UNDERGRADUATE ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester, well in advance of registration. Advisers in each major department and in the Academic Advisement Center (UH-123B) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT

Academic Advisement is the academic home of the undeclared student. All undergraduate students may obtain information about the CSUF general education curriculum and degree requirements by visiting the Academic Advisement Center in UH-123B. Advising is offered on a walk-in basis Monday through Friday and all students must bring a recent printed copy of their Titan Degree Audit (TDA) to meet with an academic adviser.

MAJOR ADVISEMENT

Students who have declared a major should consult their departmental adviser well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate advisement office.

ACADEMIC AND ADMINISTRATIVE INFORMATION

ACADEMIC DISHONESTY
Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned. An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair, and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentations for action that he or she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designees may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor’s Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of the university catalog.

ACADEMIC FREEDOM AND RESPONSIBILITY
The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS
If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from Counseling and Psychological Services. If you are unsure of a career, you should consult with the Career Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Advisement Center, Academic Appeals, Dean of Students Office, Disabled Student Services, Financial Aid, International Education and Exchange, Student Health and Counseling Center, University Learning Center, Women’s Center/Adult Re-entry/Veterans Services, Veterans Certification Office, Writing Assistance Center, and the Office of Admissions and Records.

AUDITING
The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on page 3 of this guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

BICYCLES AND SKATEBOARDS ON CAMPUS
The University’s policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President’s Directive #16. Please see http://directive16.fullerton.edu.

CAMPUS WIDE IDENTIFICATION NUMBER
Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus-wide ID number (CWID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number to be used in conducting university business and making academic inquiries.

CLASS ATTENDANCE
While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notifying the instructor or departmental office within 24 hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings. If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLASS LISTING
The Intersession 2013 class listing (schedule of classes) is available online in your Titan Online Student Center or at www.fullerton.edu/schedule. An explanation of the codes used in the online class listing is on page 30 of this registration guide.

CLOSED CLASSES
A departmental permit is required to add a closed class.

COURSE OUTLINES
Course Outlines, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the University catalog, must be provided to students in writing within the first five days of instruction. Course outlines shall give detailed information on the following matters:

1) Course material to be covered (e.g., reading list);
2) The grading policy for the course;
3) Class assignments (e.g., term papers-length, due date, projects); and
4) Examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations;
5) Required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, “software”, artistic materials, scientific apparatus, etc.

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair.
DEGREE CANDIDATES

Candidates for the baccalaureate must file an application for a graduation check one year (two semesters) prior to the semester in which they anticipate completing all requirements for a degree. The form is available on your Student Center under “self service.” Complete information and instructions about the entire graduation check process for undergraduates is available on the university website under “Graduation.”

Candidates for January 2014 master’s degrees must pay the graduation and diploma fee and file a request for a graduation check on or before Monday, August 29, 2011. The form to accomplish this is available on your student center under “Self Service.”

A change in anticipated date of graduation may be reported by filling the necessary form with the Graduation Unit (LH-114) for undergraduate students, and with the Graduate Studies Office (MH-112) for graduate students.

FINAL EXAMINATIONS

During Intersession, the final is held on the last day of class or as noted on the course syllabus.

Students may indicate the grading option for each course when they register. They have until the deadline published in the front cover of the class schedule to change an option. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor, and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designated by the faculty to be graded Ltr Grd Only or CR/NC only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading option. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. No course with a grade of CR may be used for the master’s degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

ADVISORY CAUTION

Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade basis and not credit/no credit.

INCOMPLETE AUTHORIZED (I)

The symbol “I” (Incomplete authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An Incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an “IC” symbol or an “NC” unless the faculty member assigns a specific letter grade based on the work completed by the deadline. Therefore, “I” grades that were earned for the spring 2011 semester must be completed by May 25, 2012. “I” grades assigned at the end of the fall 2011 semester must be completed by January 2, 2013.

The “IC” symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of ‘I’, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.

The statement of requirements will include an indication of the quality of the student’s work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the incomplete grade rests with the instructor.

INDEPENDENT STUDY

If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for the final evaluation of the independent study.

You may not take more than 6 units of independent study at the undergraduate level in a given semester or apply more than 9 units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than 6 units of independent study toward completion of a graduate degree unless written approval is obtained from the appropriate college dean.

Lower division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.

It is the policy of the California State University (CSU) that no student or applicant for admission as a student shall, on the basis of protected status, be unlawfully excluded from participation in or be denied the benefits of any CSU program or activity. Nor shall a student or applicant for admission as a student be otherwise subjected to unlawful discrimination, harassment, or retaliation for exercising any rights under this executive order.

Discrimination is prohibited by Title VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 508 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, Title II, the Americans with Disabilities Act of 1990 and Age Discrimination Act of 1975, including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

Employees and students who violate this policy may be subject to employee discipline. If discipline is appropriate, it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies, and legal requirements. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations and Executive Order 1073 or any superseding executive order, if applicable.

**OPEN UNIVERSITY ENROLLMENT**

See page 48 for more information.

**REPEAT POLICY**

**Grade Forgiveness (16-unit limit)**

An undergraduate student may repeat up to 16 units of course work with ‘Grade Forgiveness’. This category of repeat is used for grades of C- (1.7) or lower. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7), only the most recently earned grades and grade points shall be used in the GPA calculation for the first 16 units repeated. In exercising this option, an undergraduate student must take and repeat the course at this campus, and should request application of this policy after the course has been repeated. This is accomplished by submitting the appropriate form (available in Admissions and Records), immediately following the term in which the course has been completed, so that the student’s grade point average can be revised.

**Grades Averaged (12-unit limit)**

An undergraduate may repeat up to 12 units of course work with ‘Grades Averaged’, beginning Fall 2009 forward. Under this category of repeat, both grades are calculated into the student’s GPA.

**Maximum Repeat Limit (28 units)**

The 16 units of ‘Grade Forgiveness’ and the 12 units of ‘Grades Averaged’ comprise the maximum repeat limit of 28 units for an undergraduate student.

**Regulation Against Repeat of Courses with ‘C’ Grade or Better**

Undergraduate students may not repeat a course in which a grade of ‘C’ or better has already been earned. This does not apply to those courses noted in the university catalog as “may be repeated for credit”.

**SEXUAL HARASSMENT POLICY**

It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1964, Title IX of the Higher Education Amendments of 1972, and the California Education Code 89535. Executive Order 927-Systemwide Policy on Prohibiting Harassment in Employment and Retaliation for Reporting Harassment or Participating in a Harassment Investigation as well as Executive Order 1074 Systemwide Policy Prohibiting Discrimination, Harassment, and Retaliation Against Students AND Systemwide Procedure for Handling Discrimination, Harassment and Retaliation Complaints by Students also prohibit sexual harassment within the California State University system. The university will not tolerate sexual harassment and will take action to eliminate such behavior. SMOKING POLICY

I. Policy Statement
To mitigate well-established health risks associated with exposure to secondhand smoke, the California State University Board of Trustees delegated authority to campus presidents to adopt rules regulating smoking on campuses. At California State University, Fullerton, smoking is prohibited in any:

- Building owned, leased or rented by the University or one of its auxiliaries, whether located on or off campus.
- Outdoor area (for example a patio, balcony, courtyard, or atrium) within 20 feet of any building. Smoking is permitted beyond 20 feet in outdoor areas unless otherwise posted.
- Vehicle owned, leased or rented by the University or one of the University's auxiliaries.

II. Existing State Guidance & Development Considerations
The State of California prohibits smoking in all public buildings and other enclosed areas of employment. Authority to issue this Policy is based on Title 5, California Code of Regulations, Section 42356; State of California Executive Order W-42-93; State Government Code Section 19994.31; State Labor Code Section 6404.5; and CSU Executive Order 599.

III. Scope
This Policy applies to all University faculty, staff, students, and visitors, as well as the areas noted in Section I above. Smoking is permitted in University-sponsored Theatre and Dance productions only if smoking is listed in a script as a required part of a performance. Smoking is permitted in student-authored or student-sponsored scenes, showcases or workshops only if produced as part of the University's Department of Theatre and Dance Season. Entertainment productions and other presentations in the Titan Student Union are not exempt from this Policy; however, the Executive Director of the Associated Students may grant an exemption when smoking is listed in the script as a required part of a performance.

IV. Definitions
“Smoking” is defined as inhaling, exhaling, burning, or carrying a lighted cigarette, cigar, pipe, or other apparatus used to smoke tobacco or any other organic or non-organic material.

V. Implementation
The Office of Environmental Health and Safety will provide faculty, staff, students and visitors with notice of this Policy through signs, information campaigns or other publications. Supervisors are responsible for informing employees of this Policy.

VI. Accountability
Faculty, staff and students violating this Policy are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures. Violations should be reported to the appropriate administrator, Environmental Health and Safety at 278-7233 or Risk Management at 278-7346.

This Policy is effective as of April 3, 2003, and supersedes all previous University smoking policies. Contacts for questions regarding this Policy are the Director of Environmental Health and Safety and the Director of University Risk Management.

SOCIAL SECURITY NUMBER AND STUDENT IDENTIFICATION NUMBER
Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The Social Security number also is required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide identification number (CWID) as the student's account number. A student's TitanCard number is not his or her identification number. Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student's identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or, when appropriate (other than mail-in or drop-off registration), cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY
The stop-out policy allows undergraduate students and post-baccalaureate unclassified non-credential graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leave approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton.

ADMISSION TO THE TEACHER EDUCATION CREDENTIAL PROGRAM (Continuing Students)
Admissions and processing fee of $50 is required of all students applying to the Education Credential Programs. Overview meetings are mandatory for admission to teacher credential programs. Schedules are available on the web: http://ed.fullerton.edu/adtep or by calling 657-278-3412. The Center for Careers in Teaching (H-113) is available to assist undergraduate students who are planning to become teachers. For further information go to: http://ed.fullerton.edu/adtep.

Deadlines for Spring/Fall admission: Go to http://ed.fullerton.edu/adtep. Before completing the application for teacher education, you must apply to the university unless you are currently enrolled. You will also find a wide selection of CSUF merchandise, school supplies and educationally priced hardware & software. Visit www.titanbookstore.com or call 657-278-3418.
TRANSCRIPTS
A single copy of a transcript requires a fee of $4 paid in advance. (Additional transcripts prepared at the same time are $2 each). Because of the large number of transcripts requested at the end of each regular semester, three weeks should be allowed for requests to be processed. At other times, transcript requests are processed within 3-5 working days, as a general rule. Transcript request forms are available at the Admissions and Records Service Center (LH-114). Immediate, over-the-counter transcript service cannot be provided except on an emergency basis. Transcripts may be ordered online 24/7 and paid for with your credit card through the National Student Clearinghouse. Current degree seeking students can access the National Student Clearinghouse via the student portal. Students without a secured student portal may access the service at www.studentclearinghouse.org.

UNIT LIMITS
A maximum of 3 units may be taken during the entire Intersession term. A student, whose academic record justifies a study list of more than 3 units, must request approval. In general, only students with superior academic records are allowed to enroll for more than 3 units. In addition, the need to enroll for extra study must be established. Factors such as time spent in employment or commuting, the nature of the academic program, extracurricular activities and the student’s health should be considered in planning a study program.

A Request For Excess Units form is available in the Admissions and Records Service Center in LH-114 beginning October 22nd.

VETERANS
Veterans and Veteran Dependents who will be receiving VA benefits may obtain information concerning application for benefits, registration, and adjustments in status from the Veterans Certification Office in LH-540. New, returning, and transfer student veterans should consult the Veterans Certification Office to complete the necessary documents to receive VA benefits. Since walk-in office hours vary, call (657) 278-2373 or email veteranservices@fullerton.edu with questions. You may also visit www.fullerton.edu/veterans for more information.

VOLUNTARY STUDENT HEALTH INSURANCE
Students wishing to obtain voluntary student health insurance may do so at the Associated Students Office. Although neither CSUF nor the Associated Students Office can endorse any particular policy, the staff does negotiate for a policy that offers the best coverage at the lowest possible cost. Students should seriously consider health insurance since it enables them to obtain needed medical services without having to be concerned about the rising cost of medical services. The staff of the Associated Students Office will be pleased to answer any questions about the insurance policy (657) 278-2401.

WITHDRAWAL LIMIT
Undergraduate students will be limited to a maximum of 18 units of withdrawals ("W" on transcript) during their CSUF career. "Ws" earned prior to Fall 2009 will remain on the record but will not be counted toward the unit cap. (See www.fullerton.edu/admissions. Under “Resources,” click on “Frequently Asked Questions”).

WITHDRAWAL UNAUTHORIZED (WU)
Students who discontinue course participation without formally filing a withdrawal form with the university shall be considered to have withdrawn unofficially from the course. Such action by the student will result in a final grade of WU (Withdrawal Unauthorized) or NC, depending on the grade option elected. For purposes of grade point average computation, the WU symbol is equivalent to an F. Students will be held responsible and billed for fees not yet paid.

Students may petition for retroactive withdrawal from individual courses or from an entire semester by using the retroactive withdrawal petition process. However, this process has specific requirements and deadlines for submitting a petition, and a strict requirement for providing independent written documentation (from a source other than the student) to verify the serious and compelling circumstances that resulted in the student receiving a WU. The preferred period for submitting these petitions is by the fourth week of the semester immediately following the term being petitioned. For students who do not meet this deadline, there is an extension period for submitting petitions:

- if you have graduated from CSUF, no later than 12 months from your date of graduation.
- if you have not graduated from CSUF, no later than five years from the semester being petitioned.

All retroactive withdrawal petitions are individually reviewed and can be either granted or denied. If it is determined that retroactive withdrawal is justified, a grade of W will be assigned and the negative effect of the WU grade will be removed from the grade point average. If a W is granted by retroactive petition, a decision will be made at the time of review as to whether the W will be counted or not counted in the 18-unit limit. Petition forms are available at the Admissions and Records Service Center, LH-114.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

President’s Directive No. 17
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

Student Privacy and Education Records

I. DIRECTIVE
The Family Educational Rights and Privacy Act (“FERPA”) and California State University Executive Order 796 (“EO 796”) afford students the right to inspect and review their education records; request amendment of an education record believed to be in error or misleading; limit disclosure of personally identifiable information contained in an education record; and file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with FERPA. Should a conflict arise between FERPA or EO 796 and this directive, FERPA or EO 796 will take precedent.

II. AUTHORITY

III. SCOPE
This directive applies to the records of any student who is attending or has attended the University. They do not apply to records of applicants for admission who are denied acceptance or, if accepted, do not attend the University.

IV. DEFINITIONS
A. Directory Information. A student’s name, date and place of birth, permanent and local address, University-recognized e-mail address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, previous educational institutions attended, and past and present participation in recognized activities. Directory information also includes weight and height if student is an athletic team member.

B. Legitimate Educational Interest. A school official has a "legitimate educational interest" if the official must review an education record to fulfill their professional responsibility. The University faculty or staff member responsible for maintaining the requested record is responsible for determining whether a school official has a legitimate educational interest.

C. School Official. A University or CSU system employee or volunteer in an administrative, academic, research or staff position, including law enforcement unit personnel and health staff; an individual or entity with whom the University has contracted to act for the institution or to provide services the institution would otherwise perform for itself, such as an attorney, auditor, or collection agent; an individual, including a student, serving on a CSU System or University committee, such as a disciplinary or grievance committee, or assisting another school official in performing their professional responsibility.

V. IMPLEMENTATION
A. School officials with a legitimate educational interest may access student records. In addition to school officials with a legitimate educational interest, the University may disclose Directory information (defined in Section IV. A), depending on the nature of the request and depending on the release category selected by a student. Students may choose to limit the release of their Directory information as described below:

1. Permit release of all Directory information. Unless restricted by a student, the University may release a student’s Directory information at any time to any requesting party, including the military and for the development of University-affiliated marketing programs. This is the default category for release of information.

2. Permit release only “Verification” information. This sub-category of Directory information consists of a student’s name, class level, enrollment status, major(s), minor(s), degrees and awards received, dates of attendance and University-recognized e-mail address. The University may release this information in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers, the military or insurance companies for verification of degree and enrollment information; for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all University directories, printed or electronic, that the University may produce or publish.

3. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.

B. Students wishing to review their education records must make a written request to the Vice President for Student Affairs. Requested education records as defined by FERPA will be made available for review within 45 working days of the request. Reasonable charges for copy costs will be applied.

C. The University notifies students of their FERPA rights in its course catalog, university website, and annually via electronic mail.

D. Students who believe their rights have been abridged may make a request in writing seeking assistance from the Vice President for Student Affairs, Langsdorf Hall 805, or The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C., 20202-4605.

VI. ACCOUNTABILITY
A. The University will review bi-annually its information practices concerning student records to assess its compliance with FERPA, CSU Executive Order 796 and this directive. The Vice President for Student Affairs is responsible for ensuring the completion of these reviews.

B. Any school official requiring access to student records must meet all training requirements established. This training must be completed prior to access being granted.

C. Individuals who violate this directive are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures.

D. The contact for questions concerning this Directive is the Vice President for Student Affairs or his/her designee.

You MUST bring a current, printed copy of your TDA in order to meet with an academic advisor. Academic Advisement is the home of all Undeclared students, and advises all other undergraduate students in general education and graduation requirements, University policies and procedures, Major Exploration, and referrals to other campus-wide resources.
IMMUNIZATION REQUIREMENTS

#STUDENT ACCOUNT INFORMATION

##FEES AND PAYMENTS
Please go to [http://sfs.fullerton.edu](http://sfs.fullerton.edu) to view a list of current fees.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees.

##EMAIL ADDRESS
Each student has been issued an email address where university messages are sent to you. Student Financial Services uses this email address as the primary communication mode to students. Be sure to check your email on a regular basis. For additional information about your email account, contact the Titan Help Desk at 657-278-7777.

##FEE PAYMENT DEADLINES (ALL STUDENTS)
Check TITAN Online for the date(s) on which you are eligible to register. For questions regarding your registration appointment, please contact Admissions and Records at 657-278-7601. If you have any holds on your accounts, you must resolve them at least three business days before registering.

##TITAN REGISTRATION PAYMENT DUE DATES
TITAN registration allows you to register for class first; however, your payment is due by 11:30 p.m. on the same day you register. If you do not pay your balance in full, you will be subject to disenrollment without notice.

##FINANCIAL AID
Financial aid is not available for students attending the Intersession. Financial aid is available to assist students with costs only during the standard fall, spring, and summer terms.

##IMPORTANT!
- Payments made online via the web are due by 11:30 PM on the date of registration. In-person and mail-in payments are due by 5:00 p.m. on the date of registration.
- The University is not responsible for delays in the US Postal Service: postmarks are not considered.
- You will not receive an invoice for your registration fees. To ensure your fees are paid on time and to avoid disenrollment, please check your student account regularly by logging into Titan Online via your student portal ([http://www.fullerton.edu](http://www.fullerton.edu)) and click on your Titan Online “Student Center”. Select “Account Inquiry” to view any current balances due.
- If you are disenrolled for non-payment, waitlisted students will fill your space in the class and there is no guarantee that space will be available in classes that were dropped.
- Students who register on/after the first day of instruction for any term will be assessed a $25.00 Late Registration Fee.
- For University refund policies and procedures, please go to [http://sfs.fullerton.edu](http://sfs.fullerton.edu).

##FEES AND DEBTS OWED TO THE INSTITUTION
Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt” until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge the student actual and reasonable collection costs, including reasonable attorney fees if litigation is necessary, in collecting any amount not paid when due.

If a person believes he or she does not owe all or part of an asserted unpaid obligation that person may contact the Student Financial Services. Student Financial Services, or another office on campus to which Student Financial Services may refer the person, will review all pertinent information provided by the person and available to the campus, and advise the person of its conclusions.

##REFUND OF FEES
Dropping classes may entitle you to a fee refund.

Please go to [http://sfs.fullerton.edu](http://sfs.fullerton.edu) to view the refund policies.

CAMPUS WIDE IDENTIFICATION NUMBER (CWID) ON CHECKS
All personal checks submitted for any payment to the University by students must include their Campus Wide Identification number. (The TitanCard number is not the student identification number.) Payment by personal check is considered the individual’s approval for the University to write the CWID on the check if it is not already present. If you prefer that your CWID not be written on the check, then payment must be made by cashier’s check, money order, or cash (refer to “Fee Payment Instructions” on page 23 for more information). Your CWID is used to assure credit to the proper account. Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify students and their records including identifying the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the university to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition and related expenses. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

DISHONORED CHECKS
A $25 fee will be charged for all checks or credit card payments returned by your bank, for any reason. The dishonored check or credit card payment plus the $25 fee must be paid with cash, cashier’s check or money order, otherwise, the student may be disenrolled from classes. If the dishonored check or credit card was for payment of registration and tuition fees, the student may be subject to disenrollment from classes.

Students who have two or more dishonored checks posted to their University account (regardless of maker) will lose personal check-writing privileges with the University. All subsequent payments to the University must be made with cashier’s check, money order, or cash (refer to page 23, “Fee Payment Instructions” for additional information).

YOU ARE FINANCIALLY RESPONSIBLE FOR “W” GRADES.

OUTSTANDING BALANCES FROM PREVIOUS SEMESTERS
Payments for previous semesters must be paid and all holds cleared prior to registration. (Refer to “Fee Payment Instructions” on page 23 for more information.)

GRADING STANDARDS IN GENERAL EDUCATION (GE)
- A grade of “C” (2.0) or better is required to satisfy GE requirements in:
  - Oral Communications (category I.A)
  - Written Communications (category I.B)
  - Critical Thinking (category I.C) and
  - Mathematics (category III.A.1)

  [A grade of “C minus” (1.7) or lower is not a passing grade.]

- A grade of “D” (1.0) or better is required to satisfy all other GE requirements. [A grade of “D minus” (0.7) or lower is not a passing grade.]

GRADING STANDARDS IN UPPER DIVISION WRITING REQUIREMENT (UNDERGRADUATES)
- A grade of “C” (2.0) or better is required to satisfy the upper division writing requirement. [A grade of “C minus” (1.7) or lower is not a passing grade.]

GRADE POINT AVERAGE (GPA) REQUIREMENTS FOR UNDERGRADUATES
- An average GPA of at least 2.0 based on all units attempted, including those attempted at other institutions;
- An average GPA of at least 2.0 based on all units attempted at Cal State Fullerton; and
- An average GPA of at least 2.0 based on all units attempted in the major.

[Departments may have additional grading standards in the major - consult your department advisor.]

GRADING STANDARDS IN GRADUATE PROGRAMS
- A grade of “C” (2.0) or better in each course in the graduate study plan. [A grade of “C minus” (1.7) or lower is not a passing grade.]
- A grade of “C” (2.0) or better in course(s) that are used to meet the writing requirement. [A grade of “C minus” (1.7) or lower is not a passing grade.]
- A grade of “B” (3.0) or better in course(s) that are approved for postgraduate or transfer credits.

GRADE POINT AVERAGE REQUIREMENTS FOR GRADUATE STUDENTS
An average GPA of at least 3.0 based on all courses attempted to satisfy requirements for the master’s degree. This average applies to:
- All 400- and 500-level units attempted subsequent to admission to a degree program; and
- All units required on the student’s graduate study plan including transfer courses.

[Departments may have additional grading standards for graduate programs - consult your graduate advisor.]

CREDIT/NO CREDIT GRADING OPTION
For undergraduate students, “Credit” is awarded for work equivalent to all grades which earn 2.0 or more grade points (“A plus” thru “C”). “No Credit” is awarded for work equivalent to all grades which earn less than 2.0 grade points (“C minus” thru “F”).

For graduate students, “Credit” is awarded for work equivalent to all grades which earn 3.0 or more grade points (“A plus” thru “B”). “No Credit” is awarded for work equivalent to all grades which earn less than 3.0 grade points (“B minus” thru “F”).

PLUS/MINUS GRADES AND UNDERGRADUATE TRANSFER ADMISSIONS
In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g. a grade of “B plus” awarded at Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units.

[Departments may have additional grading standards for undergraduate transfer admissions - consult your department advisor.]

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education “certified” by California community college(s) as per CSU Executive Order 1033.
INTERSESSION 2013 REGISTRATION FOR CSUF STUDENTS

THINGS YOU SHOULD KNOW ABOUT REGISTRATION

• Titan Online is available 24/7. You may register beginning at your assigned appointment time with unlimited access until the end of TITAN registration.

• The Class Schedule is online and available 24 hours a day, 7 days a week. The information is up-to-date in real-time.

• Once you have performed any type of registration activity, you should confirm your schedule by printing your schedule from your Student Center.

• All HOLDS must be cleared three (3) business days prior to your registration appointment.

• DEADLINES for adding/dropping classes are listed on page 3 of this registration guide.

• For fee refund information, please go to http://sfs.fullerton.edu.

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the wait list. As space in the class becomes available, your name will advance on the wait list. If enough students drop the course, you may be automatically enrolled from the wait list. Please review How Waitlisting Works and Waitlist Restrictions on the following blue pages.

PAYMENT DEADLINES FOR CSUF STUDENTS

PAYMENT INFORMATION
Be prepared to pay your course fees on the day of registration. Payment must be made on the day of registration. Please refer to page 22-23 for fee payment information.

IMPORTANT NOTE: Students are subject to disenrollment if payment is not received on the day of registration.

TITAN ONLINE REGISTRATION INSTRUCTIONS
Before registering for classes, please read the following instructions carefully.

REQUIREMENTS
Check Titan Online for your registration appointment date/time and for any holds on your record. All holds must be cleared three business days prior to your TITAN appointment. You will access registration via your student portal.

MAXIMUM UNITS
University Limitation
All students are limited to enroll in or waitlist for a maximum of 3 units.

A student, whose academic record justifies a study list of more than 3 units, must request approval. In general, only students with superior academic records are allowed to enroll for more than 3 units. In addition, the need to enroll for extra study must be established. Factors such as time spent in employment or commuting, the nature of the academic program, extracurricular activities and the student’s health should be considered in planning a study program.

A Request For Excess Units form is available in the Admissions and Records Service Center in LH-114.

TITAN PIN
A “one-time use” Personal Identification Number (PIN) is assigned to you, which is a 6-digit number. After accessing your Student Portal with the PIN, you will be asked to create a password. This password will be used for Student Portal access including registration throughout your enrollment at CSUF. If you lose or misplace your password, you must present picture identification at the IT Helpdesk.

TITAN APPOINTMENT
Appointment dates and times for registration are based on class level and on units earned for all participants. The date indicated on Titan Online represents the first date you can access Titan Online to enroll in classes. If you attempt to register before your assigned date and time, you will not be granted access.

HOLDS
Any holds will be listed on Titan Online Student Center. All holds must be cleared three business days prior to your TITAN appointment.

CANCELLED CLASSES
If a class for which you have registered is cancelled by the department, you will be notified by that department. You may attempt to add another class during TITAN registration on or after your appointment time.

GRADING OPTIONS
The default grading option is a letter grade (A, B, C, D, F). Exceptions are those classes offered LTR/GRD only and CR/NC only. To change the default (A, B, C, D, F) option to CR/NC or to change from CR/NC to a letter grade, see worksheet for information concerning grade option changes. For more detailed information on grading options, refer to page 8.

COURSE PREREQUISITES
Some courses have course prerequisites (see Class Notes in the online class schedule) which, if not met, will result in your being unable to register for the course or being dropped by the instructor.

COURSE COREQUISITES
Some courses have course corequisites (see Class Notes in the online class schedule). You must register for the corresponding corequisite during the same registration transaction. Failure to do so may result in your being disenrolled from the course.

TEST SCORE PREREQUISITES
Some courses have test score prerequisites which, if not met, will result in your being unable to register for the course. For more information, go to www.fullerton.edu/testing.

DISABLED STUDENTS
Contact the Disabled Students Services Office (UH-101) if you need assistance with registration. For additional information, call 657-278-3117.
WAITLISTING

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the wait list. As space in the class becomes available, your name will advance on the wait list. If enough students drop the course, you may be automatically enrolled from the wait list.

How Waitlisting Works

- Many classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.
- The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist limits based on department discretion.
- You can waitlist for a maximum of 3 units, provided that the course’s waitlist is not already full.
- You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.
- Students cannot waitlist the same lecture section or the same lab section more than once.
- If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
- Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
- If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
- If you are moved from the waitlist into the class, you will receive an email notification.
- You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class. It is important to check your class schedule and account summary regularly to avoid possible disenrollment due to non-payment of fees due to a newly added class.
- If you are moved from the waitlist into a class, it is your responsibility to drop the class if you decide not to attend. Failure to do so will result in a ‘WU’ grade on your record, which will lower your grade point average.
- There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.
- The online waitlisting feature will cease to function on Thursday, December 20, but the waitlist will be retained for informational purposes for the instructor.
- Faculty may control access to “closed” classes starting with the first day of class via according to academic department procedures.

Waitlist Restrictions

Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless any of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.

2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the wait list if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

3. Enrollment from waitlist will exceed student’s maximum unit limit for the term. Unit limits are viewable in the Student Center under enrollment details.

If you cannot be moved from the waitlist, for any of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class. Check your schedule regularly in your Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.

Cal-Vet Fee Waiver (College Fee Waiver) - The Cal-Vet Fee Waiver covers state-funded tuition, not campus-based fees. Winter Intersession/Open University/Extended Education is not state funded, therefore, the Cal-Vet Fee Waiver cannot be applied to Extended Education Fees.

Veteran Fee Deferment Option - Only veterans who are attending their first semester at CSUF and who are receiving GI Bill benefits are eligible. Please arrange for fee deferments with the Veteran Certification Office (LH-540) at least three (3) business days prior to your Titan registration appointment.

Disabled Students - Contact the Disabled Students Services Office (UH-101) if you need assistance with registration. For additional information, call (657) 278-3117.

Private Company Scholars - Submit an authorization or a purchase order from your employer to the Student Financial Services Office (UH-180) at least three (3) business days prior to your TITAN registration appointment.

Payment Procedure – Be prepared to pay your course fees at the time of registration. Payment must be made by payment due date. Please refer to page 23 for fee payment information.

IMPORTANT NOTE: Students are subject to disenrollment if payment is not received by the payment due date.

Refunds - Please refer “Refund of Fees” on page 22 of this registration guide.
Registration Problems/Questions - If you need assistance with registration, please call the TITAN Help Line (657) 278-7601.

TITAN ONLINE REGISTRATION  
**REGISTRATION HELP LINE**  
(657) 278-7601

OPEN REGISTRATION AND CHANGE OF PROGRAM  
Once registration begins for a particular class level, students in that level may continue to register or change their program until the published registration deadline (page 3) for the appropriate class session.

Note: Class levels (i.e., senior, junior, etc.) are determined by the total number of units earned as currently reflected on your CSUF transcript and units enrolled in at CSUF for fall 2011. This prioritization applies only to those students who are currently officially admitted to CSUF. Transfer work that has not been evaluated or posted to your CSUF transcript cannot be used to calculate class level for this purpose.

Before registering for classes, please read the following instructions carefully.

MAXIMUM UNITS - University Limitation - A MAXIMUM OF 3 UNITS MAY BE TAKEN DURING THE ENTIRE INTERSESSION TERM 2013.  
A student, whose academic record justifies a study list of more than 3 units, must request approval. In general, only students with superior academic records are allowed to enroll for more than 3 units. In addition, the need to enroll for extra study must be established. Factors such as time spent in employment or commuting, the nature of the academic program, extracurricular activities and the student’s health should be considered in planning a study program.

A Request For Excess Units form is available in the Admissions and Records Service Center in LH-114 beginning October 24th.

LATE REGISTRATION  
Late registration is defined as registration that occurs on or after the first day of the session. Late registration requires an electronic permit from the department, payment of a late registration fee, and immediate payment of fees. Open University students require a paper add permit.

CLOSED CLASSES  
When classes meet the established enrollment limit, they are closed. You may waitlist a course if the option is available (see Waitlist, page 33). Additional enrollments can be accepted into a closed class only with an electronic permit from the department. Open University students require a paper add permit.

DROPPING CLASSES  
If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow and complete the appropriate procedures for dropping the class.

DEADLINES  
Deadlines for adding/dropping classes and refund of fees are published on page 3 of this registration guide. See page 45 for Open University deadlines.

### Editing a Class

To make a change to the grading option or number of enrolled units of a variable unit class after you are already enrolled in the class, use the Edit function.

#### Step 1:
Select the Edit function and then select the class you want to edit from one of those listed in the “classes you are allowed to edit” section.

Editable classes include only those classes where you could change the grading option or variable units enrolled.

#### Step 2:
If the grading option can be changed, you will see a drop-down menu for the “Grading” option to select a different grading option.

If the units can be changed, you will see a drop-down menu for the “Units” option to select a different number of units.

After making your change(s), click on Next to continue.

In this example, the student opted to change the number of enrolled units from 1.00 to 2.00 and then clicked Next.

#### Step 3:
Click Finish Editing to complete the change or Cancel to leave the enrollment unchanged.
Open University enrollment provides an opportunity for people who are not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes.

**ELIGIBILITY**

Open University enrollment is available to:

- The public
- International students with an I-20 from another institution, provided they receive authorization from their institution’s Designated School Official (DSO)
- Students disqualified (DQ) from Cal State Fullerton.

Open University enrollment is not available to:

- All applicants, regardless of citizenship, who have not attended a school at the secondary level or beyond in which English was the principal language of instruction for at least three years, are required to score above the minimums on the Test of English as a Foreign Language (TOEFL). Verification of the TOEFL score must be presented when registering. See www.fullerton.edu/admissions/ProspectiveStudent/International.asp for more information.

**COURSE REQUIREMENTS AND GRADES**

- Students are required to participate fully and meet all class requirements and prerequisites, which may include standard examinations.
- Grades earned through Open University enrollment become a part of the student’s official university academic transcript. For instructions on obtaining transcripts, go to www.fullerton.edu/admissions/FormerStudent/Transcripts.asp.

**KEY POINTS**

- A maximum of 24 credits earned through Open University enrollment may count toward a bachelor’s degree. Credits earned through Open University may not be used to fulfill the residence requirement (30 semester units) for a bachelor’s degree. For graduate degrees, normally 6 to 9 units of approved credits earned through Open University enrollment may apply, but for degrees which require more than 30 units, more units of credit may apply. Please consult the graduate advisor for the degree program.
- Enrollment is on a space available basis and is determined at the time of registration, and does not constitute admission to the university.
- CSUF disqualified students can enroll in a maximum of 3 units during Intersession.

**OPEN UNIVERSITY FEES**

- $320 per unit
- $25 consolidated course fee
- $4 Titan Card activation fee
- $25 late registration fee (per transaction)
