### REFUNDS

Please go to [http://sfs.fullerton.edu/refunds/default.asp](http://sfs.fullerton.edu/refunds/default.asp) to review the refund policies.

Refunds are pro-rated on a decreasing basis through 60% of the session. If enrolled in multiple sessions, the 60% will be based on the total time the student attends summer term. (Note: This is for students who withdraw from all courses during the term).

Although this registration guide was prepared on the basis of the best information available at the time, all information is subject to change without notice or obligation. This university does not guarantee the availability of a particular course or section. Enrollment is permitted only until the maximum number of students in a section has been enrolled.
IMPORTANT NOTICES TO ALL SUMMER STUDENTS!

EARLY START PROGRAM
Entering freshmen who are not proficient in math or “at risk” in English as determined by ELM and EPT scores, will need to start the remediation process the summer before their first term. All new freshmen students who have not demonstrated college-readiness in mathematics and/or English will need to begin remediation in either or both the summer before the start of their first term.

The goals of the Early Start Program are to:

• Prepare students better in math and English, before the fall semester of freshman year;
• Improve students’ chances of successful and timely completion of a college degree.

All new freshman students will be required to participate in the Early Start Program if their ELM score is less than 50 and/or their EPT score is less than 147. Newly admitted freshman students who are required to complete Early Start will be notified of the requirement and options for completing the program as part of campus communications to newly admitted students.

For additional information about the Early Start Program go to: www.fullerton.edu/admissions/prospectivestudent/earlystartcourses.asp

ENGLISH AND MATH REMEDIATION
Each California State University campus is responsible for ensuring that entering students take the English Placement Test (EPT) and Entry Level Mathematics Examination (ELM) unless they are exempt from the requirement(s). Based on the test results, those students requiring remedial instruction will be placed in the appropriate remedial classes during their first semester on campus. By taking the appropriate remedial classes in the first semester, students will be better prepared to meet the challenges of their later course requirements. Remedial classes include ESM 30A, ESM 40, ESM 45, ESE 99 and ESE 100/100W (summer only). Transfer students can qualify for an exemption by completing and transferring to CSUF a college course that satisfies the General Education - Breadth or Intersegmental General Education Transfer Curriculum (IGETC) quantitative reasoning requirement, provided such course was completed with a grade of “C” (2.0) or better.

SPECIAL OPPORTUNITY FOR ENGLISH REMEDIATION
A special opportunity for summer school students only! The English Department will be offering a limited number of sections of ESE 100/100W—Analytical College Writing. This 4-unit course (3 unit “lecture” and 1 unit workshop) is intended for students who score between 138 and 146 on the English Placement Test; and are either exempt from ESP math or eligible for MATH 45 (ELM 36-48); and would like to use the summer to complete their lower-division writing requirement while earning units toward graduation.

Not only will students who pass this summer course be done with their lower division writing, they will have earned three units toward graduation (units from English 99 are not applied to graduation). Those students who wait until the fall, will be required to take English 99 AND English 101 in order to complete the same requirement.

UPDATE YOUR CONTACT INFORMATION
You are required to keep your mailing address, e-mail address, and phone number current with the University to ensure that you receive all University communications. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. Address changes can be made in your Student Center through Titan Online. For additional information about parking permits, call (657) 278-3082.

E-MAIL ADDRESS
Each student has been issued an e-mail address where University messages will be sent. For additional information about your e-mail account, contact the IT Helpdesk at (657) 278-7777. You will need your campus wide identification (CWID) and personal identification (PIN) numbers for Titan Online access. If you lose or misplace your password, you must present picture identification at the IT Helpdesk. Many campus offices have begun utilizing e-mail as the primary communication mode of communication to students. Be sure to check your e-mail on a regular basis.

UNDERGRADUATE ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester, well in advance of registration. Advisers in each major department and in the Academic Advisement Center (UH-123B) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT
Academic Advisement is the academic home of the undeclared student. All undergraduate students may obtain information about the CSUF general education curriculum and degree requirements by visiting the Academic Advisement Center in UH-123B. Advising is offered on a walk-in basis Monday through Friday and all students must bring a recent printed copy of their Titan Degree Audit (TDA) to meet with an academic adviser.

MAJOR ADVISEMENT
Students who have declared a major should consult their departmental adviser well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate advisement office.

ACADEMIC AND ADMINISTRATIVE INFORMATION

ACADEMIC DISHONESTY
Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned.

An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair, and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentations for action that he or she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designee may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor's Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of the catalog.

ACADEMIC FREEDOM AND RESPONSIBILITY
The Academic Senate of California State University, Fullerton, endorses the 2009 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS
If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from the Student Health and Counseling Center. If you are unsure of a career, you should consult with the Career Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Appeals, Financial Aid, the Women's Center/Adult Reentry, Dean of Students, the Writing Center, the Academic Advisement Center, and the Office of Admissions and Records.

AUDITING
The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on page 2 of this registration guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

BICYCLES AND SKATEBOARDS ON CAMPUS

CAMPUS WIDE IDENTIFICATION NUMBER
Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus wide ID number (CWID). The CWID will be used in conjunction with the student’s password to access the TITAN Online Student Center. All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number to be used in conducting university business and making academic inquiries.

CLASS ATTENDANCE
While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the session.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within twenty-four hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class should attend all class meetings the first week (five class days). If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLASS LISTING
The Summer Session 2014 class listing (schedule of classes) is available online in your Titan Online Student Center or at www.fullerton.edu/schedule. An explanation of the codes used in the online class listing is on page 30 of this registration guide.

COURSE OUTLINES
Course Outlines, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the University catalog, must be provided to students in writing within the first five days of instruction. Course outlines shall give detailed information on the following matters:

1) Course material to be covered (e.g., reading list);
2) The grading policy for the course;
3) Class assignments (e.g., term papers-length, due date, projects); and
4) Examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations;
5) Required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, “software”, artistic materials, scientific apparatus, etc.

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair.

DEGREE CANDIDATES
Candidates for the baccalaureate must file an application for a graduation check one year (two semesters) prior to the semester in which they anticipate completing all requirements for a degree. The form is available on your Student Center under “self service.” Complete information and instructions about the entire graduation check process for undergraduates is available on the university website under “Graduation.”
Candiates for January 2015 master’s degrees must pay the graduation and diploma fee and file a request for a graduation check on or before Tuesday, September 9, 2014. The form to accomplish this is available on your student center under “self service.”

A change in anticipated date of graduation may be reported by filling the necessary form with the Graduation Unit (LH-114) for undergraduate students, and with the Graduate Studies Office (MH-112) for graduate students.

**FINAL EXAMINATIONS**
During the summer sessions, the final is held on the last day of class or as noted on the course syllabus.

**GRADE OPTIONS**
The University uses a combination of traditional and nontraditional grading options as follows:

- **Traditional**

- **Nontraditional**
  - CR - C (2.0) grade or better in undergraduate courses;
  - B (3.0) or better in graduate courses
  - NC - No credit

Students may indicate the grading option for each course when they register. They have until the deadline published on page 2 of this registration guide to change an option. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor, and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designated by the faculty to be graded Ltr Grd Only or CR/NC only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading option. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. Only specific graduate courses are approved for CR/NC grading for the master’s degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

**ADVISORY CAUTION**
Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade basis and not credit/no credit.

**INCOMPLETE AUTHORIZED (I)**
The symbol “I” (incomplete authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An Incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an “IC” symbol or an “NC” unless the faculty member assigns a specific letter grade based on the work completed by the deadline. Therefore, “I” grades that were earned for the fall 2013 semester must be completed by January 5, 2015. “I” grades assigned at the end of the spring 2014 semester must be completed by May 22, 2015.

The “IC” symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of “I”, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.

The statement of requirements will include an indication of the quality of the student’s work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the incomplete grade rests with the instructor.

**INDEPENDENT STUDY**
If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for the independent evaluation of the independent study.

You may not take more than 6 units of independent study at the undergraduate level in a given semester or apply more than 9 units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than 6 units of independent study toward completion of a graduate degree.

Lower division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.

**INTERNSHIPS & SERVICE-LEARNING**
**Location: LH-206**
The Center for Internships & Community Engagement (CICE) was established to offer students the opportunity to formally integrate academic knowledge with practical experiences in business, nonprofit and governmental organizations. Through the application of theory and skills learned in the classroom, students are able to expand their knowledge, evaluate the results of their actions in real world environments and learn social responsibility. Additionally, experiential learning helps prepare students for their entry into the job market. Included in the many benefits of Internship and Service-Learning experiences are opportunities to:

- Gain work and service experience
- Network and develop industry contacts
- Solidify academic and career goals
- Earn money while learning
- Explore career options within a major course of study
- Earn academic credit

Students should refer to the CICE website for further details on enrollment in Internship and Service-Learning classes and the opportunities available to them. Executive Order 1074 Systemwide Policy Prohibiting Discrimination, Harassment, and Retaliation Against Students AND Systemwide Procedure for Handling Discrimination, Harassment and Retaliation Complaints by Students - was established in compliance with the California Equity in Higher Education Act, California Education Code Sections 66250 et seq., among other applicable state and federal laws. It is the policy of the California State University (CSU) that no student or applicant for admission as a student shall, on the basis of protected status, be unlawfully excluded from participation in or be denied the benefits of any CSU program or activity. Nor shall a student or applicant for admission as a student be otherwise subjected to unlawful discrimination, harassment, or retaliation for exercising any rights under this executive order.

Discrimination is prohibited by Title VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 508 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, Title II, the Americans with Disabilities Act of 1990 and Age Discrimination Act of 1975, including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

Employees and students who violate this policy may be subject to employee discipline. If discipline is appropriate, it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies, and legal requirements. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations and Executive Order 1073 or any superseding executive order, if applicable.

OPEN UNIVERSITY ENROLLMENT
Open enrollment provides an opportunity for people who are not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes. Registration is on a space-available basis at the start of the semester and students must meet stated prerequisite requirements. Information is available from University Extended Education (UEE) in CP-100 or at www.ou.fullerton.edu. Open University students are required to contact UEE Academic Advisers Lyn Richie-Walker, lritchie-walker@fullerton.edu (UH-123, 657-278-7645) or Margaret Luzzi, mluzzi@fullerton.edu (CP-100, 657-278-7644) prior to registering.

A maximum of 24 credits earned through open university may count toward a bachelor's degree. Credit earned through Open University may not be used to fulfill the residence requirements (30 semester units) for a bachelor's degree. For graduate degrees, normally 9 units may apply. Please consult the graduate department adviser. Disqualified (DQ) undergraduate students may not enroll in more than six (6) units per academic term. Participation in Open University enrollment does not constitute admission to the university.

REPEAT POLICY
Grade Forgiveness (16-unit limit): An undergraduate student may repeat up to 16 units of course work with ‘Grade Forgiveness’. This category of repeat is used for grades of C- (1.7) or lower. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7), only the most recently earned grades and grade points shall be used in the GPA calculation for the first 16 units repeated. In exercising this option, an undergraduate student must take and repeat the course at this campus, and should request application of this policy after the course has been repeated. This is accomplished by submitting the appropriate form (available in Admissions and Records), immediately following the term in which the course has been completed, so that the student’s grade point average can be revised.

Grades Averaged (12-unit limit): An undergraduate student may repeat up to 12 units of course work with ‘Grades Averaged’, beginning Fall 2009 forward. Under this category of repeat, both grades are calculated into the student’s GPA.

Maximum repeat limit (28 units): The 16 units of ‘Grade Forgiveness’ and the 12 units of ‘Grades Averaged’ comprise the maximum repeat limit of 28 units for an undergraduate student.

Regulation against repeat of courses with ‘C’ grade or better: Undergraduate students may not repeat a course in which a grade of ‘C’ or better has already been earned. This does not apply to those courses noted in the university catalog as “may be repeated for credit.”

Regulation against repeat of a course with an ‘I’ currently on record: A student may not re-enroll in a course for which he or she has received an ‘I’ until the ‘I’ has either been assigned a final grade, or been converted to an ‘IC’.

SEXUAL HARASSMENT POLICY
It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and the California Education Code 89535. CSU Executive Order 1089, “Systemwide Policy on Prohibiting Harassment in Employment and Retaliation for Reporting Harassment or Participating in a Harassment Investigation,” as well as Executive Order 1074, “Systemwide Policy Prohibiting Discrimination, Harassment, and Retaliation Against Students” and “Systemwide Procedure for Handling Discrimination, Harassment and Retaliation Complaints by Students,” also prohibit sexual harassment within the CSU system. The university will not tolerate sexual harassment and will take action to eliminate such behavior. Information concerning campus sexual harassment policies and procedures can be obtained from the University’s Title IX Coordinator, CSUF, College Park, Suite 760, Fullerton, CA 92834-6806, 657-278-4684.

SMOKING POLICY

I. DIRECTIVE

California State University, Fullerton is committed to a healthy and productive environment. As such, and in light of well-established health risks associated with exposure to secondhand smoke, California State University, Fullerton prohibits smoking in all interior and exterior campus areas and locations effective August 1, 2013 as specified below:

- Buildings (including residence halls), structures (including parking structures), and outdoor areas owned, leased or rented by the university or one of its auxiliaries whether located on or off the Fullerton main campus.
- Vehicles owned, leased or rented by the university or one of the university’s auxiliaries.
- Vehicles on university-owned, leased, or rented land or in university-owned, leased, or rented parking structures.

The sale or distribution of any tobacco product, including smokeless tobacco products, also is prohibited. Additionally, sponsorship of a university activity or event by a tobacco product manufacturer is prohibited unless explicitly authorized in writing by the university president or designee.

II. AUTHORITY

The California State University Board of Trustees has delegated authority to campus presidents to adopt rules regulating smoking on campuses. The State of California prohibits smoking in all public buildings and other enclosed areas of employment. Authority to issue this Policy is based on Title 5, California Code of Regulations, Section 42356; and California Government Code Section 7597.

III. SCOPE

This policy applies to all university faculty, staff, students and visitors to all interior and exterior campus areas and locations identified in Section I.

Smoking in university-sponsored theater and dance productions, student-authored or sponsored scenes, showcases or workshops produced as part of the department of theatre and dance season may be authorized by the Dean of the College of the Arts only when listed in a script as a required part of a performance. Smoking in Associated Students-sponsored performances may be authorized only when listed in a script as a required part of a performance and only when approved in writing by the Dean of the College of the Arts or the Executive Director of the Associated Students, as appropriate. Additionally, notification to the university president or designee must be provided by the Dean or Executive Director in advance of the performance.

IV. DEFINITIONS

“Smoking” is defined as inhaling, exhaling, burning, or carrying a lighted cigarette, cigar, pipe or other lighted smoking product, including electronic cigarettes. “Visitors” include university volunteers, contractors and vendors.

V. IMPLEMENTATION

The Vice President for Human Resources, Diversity and Inclusion has overall responsibility for implementing this policy. To provide adequate time to create awareness, outreach, and educational programs, including smoking cessation and counseling programs, this policy is effective August 1, 2013 and supersedes all previous university smoking policies. Prior to this effective date, the previous university smoking policy will remain in effect.

The Office of Environmental Health and Safety will collaborate with the following entities to provide faculty, staff, students and visitors with notice of this policy through signs, presentations, and publications, and to develop tobacco education programs, smoking cessation programs, and other suitable outreach and counseling programs.

- Student Health and Counseling Center
- Human Resources
- Faculty Affairs and Records
- Strategic Communications
- Dean of Students
- International Education and Exchange

VI. ACCOUNTABILITY

The success of this policy depends on the thoughtfulness, civility and cooperation of all members of the campus community, including visitors. Compliance is grounded in an informed and educated campus community. Incidents related to this policy will be addressed through applicable administrative processes. Questions may be directed to the Director of Environmental Health and Safety or the Director of University Risk Management.

SOCIAL SECURITY NUMBER

Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The Social Security number also is required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide identification number (CWID) as the student’s account number. For more information on CWID see page 7. A student’s TitanCard number is not his or her identification number.

Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or, when appropriate (other than mail-in or drop-off registration), cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY

The stop-out policy allows undergraduate students and post-baccalaureate unclassified non-credential graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton.

TRANSCRIPTS
A single copy of a transcript requires a fee of $4 paid in advance. (Additional transcripts prepared at the same time are $2 each). Because of the large number of transcripts requested at the end of each regular semester, three weeks should be allowed for requests to be processed. At other times, transcript requests are processed within 3-5 working days, as a general rule. Transcript request forms are available at the Admissions and Records Service Center, LH-114. Immediate, over-the-counter transcript service cannot be provided except on an emergency basis. Transcripts may be ordered online 24/7 and paid for with your credit card through the National Student Clearinghouse. Current degree seeking students can access the National Student Clearinghouse via the student portal. Students without a secured student portal may access the service at www.studentclearinghouse.org.

UNIT LIMITS
A maximum of 16 units may be taken during the entire summer term.

VETERANS
New, returning, and transfer student veterans should consult the Veterans Certification Office to complete necessary documents to receive VA benefits. Call (657) 278-2373 for hours a representative is available.

Guest Students: Veterans who are not working toward a Cal State Fullerton degree and would like to take courses as a guest student should contact the Veterans Certification Officer at their parent institution for instructions on becoming a guest student. Once a parent institution letter has been obtained, Veterans should contact University Extended Education (657) 278-3313 for certification.

Please note that the Cal Vet Fee Waiver cannot be applied towards Summer Session Registration fees.

VOLUNTARY STUDENT HEALTH INSURANCE
Students wishing to obtain voluntary student health insurance may do so at the Associated Students Office. Although neither CSUF nor the Associated Students Office can endorse any particular policy, the staff does negotiate for a policy that offers the best coverage at the lowest possible cost. Students should seriously consider health insurance since it enables them to obtain needed medical services without having to be concerned about the rising cost of medical services. The staff of the Associated Students Office will be please to answer any questions about the insurance policy (657) 278-2401.

WITHDRAWAL LIMIT
Undergraduate students will be limited to a maximum of 18 units of withdrawals (“W” on transcript) during their CSUF career. “W’s” earned prior to Fall 2009 will remain on the record but will not be counted toward the unit cap. (See www.fullerton.edu/admissions. Under “Resources,” click on “Frequently Asked Questions”).

WITHDRAWAL UNAUTHORIZED (WU)
The grading option chosen by the student at the time of registering for a course depends on how the course is being offered. Some courses are offered as “letter grade only”, some as “credit/no credit only”, and there are other courses that offer the student a choice of either “letter grade” or “credit/no credit”. Students who discontinue course participation without filing an official, approved withdrawal form with the registration office shall be considered to have withdrawn unofficially from the course. Such action by the student in a class taken for a “letter grade” may result in a “WU”, which is equivalent to an “F” in the GPA calculation. In a case taken “credit/no credit”, an assigned “WU” would be recorded as an “NC” on the student’s transcript, which does not impact the GPA calculation. In either case, students will be held responsible for fees in classes resulting in “WU” or “NC” on record, and will be billed for fees not yet paid for these classes.

Students may petition for retroactive withdrawal from individual courses or from an entire semester by using the retroactive withdrawal petition process. However, this process has specific requirements and deadlines for submitting a petition, and a strict requirement for providing independent written documentation (from a source other than the student) to verify the serious and compelling circumstances that resulted in the student receiving a WU. The preferred period for submitting these petitions is by the fourth week of the semester immediately following the term being petitioned. For students who do not meet this deadline, there is an extension period for submitting petitions:

- If you have graduated from CSUF, no later than 12 months from your date of graduation.
- If you have not graduated from CSUF, no later than five years from the semester being petitioned.

All retroactive withdrawal petitions are individually reviewed and can be either granted or denied. If it is determined that retroactive withdrawal is justified, a grade of W will be assigned and the negative effect of the WU grade will be removed from the grade point average. If a W is granted by retroactive petition, a decision will be made at the time of review as to whether the W will be counted or not counted in the 18-unit limit. Petition forms are available at the Admissions and Records Service Center, LH-114 or online at www.fullerton.edu/admissions/currentstudent/petitions.asp.

WITHOLDING OF SERVICES FOR NONPAYMENT OF DEBTS
The Board of Trustees has authorized the withholding of certain services for nonpayment of debts owed the University. Debts include unpaid obligations for loans, services, use of facilities or equipment, materials, food or merchandise. Services which may be withheld include permission to register in a subsequent term, use of facilities, and other services or materials for which a fee is authorized to be charged (i.e. transcripts, parking, lab fees, etc.).
I. DIRECTIVE
The Family Educational Rights and Privacy Act (FERPA) and California State University Executive Order 796 (“EO 796”) afford students the right to inspect and review their education records; request amendment of an education record believed to be in error or misleading; limit disclosure of personally identifiable information contained in an education record; and file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with FERPA. Should a conflict arise between FERPA or EO 796 and this directive, FERPA or EO 796 will take precedence.

II. AUTHORITY

III. SCOPE
This directive applies to the records of any student who is attending or has attended the University. They do not apply to records of applicants for admission who are denied acceptance or, if accepted, do not attend the University.

IV. DEFINITIONS
A. Directory Information. A student’s name, date and place of birth, permanent and local address, University-recognized e-mail address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, dates of attendance and University-recognized e-mail address. The University may release this information in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers, the military or insurance companies for verification of degree and enrollment information; for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all University directories, printed or electronic, that the University may produce or publish.

B. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.

V. IMPLEMENTATION
A. School officials with a legitimate educational interest may access student records. In addition to school officials with a legitimate educational interest, the University may disclose Directory information (defined in Section IV. A), depending on the nature of the request and depending on the release category selected by a student. Students may choose to limit the release of their Directory information as described below:

1. Permit release of all Directory information. Unless restricted by a student, the University may release a student’s Directory information at any time to any requesting party, including the military and for the development of University-affiliated marketing programs. This is the default category for release of information.

2. Permit release only “Verification” information. This sub-category of Directory information consists of a student’s name, class level, enrollment status, major(s), minor(s), degrees and awards received, dates of attendance and University-recognized e-mail address. The University may release this information in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers, the military or insurance companies for verification of degree and enrollment information; for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all University directories, printed or electronic, that the University may produce or publish.

3. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.

B. Any school official requiring access to student records must meet all training requirements established. This training must be completed prior to access being granted.

C. The University notifies students of their FERPA rights in its course catalog, university website, and annually via electronic mail.

D. Students who believe their rights have been abridged may make a request in writing seeking assistance from the Vice President

VI. ACCOUNTABILITY
A. The University will review bi-annually its information practices concerning student records to assess its compliance with FERPA, CSU Executive Order 796 and this directive. The Vice President for Student Affairs is responsible for ensuring the completion of these reviews.

B. Any school official requiring access to student records must meet all training requirements established. This training must be completed prior to access being granted.

C. Individuals who violate this directive are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures.

D. The contact for questions concerning this Directive is the Vice President for Student Affairs or his/her designee.
GENERAL EDUCATION REQUIREMENTS

General Education courses are required at CSUF as a necessary and integral part of your University education. They are the foundation on which each and every major is built, and have been specifically designed to provide exposure to current thinking and scholarship. Students’ success in the global socio-economic climate will be determined by the ability to research, analyze and apply universally accepted principles in areas beyond those learned in their majors. These courses serve as the stepping stones to a lifetime of growth; personally, professionally and academically.

UNIT REQUIREMENTS

51 total units including:

- 9 units upper division taken as a junior or senior
- 9 units in residence at CSUF
- 3 units in cultural diversity (courses marked with an asterisk*)
- Limited to either 9 units or 3 courses from a single department, excluding courses in GE Area A, Core Competencies
- Each course counts in only one GE Area, except those meeting Area Z, Cultural Diversity

ACADEMIC STANDARDS

- Letter grade required
- “C” (2.0) or better in Areas A1, A2, A3, and B4, thus, a grade of C- (1.7) is not sufficient to fulfill these requirements (Note: A grade of “C minus” will not satisfy GE requirements in these four Areas) A grade of “D” (1.0) or better is required to satisfy ALL other GE requirements (a grade of “D minus” (.7) is not a passing grade).
- CR/NC allowed if it is the only grade option available

COURSES IN YOUR MAJOR

- Courses offered by the department of the student’s major may NOT be used to fulfill the requirements of Areas B, C, D, E or Z with the exception of areas offering choices from only one department.
- Courses that are cross-listed meet general education requirements for all majors except those in the home department of the cross-listed course. The home department is the one under which the course description appears in the catalog and is indicated with an underline in the GE list in the registration guide. For example, African American Studies is the home department for African American Studies 311/Human Services 311; therefore, it cannot be used by African American Studies majors to meet GE requirements.
- Upper division courses offered by the department of the student’s major may not be used for GE credit.
- Upper division GE courses are not applicable for graduate degree credit, regardless of the student’s major or the department offering the course.

IMMUNIZATION REQUIREMENTS
By direction of the California State University Chancellor, the following immunization requirements must be completed by the end of a student's first semester. Students will be unable to register for class for their second semester until both requirements are met. Students who have graduated from a California High School in 2005 or later have fulfilled both requirements.

1. Measles and Rubella: All students must show proof of immunization against Measles and Rubella if they were born after January 1, 1957.

2. Hepatitis B: Students under the age of 19 on the census date must show proof of immunization against Hepatitis B (Census date is 4 weeks after the beginning of the semester).

MEETING THE REQUIREMENT
To fulfill the requirement, a student must do one of the following:

1. Bring in written proof of immunization from a doctor, clinic, military record or school record to the Student Health and Counseling Center, or fax it with your name, phone number, and Campus-Wide Identification (CWID) number to (657) 278-3069. Please check Titan Online to ensure your hold has been removed.

2. Obtain the vaccination from your private medical office, the County of Orange Health Care Agency, or the Student Health and Counseling Center (SHCC). To receive the vaccination at SHCC, schedule an appointment. There is a charge. To schedule an appointment and/or to inquire about the fees, please call (657) 278-2800. Appointments may also be scheduled online at www.fullerton.edu/shcc. During registration there is a high demand for vaccinations, so please plan accordingly.

3. Obtain lab tests for immunity if you think you have had the disease or the immunization but do not have proof (Titer). This can be done by your personal physician or at the SHCC for a fee.

IMMUNIZATION WAIVERS
Permanent or temporary waivers may be granted to some students after appropriate approval:

- If you are pregnant or think you may be pregnant, provide a signed doctor/clinic note with your expected due date and complete a temporary waiver form.

SUMMER 2014 REGISTRATION FEES

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees.

ALL UNDERGRADUATE STUDENTS, CREDENTIAL AND GRADUATE STUDENTS

Please go to http://sfs.fullerton.edu/feeinformation/default.asp to view a list of current fees.

FEE PAYMENT INSTRUCTIONS

ALL STUDENTS

Check Titan Online for the date(s) on which you are eligible to register. For questions regarding your registration appointment, please contact Admissions and Records at (657) 278-7601. If you have any holds on your accounts, you must resolve them at least three (3) business days before registering.

Do not sign up for an Installment Payment Plan until after you register for classes, or your account will not calculate your fees correctly.

TITAN REGISTRATION PAYMENT DUE DATES

4/04/2014 THROUGH 6/01/2014

TITAN registration online allows you to register for classes first and then make a payment. Payments are due within 3 days after you register. If you do not pay your balance in full within 3 days, you will be subject to disenrollment without notice.

6/02/2014 AND AFTER

TITAN registration continues to allow you to register for classes first; however, your payment is due immediately on the same day you register. If you do not pay your balance in full on the same day you register, you will be subject to disenrollment without notice.

Payments made online via the web are due by 11:30 PM on the due dates given by TITAN Online (Web Registration). In person and mail-in payments are due by 5:00 PM on the date given by TITAN Online after registering.

THIRD PARTY CONTRACTS/SPONSORED STUDENTS

If an embassy or other organization will pay your registration and tuition fees, you must submit a current letter of financial guarantee or voucher to University Extended Education, College Park 100 at least three (3) business days prior to your TITAN registration appointment. If this letter or voucher is not received prior to your registration appointment, you are responsible for paying your fees and will be subject to disenrollment if your payment is not received by the deadlines specified above.

IMPORTANT!

• You will not receive a billing statement for your registration fees. You may view your student account balance at any time by logging on to Titan Online via your student portal.
• The University is not responsible for delays in the U.S. Postal Service; postmarks are not considered.
• You may be subject to disenrollment from ALL of your classes if your payment is not received by the due date. If you switch from part-time (0-6 units) to full-time (7+ units), you must pay your fees by the due date. If not, all your classes are subject to disenrollment. Be sure to check your email on a regular basis.
• A $25.00 Late Registration Fee will be assessed for students who register on or after the first day of each Summer session.

FEES AND DEBTS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt” until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge the student actual and reasonable collection costs, including reasonable attorney fees if litigation is necessary, in collecting any amount not paid when due.

If a person believes he or she does not owe all or part of an asserted unpaid obligation that person may contact the Student Financial Services. Student Financial Services, or another office on campus to which Student Financial Services may refer the person, will review all pertinent information provided by the person and available to the campus, and advise the person of its conclusions.

REFUND OF FEES

Dropping classes may entitle you to a fee refund.

Please go to http://sfs.fullerton.edu/refunds/default.asp to view the refund policies.

**MISCELLANEOUS INFORMATION**

**CAMPUS WIDE IDENTIFICATION NUMBER (CWID) ON CHECKS**

All personal checks submitted for any payment to the University by students must include their Campus Wide Identification number. (The TitanCard number is not the student identification number.) Payment by personal check is considered the individual's approval for the University to write the CWID on the check if it is not already present. If you prefer that your CWID not be written on the check, then payment must be made by cashier's check, money order, or cash (refer to “Fee Payment Instructions” on page 22 for more information). Your CWID is used to assure credit to the proper account. Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify students and their records including to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the university to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition and related expenses. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

**DISHONORED CHECKS**

A $25 fee will be charged for all checks or credit card payments returned by your bank, for any reason. The dishonored check or credit card payment plus the $25 fee must be paid with cash, cashier's check or money order, otherwise, the student may be disenrolled from classes. If the dishonored check or credit card was for payment of registration and tuition fees, the student may be subject to disenrollment from classes.

Students who have two or more dishonored checks posted to their University account (regardless of maker) will lose personal check-writing privileges with the University. All subsequent payments to the University must be made with cashier's check, money order, or cash (refer to page 22, “Fee Payment Instructions” for additional information).

**YOU ARE FINANCIALLY RESPONSIBLE FOR “W” GRADES.**

**OUTSTANDING BALANCES FROM PREVIOUS SEMESTERS**

Payments for previous semesters must be paid and all holds cleared prior to registration. (Refer to “Fee Payment Instructions” on page 22 for more information.)

**FINANCIAL AID**

**SUMMER PROGRAMS**

Limited funds are available for summer enrollment. If you were enrolled through the main campus of CSUF during the fall 2013 and/or spring 2014 semester(s) and you did not receive the maximum annual Federal Pell Grant or Federal Loans, you may be eligible to receive the unused portion for your summer costs. If you have not received the maximum Pell payment for fall 2013 and spring 2014, and enroll in at least 6 units for summer, you may be eligible for an additional Pell payment. A limited amount of grant funds (Summer Session Grant) is available for students whose Expected Family Contribution (EFC) for 2013-14 was 0. See the section below under “Enrollment Requirements” for more details. Eligibility is contingent on your meeting eligibility criteria for each aid program.

**QUALIFICATIONS**

If you are a continuing CSUF student, you must have a valid Free Application for Federal Student Aid (FAFSA) on file at CSUF. Your summer eligibility will be based on your 2013-14 FAFSA data. Federal loans will be available only if you have remaining annual loan eligibility after spring 2014.

**APPLICATION PROCESS**

There is no separate application that must be filed as summer aid eligibility is based on the student’s valid 2013-14 FAFSA data and any remaining eligibility for Pell Grant or loan funds. Students who are determined eligible for the Summer Session Grant will be notified of their eligibility via campus email. Students who have remaining loan eligibility (they have not borrowed their annual loan limit for 2013-14) should submit the Summer Loan Request Form located at the CSUF Financial Aid Office website. Complete procedures for summer aid are available beginning in March 2014 at the CSUF Financial Aid website [www.fullerton.edu/financialaid](http://www.fullerton.edu/financialaid).

**ENROLLMENT REQUIREMENTS**

Minimum enrollment to receive a loan is six (6) units. Minimum enrollment to receive a Federal Pell Grant is determined by your Expected Family Contribution (EFC). Summer Session Grant recipients must be enrolled in a minimum of six units. Summer Session Grant funds will be awarded first to upper division students who meet the eligibility criteria. Due to the limited pool of resources, it is unlikely that current Freshmen and Sophomores will be able to be considered for the Summer Session Grant.

**REGISTRATION AND TUITION FEES**

At the completion of your TITAN registration, if your financial aid award is not yet determined or if it is insufficient to pay your full fees, you will be instructed of the amount due and the due date. If your financial aid award amount is sufficient to pay your full fees, your fees will be paid automatically when your financial aid is disbursed.

**FINANCIAL AID DISBURSEMENT**

In most cases, payment will be issued once your first summer session course has begun. If you have any funds remaining after your summer registration and tuition fees have been credited, a balance check or direct deposit will be issued to you.
WITHDRAWALS
If you receive a Federal Pell Grant for summer 2014 and you drop one or more classes before the end of the session, you may be required to repay part or all of the Federal Pell Grant funds you received. If you receive Federal Pell Grant or Federal Loan for summer 2014 and you withdraw from all courses before the 60% point of the term, we will calculate the portion of financial aid you “earned” based on the number of days you were enrolled. You may be required to repay a portion of the funds you received and the University may be required to refund a portion of your fees to one or more federal aid programs.

SATISFACTORY ACADEMIC PROGRESS
To maintain eligibility for financial aid, you must demonstrate satisfactory academic progress by completing the courses in which you enroll and earning a passing grade in each course. Refer to the Satisfactory Academic Progress policy available on the web at www.fullerton.edu/financialaid.

TITAN ONLINE REGISTRATION REGISTRATION HELP LINE (657) 278-7601

OPEN REGISTRATION AND CHANGE OF PROGRAM

Once registration begins for a particular class level, students in that level may continue to register or change their program until the published registration deadline (front cover) for the appropriate class session.

Note: Class levels (i.e., senior, junior, etc.) are determined by the total number of units earned as currently reflected on your CSUF transcript and units enrolled in at CSUF for spring 2014. This prioritization applies only to those students who are currently officially admitted to CSUF. Transfer work that has not been evaluated or posted to your CSUF transcript cannot be used to calculate class level for this purpose.

Before registering for classes, please read the following instructions carefully.

MAXIMUM UNITS - University Limitation - A MAXIMUM OF 16 UNITS MAY BE TAKEN DURING THE ENTIRE SUMMER TERM 2014.

LATE REGISTRATION

Late registration is defined as registration that occurs on or after the first day of the session. Late registration requires an electronic permit from the department, payment of a late registration fee, and immediate payment of fees. Open University students require a paper add permit.

CLOSED CLASSES

When classes meet the established enrollment limit, they are closed. You may waitlist a course if the option is available (see Waitlist, page 32). Additional enrollments can be accepted into a closed class only with an electronic permit from the department. Open University students require a paper add permit.

DROPPING CLASSES

If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow and complete the appropriate procedures for dropping the class.

DEADLINES

Deadlines for adding/dropping classes and refund of fees are published on the front cover of this registration guide.

CSUF STUDENTS - REGISTRATION PROBLEMS/QUESTIONS

If you are having problems with registration, please call the TITAN Help Line (657) 278-7601

Monday - Friday 8:00 AM - 5:00 PM

NON-CSUF STUDENTS - REGISTRATION PROBLEMS/QUESTIONS

Registrants through University Extended Education should call (657) 278-2611 or visit www.ou.fullerton.edu.

CONTINUING CSUF STUDENTS
Log on to Titan Online Student Center. You will need your Campus Wide Identification Number and Password. See front cover for enrollment date availability.

NON-CSUF STUDENTS
If you are not officially admitted to CSUF in the summer 2014 term you can register beginning April 21, 2014 through Open University at www.ou.fullerton.edu. This includes transfer students admitted for fall 2014.

PAYMENT DEADLINES FOR CSUF STUDENTS

PAYMENT INFORMATION
Be prepared to pay your course fees at the time of registration. Payment must be made by the payment due date. Please refer to page 22 for fee payment information.

IMPORTANT NOTE: Students are subject to disenrollment if payment is not received by the payment due date.

WAITLIST

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the wait list. As space in the class becomes available, your name will advance on the wait list. If enough students drop the course, you may be automatically enrolled from the wait list.

HOW WAITLISTING WORKS
• Many classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.
• The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist limits based on department discretion.
• You can waitlist for a maximum of 4 units, provided that each course’s waitlist is not already full. (Note: Waitlisted units are not included toward your enrollment unit limit. Once you successfully get into the class, then the units will count towards your enrollment unit limit.)
• You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.
• Students cannot waitlist the same lecture section or the same lab section more than once.

• If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
• Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
• If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
• If you are moved from the waitlist into the class, you will receive an email notification.
• If you are waitlisted for multiple sections of the same course, and you successfully get into one of the sections, you will be automatically removed from the waitlists for the other sections.
• You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly to avoid possible cancellation of added class(es).
• If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a ‘WU’ grade on your record which will lower your grade point average.
• There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.
• The online waitlisting feature will cease to function on May 28, 2014. The waitlist will be retained for informational purposes for the instructor.
• Faculty will control access to “closed” classes starting with the first day of class via normal permit procedures.

WAITLIST RESTRICTIONS
Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless either of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.

2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the waitlist if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

If you cannot be moved from the waitlist, for either of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class.

Check your schedule regularly in your Titan Online Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.

**Enrollment Options:**
Some classes require a permission number in order to enroll, and if so, a row called "Permission Nbr" will appear where you must enter the permission number provided to you by the department in order to enroll.

Some classes offer a choice in grading option, and if so, there will be an arrow in the listed grading option and you may select a different grading option using that pull-down list at the time of enrollment. You could also change the grading option later using the "Edit" function.

Some classes offer a choice in the number of units, and if so, there will be an arrow in the listed number of units and you may select a different number of units using that pull-down list at the time of enrollment. You could also change the number of units later using the "Edit" function.
Step 4:  
A confirmation message will indicate the class has been added to your Shopping Cart.

To finish your enrollment, click **Proceed To Step 2 Of 3**.

Rather than enrolling in one class at a time, you could continue adding classes to your shopping cart until you are ready to “checkout” by proceeding to step 2 of 3.

Graduate Program in Applied Mathematics

The Cal State Fullerton Department of Mathematics offers a graduate program in applied mathematics leading to the Master of Arts degree. This program was developed in consultation with mathematicians and scientists in the local industrial community. It is designed for individuals who are seeking or currently hold positions which involve mathematical or quantitative applications.

The coursework emphasizes:
- Modern applied mathematics
- Problem solving
- Modeling
- Computation

All required courses are offered during the evening and can be completed in two academic years, including a summer in between. There are a minimal number of prerequisites and Summer Session is an ideal time to take these courses. However, the graduate program must be started in the fall semester with a workload of 6 units per semester. Financial aid, teaching assistantship, and out-of-state tuition/fee waiver are available.

To receive more information, visit http://math.fullerton.edu or call the Mathematics Department at (657) 278-3631.
