IMPORTANT NOTICES TO ALL STUDENTS!

CAMPUS WIDE IDENTIFICATION NUMBER
Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus wide ID number (CWID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number for conducting university business and making academic inquiries.

NEW GRADING SYMBOLS AND PLUS/MINUS GRADING
Several new grading symbols became effective beginning fall 2002 in accordance with the Chancellor's Office Executive Order Number 792. See section on Incomplete (p. 3) and Unofficial Withdrawal (p. 6). As of spring 2005, the university allows plus/minus grading. See pages 7 and 10 for further information.

ENGLISH AND MATH REMEDIATION
Each California State University campus is responsible for ensuring students take the English Placement Test (EPT) and Entry Level Mathematics Examination (ELM) unless they are exempt from the requirement(s). Exemption information is on page 10. Based on the test results, those students requiring remedial instruction will be placed in the appropriate remedial classes during their first semester on campus. By taking the appropriate remedial classes in the first semester, students will be better prepared to meet the challenges of their later course requirements. Remedial classes include MATH 30A, MATH 30B, MATH 40, ENGL 99, and ENGL 99M. Degree credit is not awarded for these classes. Transfer students can qualify for an exemption by completing and transferring to CSUF a college course that satisfies the General Education—Breadth or Intersegmental General Education Transfer Curriculum (IGETC) quantitative reasoning requirement, provided such course was completed with a grade of "C" (2.0) or better.

E-MAIL ADDRESS
Each student has been issued an e-mail address where University messages will be sent to you. For additional information about your e-mail account, contact (657) 278-7777. Many campus offices have begun utilizing e-mail as the PRIMARY communication mode to the student. Be sure to check your e-mail on a regular basis.

MAILING ADDRESS
You are required to keep your mailing address, e-mail address, and phone number current with the University to ensure that you receive all University communications. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. For additional information about parking permits, call Parking and Transportation Services at (657) 278-3826.

NONDISCRIMINATION AND SEXUAL HARASSMENT COMPLAINT PROCEDURES
Inquiries concerning compliance with the Nondiscrimination Policy (p. 4) and the Sexual Harassment Policy (p. 4) and implementing campus policies or procedures should be directed to: Rosamaria Gomez-Amaro, Director, Diversity and Equity Program, CSUF, College Park, Suite 770, (657) 278-3951, www.fullerton.edu/diversity; Paul K. Miller, Director, Disabled Student Services, CSUF, University Hall 101, (657) 278-3117, TDD (657) 278-2786, www.fullerton.edu/disabledservices/index.htm (student referrals and complaints related to Section 504 of the Rehabilitation Act of 1973); or U.S. Office for Civil Rights, Regional Director, Region 9, San Francisco Office, Old Federal Building, 90-8010, 50 United Nations Plaza, Room 239, San Francisco, CA 94102-4102, (415) 556-7000, TDD (415) 437-7786, Fax (415) 437-7783, Email:OCR_SanFrancisco@ed.gov. Copies of the above policies and student grievance procedures for the resolution of discrimination and sexual harassment complaints are available in the offices of the President (LH-900), Vice President for Academic Affairs (MH-133), Vice President for Student Affairs (LH-805), Diversity and Equity Programs (CP-770), Disabled Student Services (UH-101), Public Safety (T-1200), College Deans, Office of Student Life (TSU-235), University Library Reference Desk, and Women’s Center (LH-205).

UNDERGRADUATE ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester, well in advance of registration. Advisors in each major department and in the Academic Advisement Center (AAC) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL ACADEMIC ADVISEMENT

Students may obtain information about General Education requirements at the Academic Advisement Center (AAC). The AAC is also the academic home of the undeclared student.

Students who began as freshmen at CSUF MUST bring their General Education Academic Plan if they have received prior advisement in the AAC and their TITAN Degree Audit (TDA) to each advisement session. Transfer students MUST always bring their Titan Degree Audit (TDA) or Final Evaluation Summary of Units sheet.

The Final Evaluation and Summary of Units (blue sheet) was mailed to transfer students admitted prior to Fall 2002.

MAJOR ADVISEMENT

Students who have declared a major should consult their departmental advisor well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate college advisement office.

ACADEMIC AND ADMINISTRATIVE INFORMATION

ACADEMIC FREEDOM AND RESPONSIBILITY

The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS

If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from Counseling and Psychological Services. If you are unsure of a career, you should consult with the Career Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Advisement Center, Academic Appeals, Dean of Students Office, Disabled Student Services, Financial Aid, International Education and Exchange, Student Health and Counseling Center, University Learning Center, Women’s Center/Adult Re-entry/Veterans Certification Office, Writing Assistance Center, and the Office of Admissions and Records.

AUDITING

The symbol AU identifies those instances where a student enrolled in a course for the purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on the inside cover of this registration guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

CLASS ATTENDANCE

While class attendance is not recorded officially by the University, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the semester.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within 24 hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings the first week (five class days). If a student decides not to continue enrollment in a class, either before or after instruction begins, it is a student’s responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLOSED CLASSES

A departmental permit is required to add a closed class.

CONCURRENT ENROLLMENT

A student enrolled at the University may enroll concurrently for additional courses at another CSU campus only with advance written approval and by filing a concurrent enrollment form with the Office of Admissions and Records. Certain restrictions apply when a quarter-system campus is involved. Permission will not be granted when the study list in the proposed combined program exceeds units authorized for full-time study. Students may enroll concurrently at institutions outside the CSU system without special permission or forms.

CONTINUOUS ENROLLMENT-GRADUATE STUDENTS WITH MASTER’S DEGREE OBJECTIVES

A student with a graduate degree objective must maintain continuous enrollment (summer sessions and intersession excluded) until the degree is awarded.

A graduate student who finds it impossible to attend during a particular semester and is denied a formal leave of absence, may register in Graduate Studies 700, which gives no units of credit and does not require class attendance. Registration in Graduate Studies 700 is restricted to classified or conditionally classified graduate students.

A graduate student who fails to register, and who has not obtained approval for a formal leave of absence, has discontinued enrollment in the graduate degree program. If the student wishes to resume study, he or she must reapply for admission to the University and to the degree program.

End of Program Enrollment: students who have enrolled in all units required for...
the degree and are continuing to work on thesis, project or comprehensive exam preparation, are expected to maintain continuous enrollment by enrolling in \textit{GRAD 700}. Continuous Enrollment (zero units) through regular registration or at a reduced fee through Extended Education. Students must submit a GRAD 700 Request Form signed by their program adviser before extended education registration forms will be released. Forms are available in the Graduate Studies Office, (MH-103) or from the departmental graduate program adviser.

If you are unsure as to which \textit{GRAD 700} applies to your situation, contact your program adviser.

**CONTINUOUS ENROLLMENT OF TEACHING CREDENTIAL CANDIDATES**
A post-baccalaureate student who has completed student teaching but must complete requirements for an elementary or secondary teaching credential and finds it impossible to enroll in courses for the credential during a certain semester may apply for a leave of absence.

**COURSE OUTLINES**
Course Outlines, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the University catalog, must be provided to students in writing within the first five days of instruction. Course outlines shall give detailed information on the following matters: (1) course material to be covered (e.g., reading list); (2) the grading policy for the course; (3) class assignments (e.g., term papers-length, due date, projects); and (4) examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations; (5) required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, "software", artistic materials, scientific apparatus, etc.

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair.

Faculty shall not be bound to adhere to their course outlines on a strict day-to-day basis, but should follow their outlines as much as reasonably possible.

After distribution of course outlines to students, major assignment or course requirement changes (e.g., additional term papers or examinations) must be announced to students with a reasonable timetable for completion.

**DEGREE CANDIDATES**
Candidiates for the baccalaureate must file an application for a graduation check one year (two semesters) prior to the semester in which they anticipate completing all requirements for a degree. Undergraduate candidates for May 2010 and August 2010 must file the appropriate form by August 7, 2009. The form is available on your student portal under "self service." Complete information and instructions about the entire graduation check process for undergraduates will be available on the university website under "Graduation." Candidates for January 2010 master’s degrees must file a request for a graduation check on or before Friday, August 7, 2009. The form to accomplish this is available on your student portal under "self service" (click on Other Academics).

A change in anticipated date of graduation may be reported by filing the necessary form with the Graduation Unit (LH-114) for undergraduate students, and with the Graduate Studies Office (MH-103) for graduate students.

**GRADE OPTIONS**
The University uses a combination of traditional and nontraditional grading options as follows:

<table>
<thead>
<tr>
<th>Traditional</th>
<th>Nontraditional</th>
</tr>
</thead>
<tbody>
<tr>
<td>Letter Grades: A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F</td>
<td>(2.0) grade or better in undergraduate courses: B (3.0) or better in graduate courses. NC - No credit</td>
</tr>
</tbody>
</table>

Students may indicate the grading option for each course when they register. They have until the deadline published in the front cover of the registration guide to change an option. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor, and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designed by the faculty to be graded Ltr Grd Only or CR/NC Only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading option. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. No course with a grade of CR may be used for the master’s degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

**INCOMPLETE AUTHORIZED (I)**
The symbol 'I' (Incomplete Authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An Incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an IC symbol or an NC unless faculty member assigns a specific letter grade at the time the Incomplete is assigned which would replace the 'I' in the student’s record at the end of the one year deadline. Therefore, 'I' grades that were earned for the Fall 2008 semester must be completed by January 2, 2010. 'I' grades assigned at the end of the Spring 2008 semester must be completed by May 28, 2010.

The IC symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of Incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of 'I', the instructor shall file with the department, for reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.

The statement of requirements will include an indication of the quality of the student's work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. If specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the Incomplete grade rests with the instructor.

**INDEPENDENT STUDY**
If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for final evaluation of the independent study.

You may not take more than six units of independent study at the undergraduate level in a given semester or apply more than nine units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than six units of independent study toward the completion of a graduate degree unless written approval is obtained by the appropriate college dean.

Lower division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.

**INTERNSHIPS AND COMMUNITY ENGAGEMENT**
**Location: LH-206**
The Center for Internships and Community Engagement was established to offer students the opportunity to form an integrated academic-knowledge and skills with practical experiences in business, not-for-profit and government agencies. These real world experiences will provide students with the opportunity to expand their knowledge, apply theories and skills learned in the classroom, preparing them for successful entry into the job market as well as developing them as socially responsible citizens. Additionally, students will have the opportunity for personal growth, leadership and professional preparation. Other valuable benefits of internships and service-learning are:

1. Gain work and service experience
2. Network and develop industry contacts
3. Solidify academic and career goals
4. Opportunity to earn money while learning
5. Explore various career options within a major
6. Earn academic credit

Each internship/service-learning placement is monitored by the site while faculty provides guidance to students, ensuring the academic integrity of the work or service experience.
Service-Learning Courses:
Students who wish to participate in service-learning courses should register for courses with a Service Learning designation in the registration guide. There are no restrictions.

Academic Internships (credit-bearing)
Students participating in internships must:
1. Be at least in the junior year of study
2. Be in good academic standing
3. Receive approval from the appropriate faculty coordinator
4. Enroll in the departmental internship/co-op course

In most departments up to three units of internship credits may be earned. There is no maximum for service-learning courses.

The center is open Monday-Friday from 8:00 a.m. to 5:00 p.m. The website is: www.fullerton.edu/CICE.

LEAVE OF ABSENCE - UNDERGRADUATES AND POSTBACCALAUREATE UNCLASSIFIED GRADUATE STUDENTS
A leave of absence may be granted based on certain documented extenuating circumstances and normally is granted for not more than one year. Student must be in good academic standing and must have completed 12 units at this university. A leave of absence is not granted in order for a student to return to a community college to take coursework for financial or academic reasons. An approved leave of absence authorizes the student to return without reapplying to the university and continue under the catalog requirements prior to the absence. Undergraduate and postbaccalaureate unclassified graduate students on approved leaves of one year (two academic semesters) or less are eligible to register for the semester immediately following the end of the leave.

LEAVE OF ABSENCE - GRADUATE AND CREDENTIAL STUDENTS
Graduate degree or credential students may be granted leaves of absence, up to two consecutive semesters, if they maintain their place in the university and in degree or credential programs (i.e., they do not have to reapply following the leave). A leave granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the university does not extend time limitations imposed by the State for completing specific credential requirements nor does it extend the time limit for completing the master’s degree.

Forms for requesting a leave of absence are available in the Admissions and Records Service Center (LH-114), the Graduate Studies Office (MH-103), or the Graduate Studies website: http://www.fullerton.edu/graduate. Students must be in good academic standing and must have completed at least six units toward the degree or credential in residence at this university in order to qualify for leaves of absence. Leaves must be submitted before the first day of classes.

LIBRARY HOURS
Library hours are subject to change and some areas have more limited service hours. For the latest information on library hours, call (657) 278-2633, or point your browser to: http://www.library.fullerton.edu.

NONDISCRIMINATION POLICY - A COMMITMENT VALUING DIVERSITY
It is the policy of California State University, Fullerton, to create and maintain an environment that values diversity, respects human dignity, is hospitable, equitable, tolerant, and in which all persons are free from all forms of invidious discrimination or discriminatory harassment. To this end, CSUF does not discriminate on the basis of race, color, ethnicity, ancestry, national origin, citizenship, religion, creed, sex, sexual orientation, marital status, pregnancy, age, disability or covered veteran's status in the educational programs or activities it conducts. Such programs and activities include, but are not limited to, admission of students, employment, and intercollegiate athletics. Discrimination is prohibited by Title VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Reemployment Act, and the Americans with Disabilities Act of 1990 including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

OPEN UNIVERSITY ENROLLMENT
Open University enrollment provides an opportunity for people who are not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes. In fall and spring, registration is on a space available basis after classes have started. In summer, special registration provisions may be made for Open University students to enroll before classes start. Information packets are available from University Extended Education (UUE) in CP-100, the UUE Academic Advisor Lyn Richie-Walker in UH-123, or the forms section on www.csufextension.org. Open University students are required to contact the UUE Academic Advisor Lyn Richie-Walker (UH-123, 657-278-7645) prior to registering. Credit earned through Open University is designated as special session credit. A maximum of 24 special session credits may count toward a bachelor's degree. Special session credit earned through Open University may not be used to fulfill the residence requirements (30 semester units) for a bachelor’s degree. For graduate degrees, normally 6 to 9 units may apply. More units of credit may apply for graduate degrees which require more than 30 units. Please consult the graduate department advisor. Disqualified (DQ) students may not enroll in more than six (6) units per academic term. Participation in Open University enrollment does not constitute admission to the university.

REPETITION OF COURSE POLICY
Undergraduate students may repeat courses at California State University, Fullerton for which C (1.7) or failing grades were earned either at CSUF or other institutions. In repeating such courses, the traditional grading system shall be used. In computing the grade point average of a student who repeats courses in which he or she received C (1.7) or failing grades, only the most recently earned grades and grade points shall be used for the first 16 units repeated.

In exercising this option, an undergraduate student must repeat the course at this campus and may request application of this policy when a course has been repeated. This should be accomplished using the appropriate form, immediately following the time the course has been completed, so that the student’s grade point average can be revised.

In the case of any repetition beyond the 16-unit limit or in courses for which a C (2.0) or better grade was awarded, both grades are considered in computing grade point averages. Successful repetition of a course originally passed carries no additional unit credit toward a degree or credential except for certain courses such as Independent Study, practicum, or other courses specified in the catalog as “may be repeated for credit”.

Students transferring from other college where courses were taken and repeated, may be eligible for consideration under this policy. In general, the policy of the college with which the first course was repeated shall be followed; however, units for the course taken and repeated at the transfer institution are included in the 16-unit limitation. The repetition of course policy shall not be applicable for courses in which a C- (1.7) or lower grade was given for disciplinary reasons.

This policy has been revised for graduate and postbaccalaureate students (excluding undergraduate creative students) regarding courses for which a grade of WU (Withdraw Unauthorized) was received. If a course for which a grade of WU was received is repeated, only the most recently earned grade(s) and grade points will be used in computing the grade point average; however, the original WU grade(s) will remain on the permanent record. This policy applies only to grades earned during the first semester in which WU grades are received. Repeated courses must be taken at Cal State Fullerton in case of non-approved breaks in enrollment, reapplication for admission to the university and to the chosen degree or credential program will be required. A place in the degree/credential program or in the university will not be held for the student in these circumstances.

Forms for requesting a leave of absence are available in the Admissions and Records Service Center (LH-114), the Graduate Studies Office (MH-103), or the Graduate Studies website: http://www.fullerton.edu/graduate. Students must be in good academic standing and must have completed at least six units toward the degree or credential in residence at this university in order to qualify for leaves of absence. Leaves must be submitted before the first day of classes.

ACADEMIC DISHONESTY
Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1962, Title IX of the Higher Education Amendments of 1972, and the California Education Code 53035. Executive Order 927-Systemwide Policy on Prohibiting Harassment in Employment and Retaliation for Reporting Harassment or Participating in a Harassment Investigation also prohibits sexual harassment within the California State University system. The university will not tolerate sexual harassment and will take action to eliminate such behavior. Information concerning campus sexual harassment policies and procedures can be obtained from the Office of Diversity and Equity Programs, College Park 770, (657) 278-3951 or

A. Bicycles, scooters and roller skates may be used on campus under the following conditions:

1. Pedestrians have the right-of-way at all times.

3. Bicycles, roller skates and scooters may not be ridden or used in posted dismount areas, campus buildings or parking structures; over shrubbery; or on grass. However, bicycles, roller skates and scooter may be ridden or used in posted dismount areas either for instructional purposes or whenever parking fee regulations are not enforced.
B. Skateboards and motorized skateboards may not be used on campus, including parking structures.
C. Motorized bicycles and scooters may only be operated on campus roadways.
D. Bicycles, scooters, motorized bicycles and motorized scooters secured to objects or structures other than approved racks or storage containers may be removed by the University.
E. Bicycles, motorized bicycles, motorized scooters and motorized skateboards may not be stored inside any building, including the residence halls, without written authorization.
F. Non-motor vehicle forms of transportation may be used on campus or any property controlled by the University to accommodate a disability with written authorization.

SMOKING POLICY

I. Policy Statement

To mitigate well-established health risks associated with exposure to secondhand smoke, the California State University Board of Trustees delegated authority to campus presidents to adopt rules regulating smoking on campuses. At California State University, Fullerton, smoking is prohibited in any:

- Building owned, leased or rented by the University or one of its auxiliaries, whether located on or off campus.
- Outdoor area (for example a patio, balcony, courtyard or atrium) within 20 feet of any building. Smoking is permitted beyond 20 feet in outdoor areas unless otherwise prohibited.
- Vehicle owned, leased or rented by the University or one of the University’s auxiliaries.

II. Existing State Guidance & Development Considerations

The State of California prohibits smoking in all public buildings and other enclosed areas of employment. Authority to issue this Policy is based on Title 5, California Code of Regulations, Section 42356; State of California Executive Order W-42-93; State Government Code Section 19994.31; State Labor Code Section 6404.5; and CSU Executive Order 599.

III. Scope

This Policy applies to all University faculty, staff, students and visitors, as well as the areas noted in Section I above. Smoking is permitted in University-sponsored Theater and Dance productions only if smoking is listed in a script as a required part of a performance. Smoking is permitted in student-authored or student-sponsored scenes, showcases or workshops only if produced as part of the University’s Department of Theatre and Dance Season. Entertainment productions and other presentations in the Titan Student Union are not exempt from this Policy; however, the Executive Director of the Associated Students may grant an exemption when smoking is listed in the script as a required part of a performance.

IV. Definitions

“Smoking” is defined as inhaling, exhaling, burning, or carrying a lighted cigarette, cigar, pipe or other apparatus used to smoke tobacco or any other organic or non-organic material.

V. Implementation

The Office of Environmental Health and Instructional Safety will provide faculty, staff, students and visitors with notice of this Policy through signs, information campaigns or other publications. Supervisors are responsible for informing employees of this Policy.

VI. Accountability

Faculty, staff and students violating this Policy are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures. Violations should be reported to the appropriate administrator, Environmental Health and Instructional Safety at 278-7233 or Risk Management at 278-7346.

This Policy is effective as of April 3, 2003, and supersedes all previous University smoking policies. Contacts for questions regarding this Policy are the Director of Environmental Health and Instructional Safety and the Director of University Risk Management.

SOCIAL SECURITY NUMBER & STUDENT IDENTIFICATION NUMBER

Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The social security number is also required by the Franchise Tax Board for collection of returned checks.

For other records and services, the university uses an assigned Campus Wide Identification number (CVID) as the student’s account number. For more information on CVID see page 4. A student’s TitanCard number is not his or her identification number.

Students are required to write their student identification numbers on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or, when appropriate (other than mail-in or drop-off registration), cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY

The stop-out policy allows undergraduate students and postbaccalaureate unclassified non-credentialed graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, for any reason, including student on leave approved for more than one year, students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton.

Because of the large number of transcripts requested at the end of each regular semester, three weeks should be allowed for requests to be processed. At other times, transcript requests are processed within one week, as a general rule. Transcript request forms are available at the Admission and Records Service Center (LH-114). Immediate, over-the-counter transcript service cannot be provided.

The staff of the Associated Students Office will be pleased to answer any questions about the insurance policy (657) 278-2401.

WITHDRAWAL, UNOFFICIAL (WU)
Students who discontinue course participation without formally filing a withdrawal notice with the university shall be considered to have withdrawn unofficially from the course. Such action by the student will result in a final grade of WU (Withdrawal Unauthorized) or NC, depending on the grade option elected. For purposes of grade point average computation, the WU symbol is equivalent to a F. Students will be held responsible and billed for fees not yet paid.

Students may petition for retroactive withdrawal from individual courses or from an entire semester, provided that they can document both the serious and compelling reasons or circumstances that required the withdrawal and the date of such withdrawal. Such petitions must be filed within 30 days after the first class day of the following semester. If it is determined that retroactive withdrawal is justified, a grade of W will be assigned and the negative effect of the WU grade will be removed from the grade point average. Forms are available at the Admissions and Records Service Center, LH-114.

WITHHOLDING OF SERVICES FOR NONPAYMENT OF DEBTS
The Board of Trustees has authorized the withholding of certain services for nonpayment of debts owed the University. Debts include unpaid obligations for loans, services, use of facilities or equipment, materials or merchandise. Services which may be withheld include permission to register in a subsequent term, use of facilities, and other services or materials for which a fee is authorized to be charged (i.e. transcripts, parking, lab fees, etc.).

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

1. The right to inspect and review their educational records.
2. The right to request the amendment of their educational records to ensure that they are not inaccurate misleading or otherwise in violation of their privacy or other rights.
3. The right to consent to disclosures of personally identifiable information contained in their education records, except to the extent that FERPA authorizes disclosure without consent. FERPA permits disclosures without consent to "school officials" with "legitimate educational interests." "School officials" include university employees (including law enforcement unit and health personnel); agents of the University (such as an attorney or collection agent); or individuals, including students, serving on official committees or assisting a school official perform his/her tasks. A school official has a "legitimate educational interest" if the official needs to review an education record to fulfill his/her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks to enroll. California State University, Fullerton has designated as “Directory” information a student’s name, date and place of birth, permanent and local address, university-recognized e-mail address(es), photograph, telephone number, class level, enrollment status, major, minor, dates of attendance, degrees and awards received, previous educational institutions attended, and past and present participation in recognized activities, and weight and height if an athletic team member. Unless restricted by the student, the campus may release Directory information at any time to any requesting party, including the military and for the development of university-affiliated marketing programs. Students may choose to limit the release of their Directory information in one of four ways:

(A) Permit release of all Directory information for any purpose. No further action by the student is required.

(B) Permit release of only "Verification" information. This sub-category of Directory information consists of a student’s name, class level, enrollment status, major, minor, degrees and awards received, dates of attendance, and university-recognized e-mail address(es). The University will release this information for classroom use; in response to requests, including those from financial lenders, employers or insurance companies for verification of degree and enrollment information; and for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all university directories.

(C) Permit release of only “Class” information. This sub-category of Directory information consists of a student’s name, major, minor, degree and awards received, and university-recognized e-mail address(es). The University will release this information for classroom use; and for inclusion in Commencement and honors materials. Students who release only “Class” information will be excluded from all university directories, and the University will not respond to requests, including those from financial lenders, employers or insurance companies, for verification of degree, dates of attendance or enrollment status.

(D) Withhold the release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all university directories and publications, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment status without the prior written consent of the student.

Students may select at any time, the level of release by logging on to Titan Online via Student Portal. Unless a student designates otherwise, the university will assume that a student has chosen to permit access to their Directory Information for any purpose.

### Grade Point Average Requirements for Graduate Students

An average GPA of at least 3.0 based on all courses attempted to satisfy requirements for the master’s degree. This average applies to:

- All 400- and 500-level units attempted subsequent to admission to a degree program;
- All units required on the student’s graduate study plan including transfer courses.

[Departments may have additional grading standards for graduate programs - consult your graduate advisor.]

### Repetition of Course Policy

Undergraduates may repeat courses at CSUF for which a “C minus” (1.7) or lower were earned. [Refer to the catalog for complete description of Repetition of Course Policy.]

### Credit / No Credit Grading Option

Undergraduates may repeat courses at CSUF for which a “C minus” (1.7) or lower were earned. [Refer to the catalog for complete description of Repetition of Course Policy.]

For undergraduate students, “Credit” is awarded for work equivalent to all grades which earn 2.0 or more grade points (“A+” thru “C”). “No Credit” is awarded for work equivalent to all grades which earn less than 2.0 grade points (“C minus” thru “F”).

For graduate students, “Credit” is awarded for work equivalent to all grades which earn 3.0 or more grade points (“A+” thru “B”). “No Credit” is awarded for work equivalent to all grades which earn less than 3.0 grade points (“B minus” thru “F”).

### Plus / Minus Grades and Transfer Admissions

In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g., a grade of B+ awarded at Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units.

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education "certified" by California community college(s) as per CSU Executive Order 995.

ENGLISH PLACEMENT TEST (EPT)

All new undergraduate students entering the California State University are required to take the English Placement Test (EPT) except those who qualify for an exemption as described below. If you are not exempt, you must take the EPT prior to enrolling in your first semester. Failure to take the EPT prior to your first semester will cancel your registration eligibility for classes.

- If you score between 145-150 on the EPT, CSUF compliance policy requires that you register for English 101 during your first semester of enrollment.
- If you score between 120-144 on the EPT, CSUF compliance policy requires that you strengthen your English skills during your first semester of enrollment in an approved class, i.e., English 99 or ENGL 099M. Failure to complete the basic English skills in two semesters will result in the student being disenrolled. Please contact the INTENSIVE LEARNING EXPERIENCE (ILE) office in UH-234 or telephone (657) 278-7236.

It is mandated that freshmen and sophomores who score between 120-144 are required to participate in the INTENSIVE LEARNING EXPERIENCE (ILE) program and enroll in English 099 or ENGL 099M, depending on the test score. Failure to complete the basic English skills in two semesters will result in students being disenrolled. In addition, any student enrolled in ENGL 099 or ENGL 099M is required to make one (1) appointment with ILE by October 30, 2009. Contact the ILE office in UH-234 or telephone (657) 278-7236.

The English Placement Test (EPT) is given in conjunction with the Entry Level Mathematics (ELM) exam. Students may take the test(s) at the most convenient CSU campus. Many campuses have online registration available. Go to the CSU EPT/ELM Information Bulletin at http://www.ets.org/csu for a complete list of EPT and/or ELM test dates and registration procedures on all the CSU campuses.

If you wish to take the EPT at Cal State Fullerton, online EPT and/or ELM registration is available. To register for the EPT at Cal State Fullerton, go to Testing Services’ website at www.fullerton.edu/testing. Students cannot repeat the EPT.

To take the EPT, you must bring a check or money order for $18 (payable to Educational Testing Service) to the testing site on the day of the exam. Cash will not be accepted. If you plan to take the English Placement Test (EPT) and Entry Level Math (ELM) on the same day, you may bring one check or money order in the amount of $36 (payable to Educational Testing Service). All fees are nonrefundable and subject to change. No student will be tested without proper payment and picture identification. For further information, refer to the English Placement Test and Entry Level Mathematics Examination Information Bulletin or visit Testing Services’ Web site at http://www.fullerton.edu/testing.

Exemptions:

To be exempt from the English Placement Test requirement, students must have:

All new undergraduate students entering the California State University are required to take the Entry Level Mathematics Examination (ELM) except those students who qualify for exemption as described below. The ELM is a basic skills examination that will determine if you are prepared for college level courses that require a reasonable amount of mathematics. It is mandatory the freshmen and sophomores who score 30 or below are required to participate in the Intensive Learning Experience (ILE) program by enrolling in MATH 30A the first semester, followed by MATH 30B the second semester. In addition, any student enrolled in MATH 30A/MATH 30B is required to make one (1) appointment with ILE by October 30, 2009. Contact ILE in UH-234 or call (657) 278-7236.

Failure to complete the basic Mathematics skills in two semesters will result in students being disenrolled. Students who do not pass the ELM may gain access to required university general education mathematics courses via any of the following methods if completed prior to their first semester of enrollment at CSUF:

- Pass a “C” (2.0) or better in Intermediate Algebra offered by an accredited college - once the ELM has been taken bring an official transcript to Langsdorf Hall, Room 114, Attention Nancy J. Dority.

### UPPER DIVISION BACCALAUREATE WRITING REQUIREMENT

The university requires that all students completing bachelor's degrees under 1980-81 and later catalog requirements demonstrate writing ability acceptable for graduation. The upper division writing requirement has two parts; you must satisfy each:

- **An Upper Division Course.** Based on your specific major, you are required to either pass a specially designated upper division course of at least three semester units or pass two or more courses for a total of at least six units.
- **The Junior Level Examination in Writing Proficiency (EW);** The university faculty requires that you pass the EWP, which has been especially designed to measure writing ability.

### The Course—The University Board on Writing Proficiency must certify the course or courses that each major department designates to fulfill the requirement. Departments and programs may specify either a single course of at least 3 units which involves intensive instruction in writing, or two or more courses (a total of at least 6 units) in which you are required to write one or more lengthy papers or several shorter ones, which involve the organization and expression of complex ideas. In these courses, you will be given careful and timely evaluations of your writing and suggestions for improvement. An assessment of your writing competence will be included in determining your final course grade. You must pass these courses with a grade of C or better.

**Important Note:** If you have not been enrolled in classes within the last 9 months and no longer have access to your student portal, contact the Testing Center (UH-229) for EWP Registration instructions. Graduate students who need to take the EWP must also contact the Testing Center for EWP test registration instructions.

If you are unable to attend a test session for which you have registered, contact the Testing Center (657-278-2017) at least 24-hours before the test date for test transfer or test refund information.

Petitions - in certain cases, you may present a petition to the board for exemption from or modification of the requirement.

1. If you are a transfer student or a candidate for a second baccalaureate, you may be certified as meeting the requirement after you submit to the board acceptable evidence showing that you have completed the equivalent to CSUF's upper division requirement.

2. You may petition the board for substitution of an alternative to the Examination in Writing Proficiency when exceptional circumstances, such as a clinically identified learning disability, make the examination inappropriate. Such petitions must include documentation of the special circumstances and propose specific alternative means of demonstrating writing proficiency.

</table>

## ACADEMIC STANDARDS

- Letter grade required
- “C” (2.0) or better in Categories I.A,B,C and III.A.1
  
  (A grade of C- (1.7) will not satisfy GE requirements in these four categories) A grade of “D” (1.0) or better is required to satisfy all other GE requirements, (a grade of “D minus” (.7) is not a passing grade.)
- CR/NC allowed if it is the only grade option available

## COURSES IN YOUR MAJOR

- Courses offered by the department of the student’s major may NOT be used to fulfill the unit requirements of III or IV with the exception of categories offering choices from only one department.
- Courses that are cross-listed meet general education requirements for all majors except those in the home department of the cross-listed course. The “home” department is the one under which the course description appears in the catalog and is underlined on the GE list in the registration guide. For example, Afro-Ethnic is the “home” department for Afro-Ethnic Studies 311/Human Services 311; therefore, it may not be used by Afro-Ethnic majors to meet G.E. requirements.
- Upper-division courses offered by the department of the student’s major may not be used for general education credit.

IMPORTANT INFORMATION FOR ENGINEERING, COMPUTER SCIENCE AND BS IN CHEMISTRY MAJORS

Engineering majors will complete general education requirements in the Engineering Handbook instead of the above requirements. Computer Science and BS in Chemistry please see your program advisor for general education requirements.
“Minicourses” are generally five weeks long and offered during four sessions throughout the semester. “Shortcourses” can last anywhere from two days to several weeks, but are shorter in length than the semester and generally within the semester dates. Course meeting information is listed with the departmental class offerings, under the footnotes. Shortcourses are not listed below, because many of these courses are for a select group of students and are usually held at off-campus locations. If you are enrolled in a shortcourse, check with the department offering the course for information about deadlines.

Although some of the classes listed start on dates that are later in the semester, students should pre-register, during TITAN I or TITAN II. Not enrolling early may cause a class to be cancelled due to low enrollment. Students who register, add, or drop these courses after the fall semester begins must follow the published procedures in this schedule. Forms and/or information needed to complete the process may be obtained from the Admissions and Records Service Center, located in LH-114. Information is also available by calling the Admissions and Records Helpline at (657) 278-7601.

# Fee Payment Information
## Fall 2009 Fees

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

If there is a change in fees prior to your registration, Titan Online Student Center will calculate the new fee amount. If a fee change occurs after registration, resulting in an increase of fees, you will be contacted regarding additional fees owed. If you have any questions regarding fee increases, contact the Student Financial Services Help Desk at SFS@fullerton.edu or (657) 278-2495.

* **CONSOLIDATED COURSE FEE.** The campus-based mandatory $25.00 per-semester fee has replaced individual miscellaneous course fees other than those for travel and field trip expenses, event and facility admissions, sports equipment and musical instruments (including rentals). This fee is charged as part of the “basic registration fees” due on or before your registration deadline. Course fees not covered by the Consolidated Course Fee are outlined in the Class Notes in the online class schedule. If additional course fees are required, they will be assessed at the time of registration. You may review these fees at Titan Online. For questions concerning the Consolidated Course Fee, please contact Student Financial Services at SFS@fullerton.edu.

**NON-RESIDENT TUITION:** If you are not a resident of California, you must add $372.00 to your basic registration fees for each unit of credit you take. The total Non-resident Tuition fee charged a student in an academic year shall not exceed $11,160.00, effective Fall 2009. Non-resident students may not be charged full tuition in a Spring term if they have registered in an excess of 30 units for the Fall 2009 and Spring 2010 terms combined.

### TO CALCULATE YOUR FEES:

A. Find your TOTAL BASIC REGISTRATION FEES in the table above.

B. Multiply the number of units you will take by 372.00.

\[
\text{No. of Units} \times 372.00 = \]

C. Add A and B to get your TOTAL FEE PREPAYMENT DUE:

FEE PAYMENT INFORMATION (CONT.)

ALL STUDENTS
Check Titan Online for the date(s) on which you are eligible to register. For questions regarding your registration appointment, please contact Admissions and Records at (657) 278-7601. If you have any holds on your accounts, you must resolve them at least three (3) business days before registering.

TITAN I registration online:
Go to http://www.fullerton.edu/ and log into the Portal, then click on the "Titan Online" tab and click on "Student Center" which will allow you to register for classes first, and then make a payment within 3 days after you enroll or you will be subject to disenrollment.

TITAN II registration online:
Go to http://www.fullerton.edu/ and log into the Portal, then click on the "Titan Online" tab and click on "Student Center" which will allow you to register for classes first, and then your payment is due immediately on the same day you register or you will be subject to disenrollment.

Payments made online via the web are due by 11:30 PM on the due dates given by Titan Online (Web Registration). In-person and mail-in payments for both TITAN I and TITAN II registration are due by 5:00 PM on the date given by Titan Online (Web Registration) after registering.

THIRD PARTY CONTRACTS/SPONSORED STUDENTS
If an embassy or other organization will pay your registration fees and/or tuition, you must submit a current letter of financial guarantee at least three (3) business days prior to your TITAN registration appointment. If this letter is not received prior to your registration appointment, you are responsible for paying your fees and will be subject to disenrollment if your payment is not received by the deadlines specified above.

IMPORTANT!
You will not receive a bill for your registration fees prior to your due date.
• The University is not responsible for delays in the U.S. Postal Service; postmarks are not considered.
• You may be subject to disenrollment from ALL your classes if your payment is not received by the due date. If you switch from part-time (0-6 units) to full-time (7+ units), you must pay your fee by the due date. If not, all your classes are subject to disenrollment.
• Students who register on/after August 22, 2009 will be assessed a $25.00 Late Registration Fee.

Email Address – Each student has been issued an email address where University messages will be sent to you. For additional information about your email account, contact (657) 278-7777. Many campus offices have begun utilizing email as the PRIMARY communication mode to the student. Be sure to check your email on a regular basis.

STUDY LIST AND FINANCIAL STATEMENT
You may view a current financial statement at any time through Titan Online via Student Portal. If the Financial Statement reflects a "Current Due" balance, then payment must be made by the due date or you may be subject to disenrollment from classes.

If the Financial Statement reflects a credit balance because of an overpayment, cancelled classes, or administrative changes, and you do not intend to add classes, a refund will be automatically generated and mailed to your current address on file.

STUDENT IDENTIFICATION NUMBER
All personal checks submitted for any payment to the University by students must include their campus wide identification number (CIDW). (The Title Card number is not the CIDW number.) Payment by personal check is considered the individual’s approval for the University to write the CIDW on the check if it is not already present. If you prefer that your CIDW not be written on the check, then payment must be made by cashier’s check, money order, or cash (refer to “Fee Payment Instructions” on pages 21 for more information). Your CIDW is used to assure credit to the proper account. Applicants are required to include their correct social security numbers (last four digits of Social Security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify students and their records including to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

DISHONORED CHECKS
A $25 fee will be charged for all checks or credit card payments returned by your bank, for any reason. The dishonored check or credit card payment plus the $25 fee must be paid with cash, cashier’s check, or money order, otherwise, the student may be disenrolled from classes. If the dishonored check or credit card was for payment of TITAN registration fees, the student may be subject to disenrollment from classes.

Students who have two or more dishonored checks posted to their University account (regardless of maker) will lose personal check-writing privileges with the University. All subsequent payments to the University must be made with cashier’s check, money order, or cash (refer to “Fee Payment Instructions” for additional information).

YOU ARE FINANCIALLY RESPONSIBLE FOR "W" GRADES.

OUTSTANDING BALANCES FROM PREVIOUS SEMESTERS
Payments for previous semesters must be made and the hold cleared prior to registration.

FEES AND DEBTS OWED TO THE INSTITUTION
Should a student or former student fail to pay a fee or a debt owe to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt” until the debt is paid (see Title 5, California Code of Regulations, 42380 and 42381). Prospective students who register for courses offered by the University are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course. The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. Additional collection action may be taken including collection agency referral, reporting to a credit bureau, and/or submittal for offset of future state tax refunds, including any applicable costs of collection. If a person believes he or she does not owe all or an asserted unpaid obligation, that person may contact Student Financial Services at SFS@fullerton.edu. Student Financial Services or another office on campus to which Student Financial Services may refer the person, will review all pertinent information provided by the person and available to the campus, and advise the person of its conclusions.

For further information, contact the Student Financial Services Office at SFS@fullerton.edu

REFUND OF REGISTRATION FEES AND NON-RESIDENT TUITION:
FALL 2009 REFUND REQUIREMENTS

Regulations governing the refund of mandatory fees, including non-resident tuition, for students enrolling at the California State University are included in section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system-wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University. Refund of fees and tuition charges for self-supported programs at the California State University (courses offered through University Extended Education) are governed by a separate policy established by the University.

In order to receive a full refund of mandatory fees less a processing fee ($5), including non-resident tuition, a student must cancel registration or drop all courses prior to the first day of instruction for the term. Information on procedures and deadlines for canceling registration and dropping classes is available in the Registration pages of the Registration Guide.

For state-supported semesters and non-standard terms or courses of four (4) weeks or more, a student who withdrawing during the term in accordance with the University’s established procedures will receive a refund of mandatory fees, including non-resident tuition, based on the portion of the term during which the student was enrolled. No student withdrawing after the 60 percent point in the term will be entitled to a refund of any mandatory fees or non-resident tuition. Pro-rated refunds will automatically be sent to the student, less a processing fee ($5.00). No application for refund is necessary.

For state-supported semesters and non-standard terms or courses of less than four (4) weeks, no refunds of mandatory fees and non-resident tuition will be made unless a student cancels registration or drops all classes prior to the first day in accordance with University’s established procedures and deadline.

REGISTRATION FEE REFUNDS: Students who completely withdraw from classes at any time up through October 28, 2009, will automatically be sent a pro-rated refund, less a processing fee ($5.00). Students who reduce their status to six (6) or fewer units during the campus designated add/drop period which ends September 8, 2009, will automatically be sent a refund of the difference between full-time and
part-time fees, less a processing fee ($5.00). Refund processing will begin after September 21, 2009. Note: for check payments, refund will not be generated until six weeks following the deposit of the student’s check unless the student presents a bank copy of their cancelled check.

NON-RESIDENT TUITION REFUNDS: If you completely withdraw from classes at any time up through October 28, 2009, you will automatically be sent a prorated refund, less non-refundable fees and a processing fee. If you reduce your status to six (6) or fewer units during the campus-designated add/drop period which ends September 8, 2009 you will automatically be sent a refund of the difference between full-time and part-time fees, plus the corresponding non-resident tuition, less a processing fee ($5).

Students will also receive a refund of mandatory fees, including non-resident tuition under the following circumstances:
• Tuition and mandatory fees were assessed or collected in error;
• Course for which the tuition and mandatory fees were assessed or collected was cancelled by the University;
• University makes a delayed decision that the student was not eligible to enroll in the term for which the mandatory fees were assessed and collected and delayed decision was not due to incomplete or inaccurate information provided by the student, or;
• Student was activated for compulsory military service.

Students who are not entitled to a refund as described above may petition the University for a refund demonstrating exceptional circumstances. The Chief Financial Officer of the University or his/her designee may authorize a refund if he or she determines that the fees and tuition were not earned by the University. An Application for Appeal for Refund of Fees form is available at the Admissions and Records Service Center (LH-114) or the Student Financial Services Office (UH-180). Any documentation to support a refund appeal MUST be submitted with the appeal form.

REFUNDS FOR FINANCIAL AID RECIPIENTS: Refunds will be processed automatically for students who are financial aid recipients and reduce units to 6 or fewer by the add/drop deadline, September 8, 2009. Refunds are also automatically processed for students withdrawing completely from the University, and are based on a pro-rated formula up through October 28, 2009. According to federal regulations, refunds for financial aid recipients are refunded directly to the financial aid programs before any refund is issued to the student. Refund processing will begin after September 21, 2009. Information concerning any aspect of the refund of fees may be obtained from the Student Financial Services (UH-180), or e-mail your questions to studentrefund@fullerton.edu.

CANCELLATION OF REGISTRATION OR WITHDRAWAL FROM THE INSTITUTION: Students who find it necessary to cancel their registration or withdraw from all classes after enrolling for an academic term are required to follow the University’s official withdrawal procedures. Failure to follow formal University procedures may result in an obligation to pay fees as well as the assignment of failing grades in all courses and the need to apply for readmission before being permitted to enroll in another academic term. Information on canceling registration and withdrawal procedures is available from the Admissions and Records Office.

Students who receive financial aid funds must consult with the Office of Financial Aid prior to withdrawing from the University regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. If a recipient of student financial aid withdraws from the institution during an academic term or a payment period, the amount of grant or loan assistance received may be subject to return and/or repayment provisions.

Similarly, if a recipient of financial aid does not withdraw officially from all classes, but completes zero units for credit (i.e., no passing grades received), the student will be considered to have “unofficially withdrawn” from classes and the grant or loan amount received may be subject to return and/or repayment provisions.

For further information, contact the Student Financial Services Office at SFS@fullerton.edu

FINANCIAL AID GENERAL INFORMATION

   • Grant funds are automatically accepted on your behalf. Therefore, if you have been offered State University Grant (SUG), Education Opportunity Grant (EOP), Cal Grant A or B, Federal Pell Grant, or Federal Supplemental Educational Opportunity Grant (FSEOG), your fee payment will be postponed and deducted automatically from your disbursement.
   • You MUST FORMALLY ACCEPT A LOAN IN ORDER FOR IT TO QUALIFY YOU FOR POSTPONEMENT OF YOUR FEE PAYMENT. IF YOU...

...HAVE BEEN OFFERED A FEDERAL STAFFORD LOAN OR FEDERAL PERKINS LOAN, GO TO TITAN ONLINE AND “VIEW FINANCIAL AID” FOR THE 2010 YEAR. CLICK ON THE “ACCEPT/DECLINE AWARDS” LINK AND FOLLOW THE INSTRUCTIONS TO ACCEPT THE LOAN.

The “Account Inquiry” page in Titan Online displays your fee charges and any pending financial aid. If you do not have enough pending financial aid available to offset your charges in full, you must pay the balance.

2. Your financial aid file is complete at the time you register for classes and you are waiting for your award notification:
   • We will arrange for postponement of your fee payment until your financial aid is awarded and disbursed. Check your “to do list” in Titan Online and be sure to submit all required financial aid documentation before it’s time for you to register. Allow at least one week for processing of submitted documents.
   • Watch for your financial aid to deposit in your Titan Online account or e-mail account and follow all procedures to accept your aid and receive your disbursement.
   • You are responsible for monitoring your financial aid status and complying with all requests for information or documentation.

STUDENT RESPONSIBILITY
You are responsible for your registration fees. If your financial aid award becomes unavailable for ANY reason, or is insufficient to pay for fees as initially anticipated, you must pay the balance immediately upon notification. It is your responsibility to ensure that registration fees are paid in full. Access your account balance by clicking the "Financial Statement" link from your Student Portal.

NON-EFT
If your lender disburses your Federal Stafford Loan in a hard-copy check rather than through electronic fund transfer (EFT), the University is not able to apply your loan proceeds to your account. If your lender disburses your Federal Stafford Loan in a hard-copy check rather than through electronic fund transfer (EFT), the University is not able to apply your loan proceeds to your account. If you do not have enough pending financial aid available to offset your charges in full, you must pay the balance.

WITHDRAWAL
If you drop one or more courses prior to September 22, 2009 after a Federal Pell Grant, Cal Grant B Access Grant or State University Grant was disbursed to you or applied to your University account, you may be billed for some or all Pell Funds disbursed. Visit the Office of Financial Aid to determine how much you would be required to repay. If you receive financial aid and you completely withdrew from the University on or before October 28, 2009, we will calculate the amount of federal financial aid you “earned” based on the number of days you were enrolled. You may be required to repay a portion of the funds you received. In addition, the University may be required to refund a portion of tuition/fees and/or on-campus housing charges to one or more federal aid program. For further information, contact the Office of Financial Aid at (657) 278-3125.

SCHEDULE OF CLASSES AND EXPLANATION OF CODES - FALL 2009

All class schedule entries are subject to change without prior notice. The scheduling office distributes a listing of added and cancelled classes to all academic departments, the Academic Advisement Center, the Daily Titan, and other university offices prior to the first day of classes.

The faculty member shown in the "faculty" column of this class listing is a tentative assignment depending on schedule adjustments required by circumstances during registration.

Classnotes - The column identified as "Classnotes" indicates special information of significance for the student. Explanation of each CN appears online. Under Class Search, CR means department consent required. Some classes have prerequisites while others require permission of the department or an instructor as noted under "Classnotes". If you are selecting one of these courses, be sure that you have met the prerequisites or have obtained the required permission. The fact that you may be scheduled for such a class does not imply that permission to enroll has been granted.

Course Number - The five-digit code number follows the section number and is listed below the course number. It identifies the class and section of the class you want to take. You register for a class with this number.

Day Code Explanation - The times that courses begin and end are indicated in the schedule. Morning classes beginning at 8:00 AM and ending at 8:50 AM are shown as 800a-850a. Afternoon and evening classes beginning at 5:00 PM and ending at 6:50 PM are shown as 500p-650p.

Check Titan Online for your registration appointment date/time and for any holds on your record. All holds must be cleared three (3) business days prior to your TITAN appointment. You will access registration via your student portal.

Maximum Units - University Limitation - Undergraduates are limited to a maximum of 16 units during TITAN I registration. Classified graduate students not in a Credential Program are limited to 12 units during early registration. Credential students are limited to 19 units.

Titan PIN - A "one-time use" Personal Identification Number (PIN) is assigned to you, which is a 6-digit number. After accessing your Student Portal with the PIN, you will be asked to create a password. This password will be used for Student Portal access including registration throughout your enrollment at CSUF. If you lose or misplace your password, you must present picture identification at the IT Helpdesk.

TITAN Appointment - Appointment dates and times for registration are based on class level and on units earned for all participants. The date indicated on Titan Online represents the first date you can access Titan Online to enroll in classes. If you attempt to register before your assigned date and time, you will not be granted access. Titan Online is available 24/7 for dropping classes, listing classes and fee amount due, between TITAN I and II July 28-August 3, 2009.

Holds - Any holds will be listed on Titan Online. All holds must be cleared three (3) business days prior to your TITAN appointment.

Grading Options - The default grading option is a letter grade (A, B, C, D, F). Exceptions are those classes offered LTR/GRD only and CR/NC only. For more detailed information on grading options, refer to page 5.

Course Prerequisites - Some courses have course prerequisites (see Class Notes in the online class schedule) which, if not met, will result in your being unable to register for the course.

Course Corequisites - Some courses have course corequisites (see Class Notes in the online class schedule). You must register for the corresponding corequisite during the same registration transaction. Failure to do so may result in your being disenrolled from the course.

Test Score Prerequisites - Some courses have test score prerequisites which, if not met, will result in your being unable to register for the course. Refer to the Placement Examinations section of this registration guide.

Registrar Class (REG 999) - Students unable to enroll in any classes because they are closed may enroll in the Registrar Class (REG 999), 5-digit course #19200 (Irvine Campus students use #19201). Students thus become officially registered and pay minimum fees by their payment due date, thereby avoiding the $25 late registration fee that goes into effect as of the first day of class. This is a temporary device to enable students to add classes during the next registration period, if classes are available then, or to wait for decisions on admissions into specific courses.

You must withdraw from REG 999 to add other courses. If you are unable to add other courses, you are required to withdraw. Any student who does not add a regular course or withdraw with a refund will be administratively withdrawn from the university. See page 22 for Title 5 refund information.

Repetition of Courses
Undergraduate students may repeat a maximum of 16 units for "forgiveness" (effect of first grade is removed from GPA calculation).

A maximum of 12 additional units may be repeated, but without forgiveness (effect of first grade is not removed from GPA calculation). Grades from both the original class and the repeated class will be averaged in the GPA calculation.

An individual course may be taken a maximum of 3 times except as noted in the University Catalog (e.g. KINES 100—May be repeated for credit up to six times).

For more information on the above changes, please see the University Catalog or contact Admissions and Records at (657) 278-7601.

How Waitlisting Works
• Most classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.
• The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist units based on department discretion.
• You can waitlist for a maximum of 6 units, provided that each course's waitlist is not already full. (Note: Waitlisted units are not included toward your enrollment unit limit. Once you successfully get into the class, then the units will count towards your enrollment unit limit.)
• You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.
• Students cannot waitlist the same lecture section or the same lab section more than once.
• If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
• Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
• If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
• If you are moved from the waitlist into the class, you will receive an email notification.
• If you are waitlisted for multiple sections of the same course, and you successfully get into one of the sections, you will be automatically removed from the waitlists for the other sections.
• You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly to avoid possible cancellation of a newly added class(es).
• If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a "WU" grade on your record which will lower your grade point average.
• There is no guarantee that you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.
• The online waitlisting feature will cease to function with the end of the first week of class, Aug. 30, 2009 but the waitlist will be retained for informational purposes for the instructor.
• Faculty will control access to "closed" classes starting with the first day of class via normal permit procedures.

Waitlist Restrictions
Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless either of the following restrictions apply:
1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.
2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the waitlist if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.
If you cannot be moved from the waitlist, for either of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class.
Check your schedule regularly in your Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you may drop yourself from a waitlist.

* The Census date takes place 4 weeks after the beginning of the semester.

For recorded information regarding the immunization requirement, call the Student Health and Counseling Center at (657) 278-2800.

How You Can Meet The Hepatitis B and/or Measles/Rubella (MMR) Requirement(s):

1. Bring in a copy of your documentation [doctors records, military records, school records, immunization card, or letter from your doctor] of previous vaccination to the Student Health and Counseling Center (SHCC), or fax it with your name, phone #, and CWID# to (657) 278-3069. Please check Titan Online to ensure your registration hold has been removed.

2. You may get the vaccination(s) by one of the following ways:
   • Your private doctor/clinic. Please provide documentation to the SHCC in person or via fax, as above.
   • The County Health Department offers the vaccine free of charge if you have no medical insurance or Medi-cal. For more information, visit the Orange County website at http://www.ochealthinfo.com. Please provide documentation to the SHCC in person or via fax, as above.
   • The Student Health and Counseling Center, by appointment. A fee will be charged at the time of the appointment. To schedule an appointment or to inquire about the associated fees, please call (657) 278-2800. Appointments are impacted during registration, so please plan accordingly.

3. If you have received the immunization(s) in the past, but you cannot locate the documentation, you can be re-immunized. A lab test can also be performed for measles and rubella, and/or for hepatitis B. There is a charge and it will take at least a week to get the results.

4. If you are pregnant or think you may be pregnant, you will be temporarily waived from the MMR and hepatitis B requirements. You may fax a copy of a note from your doctor/clinic to (657) 278-3069. The note must be dated and signed by your doctor, and your expected due date must be included. You must also complete and submit an immunization waiver form (found at the SHCC or the SHCC web site). A hold will be placed back on your record if the requirement is not met when the temporary waiver expires.

5. If you are a female required to receive the MMR and you have had intercourse since your last menstrual period, and are not using hormonal-based contraception, you will be unable to receive the MMR vaccination until your next period has started. You may report to the SHCC to receive a temporary waiver.

6. If you need to request a waiver for other medical reasons, please make an appointment with a SHCC provider at (657) 278-2800, or in person, or bring a note from your private physician/clinic to the SHCC and complete an immunization waiver form.

7. Waivers can be granted for religious, personal, or philosophical reasons. Please complete an immunization waiver form found at the SHCC web site www.fullerton.edu/shcc and fax it to (657) 278-5525, or in person at the SHCC front desk. Please check Titan Online to ensure your registration hold has been removed.

8. If you have an allergy to egg, feathers, gelatin or neomycin, you may receive a permanent waiver from MMR only. To find out if you qualify, come to the SHCC front desk, request and complete an immunization waiver form, and see the Screening Nurse.
GENERAL INFORMATION:
Partial payments for Registration Fees or Non-Resident Tuition are only accepted with an approved Installment Payment Plan (IPP) agreement. The Installment Payment Plan (IPP) gives CSUF students the opportunity to pay their registration fees or non-resident tuition in three monthly installments. Required course fees (distance fee, piano usage fee, evaluation fee, orientation fee, book fee) for specified majors are not available for Installment Payment Plan. A non-refundable administrative fee is charged to sign up for Installment Payment Plans. Installment plans are NOT available after August 22, 2009.

ELIGIBILITY REQUIREMENTS:
- You do not have a past due balance for any prior term.
- You are admitted for the term.
- You have not already paid your current term registration fees or non-resident tuition.
- You may not be eligible to participate in this program if you owe the University money or have a history of payment difficulty.
- You have not been awarded Financial Aid: You should not apply for the IPP if you have accepted a financial aid award or your financial aid file is complete and you are awaiting your award notification.

HOW/WHEN TO APPLY:
DO NOT SIGN UP FOR INSTALLMENT PAYMENT PLAN UNTIL AFTER YOU REGISTER OR YOUR ACCOUNT WILL NOT CALCULATE CORRECTLY.

Students 18 years of age and over should apply online for the IPP IMMEDIATELY AFTER they register on the Titan Online. This will result in the correct amount due being given to you after you register in Titan Online.

Students under 18 years of age should complete the paper application, sign it (both student and the parent’s signature), and submit the IPP application to Student Financial Services (UH 180) IMMEDIATELY AFTER they register. This will result in the correct amount due being given to you after you register on the Titan Online. Submit the completed IPP application to:

California State University, Fullerton
Student Financial Services, UH-180
P.O. Box 6808
Fullerton, CA 92834-6808
DROP Box: Window #10, UH 180 (accessible 24 hours a day)

MAKING PAYMENTS
All payments made online via the Web must be received by 11:30 PM on the due date given to you when you register to be considered "on time". All in-person and mail-in payments must be received by 5:00 pm in the Office of Student Financial Services (UH 180) on the due dates given after you register to be considered "on time". Holiday, weekends, postmarks, and delay in Post Office delivery are not considered. You are responsible for payments by the due date even if you do not receive a bill.

LATE PAYMENT AND CANCELLATION
Each late payment made will be assessed a $20 late IPP payment fee. A hold will also be applied to your student account disallowing transcript requests and future registration.

PAYING IN ADVANCE
Any portion of a payment that is in excess of the amount of the IPP installment due will be applied to other current debts or future installments. Refunds of any type will not be issued until all charges are paid in full.

ACCOUNT BALANCE
If you are unsure of your balance due, or you want to check to see if a payment has been received and applied to your account, you have several sources for finding that information:

REFUNDS
Students who use an IPP and withdraw during the term may be eligible for a refund in accordance with the campus refund policy. However, the IPP $33 processing fee and the 15% non-resident service charge are non-refundable.
Title 5, Section 89700.1 of the California Code of Regulations allows resident students to pay State University Fees on an Installment Payment Plan. A processing fee of $33 per semester for California resident students is charged to offset the administrative costs of this plan. **This processing fee is nonrefundable**, even if students are denied participation in the plan, later withdraw from the plan, receive financial aid or do not attend CSUF.

**DEADLINE TO REGISTER FOR THE PAYMENT PLAN IS AUGUST 21, 2009.**

NON-RESIDENT TUITION
INSTALLMENT PAYMENT PLAN

Title 5, Section 41901.5 of the California Code of Regulations allows non-resident students to pay non-resident tuition on an Installment Payment Plan. Basic Registration Fees cannot be paid on an installment basis for non-residents. A 15% per unit non-refundable service charge for each unit a student is enrolled in will be assessed to cover the administrative costs of participating in this program.

PLEASE REVIEW YOUR PAYMENT OPTIONS AND BE ABSOLUTELY SURE THAT PARTICIPATION IN THIS PLAN IS THE MOST COST EFFECTIVE WAY FOR YOU TO MEET YOUR PAYMENT OBLIGATIONS. ONCE YOU SUBMIT THE APPLICATION/AGREEMENT FOR THIS INSTALLMENT PAYMENT PLAN, THE ADMINISTRATIVE PROCESSING COSTS (RANGING FROM $50.00 TO MORE THAN $1200.00 PER SEMESTER BASED ON YOUR UNIT LOAD) CANNOT BE REFUNDED OR WAIVED.

The service charge will be assessed based on the total number of units a student is enrolled in during TITAN I and/or TITAN II; and will be charged equally on the second, third, and fourth payments. If additional units are added after your initial registration, an additional 15% per unit processing fee will be added for each additional unit and will be reflected in subsequent payments. The non-refundable service charge will not be reduced if units are dropped.

Failure to make installment payments by the due date will result in your account being assessed a $20 IPP late fee (per installment paid after the due date) and a hold will also be placed on your student account disallowing transcript requests and future registration. You are responsible for making payments by the posted due dates even if you do not receive a bill. If you have any questions or problems, please contact the Office of Student Financial Services by sending us an email to sfs@fullerton.edu or by calling (657) 278-2495.

DEADLINE TO REGISTER FOR THE PAYMENT PLAN IS AUGUST 21, 2009.
