 and 42381). Prospective students who register for courses offered by the University are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in a course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course. The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. Additional collection action may be taken including collection agency referral, reporting to a credit bureau, and/or submittal for offset of future state tax refunds, including any applicable costs of collection. If a person believes he or she does not owe all or part of an asserted unpaid obligation, that person may contact Student Financial Services at SFS@fullerton.edu. Student Financial Services or another office on campus to which Student Financial Services may refer the person, will review all pertinent information provided by the person and available to the campus, and advise the person of its conclusions.

REFUND OF REGISTRATION FEES AND NON-RESIDENT TUITION

FALL 2008 REFUND REQUIREMENTS

Regulations governing the refund of mandatory fees, including non-resident tuition, for students enrolling at the California State University are included in section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system-wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University. Refund of fees and tuition charges for self-supported programs at the California State University (courses offered through University Extended Education) are governed by a separate policy established by the University.

In order to receive a full refund of mandatory fees [less non-refundable fees ($11) and processing fee ($5)], including non-resident tuition, a student must cancel registration or drop all courses prior to the first day of instruction for the term. Information on procedures and deadlines for canceling registration and dropping classes is available in the blue pages and inside front cover of this class schedule.

For state-supported semesters and non-standard terms or courses of four (4) weeks or more, a student who withdraws during the term in accordance with the University’s established procedures will receive a refund of mandatory fees, including non-resident tuition, based on the portion of the term during which the student was enrolled. No student withdrawing after the 60 percent point in the term will be entitled to a refund of any mandatory fees or non-resident tuition. Pro-rated refunds will automatically be sent to the student, less non-refundable fees ($11) and a processing fee ($5.00). No application for refund is necessary.

For state-supported semesters and non-standard terms or courses of less than four (4) weeks, no refunds of mandatory fees and non-resident tuition will be made unless a student cancels registration or drops all classes prior to the first day in accordance with University’s established procedures and deadline.

REGISTRATION FEE REFUNDS: Students who completely withdraw from classes at any time up through October 29, 2008, will automatically be sent a prorated refund, less non-refundable fees ($11) and a processing fee ($5.00). Students who reduce their status to six (6) or fewer units during the campus designated add/drop period which ends September 8, 2008, will automatically be sent a refund of the difference between full-time and part-time fees, less a processing fee ($5.00). Refund processing will begin after September 22, 2008. Note: for check payments, refund will not be generated until six weeks following the deposit of the student’s check unless the student presents a bank copy of their cancelled check.

NON-RESIDENT TUITION REFUNDS: If you completely withdraw from classes at any time up through October 29, 2008, you will automatically be sent a prorated refund, less non-refundable fees and a processing fee. If you reduce your status to six (6) or fewer units during the campus-designated add/drop period which ends September 8, 2008 you will automatically be sent a refund of the difference between full-time and part-time fees, plus the corresponding non-resident tuition, less a processing fee ($5).

Students will also receive a refund of mandatory fees, including non-resident tuition under the following circumstances:

- The tuition and mandatory fees were assessed or collected in error;
- The course for which the tuition and mandatory fees were assessed or collected was cancelled by the University;
- The University makes a delayed decision that the student was not eligible to enroll in the term for which mandatory fees were assessed and collected and delayed decision was not due to incomplete or inaccurate information provided by the student, or;
- The student was activated for compulsory military service.

Students who are not entitled to a refund as described above may petition the University for a refund demonstrating exceptional circumstances. The Chief Financial Officer of the University or his/her designee may authorize a refund if he or she determines that the fees and tuition were not earned by the University. An Application to Appeal for Refund of Fees form is available at the Admissions and Records Service Center (LH-114) or the Student Financial Services Office (UH-180). Any documentation to support a refund appeal MUST be submitted with the appeal form.

REFUNDS FOR FINANCIAL AID RECIPIENTS: Refunds will be processed automatically for students who are financial aid recipients and reduce units to 6 or fewer by the add/drop deadline, September 8, 2008. Refunds are also automatically processed for students withdrawing completely from the University, and are based on a pro-rated formula up through October 29, 2008. According to federal regulations, refunds for financial aid recipients are refunded directly to the financial aid programs before any refund is issued to the student. Refund processing will begin after September 22, 2008.

Information concerning any aspect of the refund of fees may be obtained from Student Financial Services (UH-180), or e-mail your questions to studentrefund@fullerton.edu.

CANCELLATION OF REGISTRATION OR WITHDRAWAL FROM THE INSTITUTION

Students who find it necessary to cancel their registration or to withdraw from all classes after enrolling for any academic term are required to follow the University’s official withdrawal procedures. Failure to follow formal University procedures may result in an obligation to pay fees as well as the assignment of failing grades in all courses and the need to apply for readmission before being permitted to enroll in another academic term. Information on canceling registration and withdrawal procedures is available from the Admissions and Records office.

Students who receive financial aid funds must consult with the Office of Financial Aid prior to withdrawing from the University regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. If a recipient of student financial aid withdraws from the institution during an academic term or a payment period, the amount of grant or loan assistance received may be subject to return and/or repayment provisions.

Similarly, if a recipient of financial aid does not withdraw officially from all classes, but completes zero units for credit (i.e., no passing grades received), the student will be considered to have “unofficially withdrawn” from classes and the grant or loan amount received may be subject to return and/or repayment provisions repayment.

For further information, contact the Student Financial Services Office at SFS@fullerton.edu.
FINANCIAL AID GENERAL INFORMATION

FEE PAYMENT
If you have applied for financial aid, you may be eligible to postpone payment of your registration fees until your financial aid is disbursed at the beginning of the semester. To qualify for postponement of fee payment, you must meet condition 1 or 2 below:

1. You have accepted a financial aid award at the time you register for classes:
   • Grant funds are automatically accepted on your behalf. Therefore, if you have been offered State University Grant (SUG), Education Opportunity Grant (EOP), Cal Grant A or B, Federal Pell Grant, or Federal Supplemental Educational Opportunity Grant (FSEOG), your fee payment will be postponed and deducted automatically from your disbursement.
   • You must formally accept a loan in order for it to qualify you for postponement of your fee payment. If you have been offered a Federal Stafford Loan of Federal Perkins Loan, go to the New Titan Online and "view financial aid" for the 2009 year. Click on the "Accept/Decline Awards" link and follow the instructions to accept the loan. The "Account Inquiry" page in the New Titan Online displays your fee charges and any pending financial aid. If you do not have enough financial aid available to cover your charges in full, you must pay the balance.

   The "Account Inquiry" page in the New Titan Online displays your fee charges and any pending financial aid. If you do not have enough financial aid available to cover your charges in full, you must pay the balance.

2. Your financial aid file is complete at the time you register for classes and you are waiting for your award notification.
   • We will arrange for postponement of your fee payment until your financial aid is awarded and disbursed. Check your "to do list" in the New Titan Online and be sure to submit all required financial aid documentation before it's time for you to register. Allow at least one week for processing of submitted documents.
   • Watch for your financial aid award notification through your campus e-mail account and follow all procedures to accept your aid and receive your disbursement.
   • You are responsible for monitoring your financial aid status and complying with all requests for information or documentation.

STUDENT RESPONSIBILITY
You are responsible for your registration fees. If your financial aid award becomes unavailable for ANY reason, or is insufficient to pay for fees as initially anticipated, you must pay the balance immediately upon notification. You can view your account balance at TITAN Online under "Financial Statement." It is your responsibility to ensure that registration fees are paid in full. You may pay at www.fullerton.edu/titanonline.

NON-EFT
If your lender disburses your Federal Stafford Loan in a hard-copy check rather than through electronic fund transfer (EFT), the University is not able to apply your loan proceeds to your outstanding obligations before your loan funds will be released to you. You may submit your payment at the time you come to pick up your loan check at Student Financial Services, UH-180. (Refer to page 51 for acceptable methods of payment.)

WITHDRAWAL
If you drop one or more courses prior to September 23, 2008 after a Federal Pell Grant, Cal Grant B Access Grant or State University Grant was disbursed to you or applied to your University account, you may be billed for some or all Pell Funds disbursed. Visit the Office of Financial Aid to determine how much you would be required to repay. If you receive financial aid and you completely withdraw from the University on or before October 29, 2008, we will calculate the amount of federal financial aid you "earned" based on the number of days you were enrolled. You may be required to repay a portion of the funds you received. In addition, the University may be required to refund a portion of tuition/fees and/or on-campus housing charges to one or more federal aid program.

1. On the following pages are listed all classes being offered for the fall semester 2008.

2. All class schedule entries are subject to change without prior notice. The scheduling office distributes a listing of added and cancelled classes to all academic departments, the Academic Advisement Center, the Daily Titan, and other university offices prior to the first day of classes.

3. The faculty member shown in the “faculty” column of this class listing is a tentative assignment depending on schedule adjustments required by circumstances during registration.

4. **Classnotes** - The column identified as “Classnotes” indicates special information of significance for the student. Explanation of each CN appears online. Under Class Search, CR means department consent required. Some classes have prerequisites while others require permission of the department or an instructor as noted under “Classnotes”. If you are selecting one of these courses, be sure that you have met the prerequisites or have obtained the required permission. The fact that you may be scheduled for such a class does not imply that permission to enroll has been granted.

5. **Course Number** - The five-digit code number follows the section number and is listed below the course number. It identifies the class and section of the class you want to take. You register for a class with this number.

6. **Time Code Explanation** - The times that courses begin and end are indicated in the schedule. Morning classes beginning at 8:00 AM and ending at 8:50 AM are shown as 800a-850a. Afternoon and evening classes beginning at 5:00 PM and ending at 6:50 PM are shown as 500p-650p.

Refer to page 16 of this class schedule for details regarding grade option changes.

9. **Identification of General Education Courses** - In the course listing section of this class schedule, the last column at the right hand side is identified as GE category. Example GE:III C.2* means this course fulfills the GE requirement in category III.C.2 and the asterisk means this course satisfies multiple GE categories.

10. **Consolidated Course Fee** - A campus-based, mandatory, $12.00 per-semester fee has replaced individual miscellaneous course fees other than those for travel and field trip expenses, event and facility admissions, sports equipment and musical instruments (including rentals). This fee will be charged as part of the “basic fees” due on or before the pertinent registration fee deadline. Course fees not covered by the Consolidated Course Fee are listed and described in the “Footnotes” sections that follow the class listings in the class schedule. Information as to the amount and payment of these fees will be provided before or on the first day of classes. For questions concerning the additional course fees, please contact the department.

In Fall 2008 we are introducing waitlisting for classes in the College of Business. By Spring 2009, we hope to expand waitlisting to additional colleges. If a course is full, you may try to obtain a place in the class by getting on the wait list. As space in the class becomes available, your name will advance on the wait list. If enough students drop the course, you may be automatically enrolled from the wait list. Please review How Waitlisting Works and Waitlist Restrictions on the following blue pages.
• **TITAN I - Early Registration by Appointment Only, July 8-28, 2008.**
• New Titan Online is available 24/7 for dropping classes, listing classes and fee amount due, between TITAN I & II, July 29 - August 4, 2008.
• **TITAN II - Unregistered Students by Pre-Assigned Appointment Only, August 5-6, 2008.**
• Change of Program for all Students (by class level), August 7-8 & 11-12, 2008.
• Change of Program for all Students (no appointments), August 13-22, 2008.

Requirements
• **Check New Titan Online for your registration appointment date/time and for any holds on your record.** All holds must be cleared three (3) business days prior to your TITAN appointment. You will access registration via your student portal.

Maximum Units - University Limitation - Undergraduates are limited to a maximum of 16 units during TITAN I registration. (During TITAN II the maximum is raised to 19 units.) Classified graduates not in a Credential Program are limited to 12 units during early registration. Credential students are limited to 19 units.

TITAN Appointment - Appointment dates and times for registration are based on class level and on units earned for all participants. The date indicated on New Titan Online represents the first date you can access New Titan Online to enroll in classes. If you attempt to register before your assigned date and time, you will not be granted access. **Students who register during TITAN I AND do not pay the corresponding fees by the date provided will be assessed a $25 Late Registration Fee.** New Titan Online is available 24/7 for dropping classes, listing classes and fee amount due, between TITAN I and II July 29 - August 4, 2008.

Holds - Any holds will be listed on New Titan Online. All holds **must** be cleared three (3) business days prior to your TITAN appointment.

Cancelled Classes - If a class for which you have registered is cancelled by the department, you will be notified by that department. You may attempt to add a class during either TITAN I or TITAN II on or after your appointment time for that TITAN period.

Grading Options - The default grading option is a letter grade (A, B, C, D, F). Exceptions are those classes offered LTR/GRD only and CR/NC only. To change the default (A, B, C, D, F) option to CR/NC or to change from CR/NC to a letter grade, see worksheet for information concerning grade option changes. For more detailed information on grading options, refer to page 16.

Course Prerequisites - Some courses have course prerequisites (see Class Notes in the online class schedule) which, if not met, will result in your being unable to register for the course.

Course Corequisites - Some courses have course corequisites (see Class Notes in the online class schedule). You must register for the corresponding corequisite during the same registration transaction. Failure to do so may result in your being disenrolled from the course.

Test Score Prerequisites - Some courses have test score prerequisites which, if not met, will result in your being unable to register for the course. Refer to the Placement Examinations section of this class schedule.

Registrar Class (REG 999) - Students unable to enroll in any classes because they are closed during Web or telephone registration may request and enroll in the Registrar Class (REG 999), 5-digit course #17459 (Irvine Campus students use #17460). Students thus become officially registered and pay minimum fees by their payment due date, thereby avoiding the $25 late registration fee that goes into effect as of the first day of class. This is a temporary device to enable students to add classes during the next registration period, if classes are available then, or to wait for decisions on admissions into specific courses. You must withdraw from REG 999 to add other courses. If you are unable to add other courses, you are required to withdraw. Any student who does not add a regular course or withdraw with a refund will be administratively withdrawn from the university. See page 55 for Title 5 refund information.

If you reduce your status to six (6) or fewer units during the campus designated add/drop period which ends September 8, 2008, you will automatically be sent a refund of the difference between full-time and part-time fees less a processing fee ($5.00). In Fall 2008 we are introducing waitlisting for classes in the College of Business. By Spring 2009, we hope to expand waitlisting to additional colleges. If a course is full, you may try to obtain a place in the class by getting on the wait list. As space in the class becomes available, your name will advance on the wait list. If enough students drop the course, you may be automatically enrolled from the wait list.

How Waitlisting Works

- All business classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.
- The waitlist limit for each class is 15 students; this is regardless of the class limit.
- You can waitlist for a maximum of 6 units, provided that each course’s waitlist is not already full. (Note: Waitlisted units are not included toward your enrollment unit limit. Once you successfully get into the class, then the units will count towards your enrollment unit limit.)
- You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.
- Students cannot waitlist the same lecture section or the same lab section more than once.
- If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
- Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
- If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
- If you are moved from the waitlist into the class, you will receive an email notification.
- If you are waitlisted for multiple sections of the same course, and you successfully get into one of the sections, you will be automatically removed from the waitlists for the other sections.
- You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly to avoid possible cancellation of a newly added class(es).
- If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a 'WU' grade on your record which will lower your grade point average.
- There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.
- The online waitlisting feature will cease to function with the first day of class but the waitlist will be retained for informational purposes for the instructor.
- Faculty will control access to "closed" classes starting with the first day of class via normal permit procedures.

Waitlist Restrictions

Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless either of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.
2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the wait list if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

If you cannot be moved from the waitlist, for either of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class.

Check your schedule regularly in your Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you may drop yourself from a waitlist.

Step 1
Under the “add” tab, select the classes you want to add.

You can either conduct a search for classes or if you already know the class number (example: “10004”), you may enter it directly in the box.

If you use the search button, a class search page will appear.

Basic Class Searches
Include at least 2 search criteria in your class search.

In this initial search page you can indicate:
- Subject
- Course number
- Course Career

You also have the option to choose “Show Open Classes Only”.

Do not use the “Show Open Entry/Exit Classes Only” box. This is not relevant to the CSUF campus.

Once criteria are selected, hit the search button.

NOTE: Even though “Extended Education” is available as a course career for class search, all Extension Education registrations must go through the Extended Education office and will not be available through this enrollment procedure.
Search results will indicate the status of the class.

○ = Open
■ = Closed
▲ = Waitlist

Select the class you want to add by clicking [select class].

---

**Step 2**
Confirm your enrollment.

Click [NEXT] and follow the directions to proceed in your class enrollment.

---

The class is added to your enrollment shopping cart.

To finish enrollment, click on "Proceed to Step 2 of 3".

---

**Step 3**
Click [FINISH ENROLLING].

If you successfully add your class, your enrollment will be confirmed. If there is a restriction, (for example, you do not meet a pre-requisite or you have a hold on your record), you will be unable to add the class until you fix the problem.
Refining your class search

Click on "Additional Search Criteria" for more options to narrow your search.

Special Search Options:
1. GE courses
2. Interdisciplinary Programs

Under "Course Attribute" you can specify GE courses or Interdisciplinary programs for your search.

Click on the magnify glass next to Course Attribute and you'll see two options.

Depending on your choice of GE or Interdisciplinary programs, these options will appear.

Wait List Classes

NOTE: In Fall 2008 we are introducing wait-listing for classes in the College of Business. By Spring 2009, we hope to expand wait-listing to additional colleges.

Classes with Wait Lists
Some classes may fill up, but have a wait list available.

Search for classes with wait lists
To find classes that have waitlisting available, uncheck the box, “Show Open Classes Only”.

Classes with a wait list option will be included in your search results.

Search results will indicate the status of the class.

- = Open
- = Closed
- = Wait list

Select the class you want to add by clicking select class.
If you want to get on the wait list for a full class, check the wait list box.

**Step 2**
Confirm your enrollment.

Click [NEXT] and follow the directions to proceed in your class enrollment.

**Step 3**
Review class list and enrollment status.

</tr>
</tbody>
</table>

**Waitlist Restrictions**

Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless either of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.

2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the wait list if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

If you cannot be moved from the waitlist, for either of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class.

Check your schedule regularly in your Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you may drop yourself from a waitlist.
Dropping a Class

* The Census date takes place 4 weeks after the beginning of the semester.

For recorded information regarding the immunization requirement, call the Student Health and Counseling Center at (714) 278-2800.

**How You Can Meet The Hepatitis B and/or Measles/Rubella (MMR) Requirement(s):**

1. Bring in a copy of your documentation [doctors records, military records, school records, immunization card, or letter from your doctor] of previous vaccination to the Student Health and Counseling Center (SHCC), or fax it with your name, phone #, and CWID# to (714) 278-3069. Please check New Titan Online to ensure your hold has been removed.

2. You may get the vaccination(s) by one of the following ways:

   - Your private doctor/clinic. Please provide documentation to the SHCC in person or via fax, as above.
   - The County Health Department offers the vaccine free of charge. For more information, visit the Orange County website at [http://www.ochealthinfo.com](http://www.ochealthinfo.com). Please provide documentation to the SHCC in person or via fax, as above.
   - The Student Health and Counseling Center, by appointment. Due to a change in public health policy, the SHCC can no longer provide the vaccine(s) free of charge; therefore a fee will be charged at the time of the appointment. To schedule an appointment or to inquire about the associated fees, please call (714) 278-2800. Appointments are impacted during registration, so please plan accordingly.

3. If you have received the immunization(s) in the past, but you cannot locate the documentation, you can be re-immunized. A lab test can also be performed for measles and rubella, and/or for hepatitis B, but it takes time and there is a charge.

4. If you are pregnant or think you may be pregnant, you will be temporarily waived from the MMR and hepatitis B requirements. You may fax a copy of a note from your doctor/clinic, including your expected due date, as well as a completed immunization waiver form (found at the SHCC or the SHCC web site) to (714) 278-3069. A hold will be placed back on your record if the requirement is not met when the temporary waiver expires.

5. If you are a female required to receive the MMR and you have had intercourse since your last menstrual period, and are not using hormonal-based contraception, you will be unable to receive the MMR vaccination until your next cycle has started. You may report to the SHCC to receive a temporary waiver.

6. If you need to request a waiver for other medical reasons, please make an appointment with a SHCC provider at (714) 278-2800, or in person, or bring a note from your private physician/clinic to the SHCC and complete an immunization waiver form.

7. Waivers can be granted for religious, personal, or philosophical reasons by the SHCC Executive Director’s Office. Please complete an immunization waiver form found at the SHCC web site [www.fullerton.edu/shcc](http://www.fullerton.edu/shcc) and fax it to (714) 278-5525, or in person at the SHCC Executive Director’s Office. Please check Titan Online to ensure your hold has been removed.

8. If you have an allergy to egg, feathers, gelatin or neomycin, you may receive a permanent waiver from MMR only. To find out if you qualify, come to the SHCC front desk, request and complete an immunization waiver form, and see the Screening Nurse.

The student should first attempt to receive Incompletes (I grades) with his/her instructors prior to applying for an emergency medical withdrawal, in order to salvage credit for the time and money invested in the courses up to that point. GENERAL INFORMATION:
Partial payments for Registration Fees or Non-Resident Tuition are only accepted with an approved Installment Payment Plan (IPP) agreement. The Installment Payment Plan (IPP) gives CSUF students the opportunity to pay their registration fees or non-resident tuition in three monthly installments. Required course fees (distance fee, piano usage fee, evaluation fee, orientation fee, book fee) for specified majors are not available for Installment Payment Plan. A non-refundable administrative fee is charged to sign up for Installment Payment Plans. Installment plans are NOT available after August 22, 2008.

ELIGIBILITY REQUIREMENTS:
You do not have a past due balance for any prior term.
You are admitted for the term.
You have not already paid your current term registration fees or non-resident tuition.
You may not be eligible to participate in this program if you owe the University money or have a history of payment difficulty.
You have not been awarded Financial Aid: You should not apply for the IPP if you have accepted a financial aid award or your financial aid file is complete and you are awaiting your award notification.

HOW/WHEN TO APPLY:
Students 18 years of age and over should apply online for the IPP IMMEDIATELY AFTER they register on the New Titan Online. This will result in the correct amount due being given to you after you register in New Titan Online.

Students under 18 years of age should complete the paper application, sign it (both student and the parent’s signature), and submit the IPP application to Student Financial Services (UH 180) IMMEDIATELY AFTER they register. This will result in the correct amount due being given to you after you register on the New Titan Online. Submit the completed IPP application to:

California State University, Fullerton
Student Financial Services, UH-180
P.O. Box 6808
Fullerton, CA 92834-6808
DROP Box: Window #10, UH 180 (accessible 24 hours a day)

MAKING PAYMENTS
All payments made online via the Web must be received by 11:30 PM on the due date given to you when you register to be considered “on time”. All in-person and mail-in payments must be received by 5:00 pm in the Office of Student Financial Services (UH 180) on the due dates given after you register to be considered “on time”. Holiday, weekends, postmarks, and delay in Post Office delivery are not considered. You are responsible for payments by the due date even if you do not receive a bill.

LATE PAYMENT AND CANCELLATION
Each late payment made will be assessed a $20 late IPP payment fee. A hold will also be applied to your student account disallowing transcript requests and future registration.

PAYING IN ADVANCE
Any portion of a payment that is in excess of the amount of the IPP installment due will be applied to other current debts or future installments. Refunds of any type will not be issued until all charges are paid in full.

ACCOUNT BALANCE
If you are unsure of your balance due, or you want to check to see if a payment has been received and applied to your account, you have several sources for finding that information:

Web: New Titan Online via Student Portal access
Email: sfs@fullerton.edu
Phone: (714) 278-2495
In-Person: Student Financial Services (UH 180) – inside the lobby

REFUNDS
Students who use an IPP and withdraw during the term may be eligible for a refund in accordance with the campus refund policy. However, the IPP $33 processing fee and the 15% non-resident service charge are non-refundable.
INSTALLMENT PAYMENT PLAN
CALIFORNIA RESIDENT STUDENT

Title 5, Section 89700.1 of the California Code of Regulations allows resident students to pay State University Fees on an Installment Payment Plan. A processing fee of $33 per semester for California resident students is charged to offset the administrative costs of this plan. This processing fee is nonrefundable, even if students are denied participation in the plan, later withdraw from the plan, receive financial aid or do not attend CSUF.

Students who register during TITAN I or TITAN II and do not pay by the due date provided on the New TITAN Online will be disenrolled and assessed a $25 Late Registration Fee when they are disenrolled and attempt to re-register.

NON-RESIDENT TUITION INSTALLMENT PAYMENT PLAN

Title 5, Section 41901.5 of the California Code of Regulations allows non-resident students to pay non-resident tuition on an Installment Payment Plan. Basic Registration Fees cannot be paid on an installment basis for non-residents. A 15% per unit non-refundable service charge for each unit a student is enrolled in will be assessed to cover the administrative costs of participating in this program.

PLEASE REVIEW YOUR PAYMENT OPTIONS AND BE ABSOLUTELY SURE THAT PARTICIPATION IN THIS PLAN IS THE MOST COST EFFECTIVE WAY FOR YOU TO MEET YOUR PAYMENT OBLIGATIONS. ONCE YOU SUBMIT THE APPLICATION/AGREEMENT FOR THIS INSTALLMENT PAYMENT PLAN, THE ADMINISTRATIVE PROCESSING COSTS (RANGING FROM $50.00 TO MORE THAN $1200.00 PER SEMESTER BASED ON YOUR UNIT LOAD) CANNOT BE REFUNDED OR WAIVED.

The service charge will be assessed based on the total number of units a student is enrolled in during TITAN I and/or TITAN II; and will be charged equally on the second, third, and fourth payments. If additional units are added after your initial registration, an additional 15% per unit processing fee will be added for each additional unit and will be reflected in subsequent payments. The non-refundable service charge will not be reduced if units are dropped.

Failure to make installment payments by the due date will result in your account being assessed a $20 IPP late fee (per installment paid after the due date) and a hold will also be placed on your student account disallowing transcript requests and future registration. You are responsible for making payments by the posted due dates even if you do not receive a bill. If you have any questions or problems, please contact the Office of Student Financial Services by sending us an email to sfs@fullerton.edu or by calling (714) 278-2495.
